TEXAS HOUSE OF REPRESENTATIVES | DISTRICT 73

February 27, 2023

Erin E. Chancellor, MC 109  
Acting Executive Director  
TCEQ  
PO Box 13087  
Austin, Texas 78711-3087

Director Chancellor,

I am writing to you today in my role as State Representative for House District 73. Please accept this letter requesting that the Texas Commission on Environmental Quality hold a public meeting regarding Texas Pollutant Discharge Elimination System (TPDES) Permit No. WQ0016211001.

It is my understanding that there is a great deal of interest in this permit and I believe that a public meeting will serve all interested parties with an opportunity to get questions answered and vet concerns of affected parties.

The public comment period ends on March 2, 2023, as such, this letter is being sent to you with the public comment period, as required by rule.

If there are any questions or you require any additional information, please contact my Chief of Staff, Terry Franks at 512-463-0325.

Thank you for attention to this matter,

A handwritten signature in black ink, appearing to read "Carrie Isaac".
