COMMENTS: I live right across from plant on North Loop. I believe this project must be stopped due to the proximity of the town the smell is inevitable. We have too many things in close proximity to the suggested plant and it is not in the towns benefit. Please look for another location to place plant.

Good morning,

I am sharing a signed resolution approved by the Tornillo ISD board of trustees on November 30th in support of Take Charge Group of Fabens.

Respectfully,

Rachel Aguilar
Secretary to Superintendent | Tornillo ISD
P: 915-765-3005
E: aguilarr@tisd.us
A: PO Box 170, Tornillo, TX 79853

Subject: Scanned image from CO-MFP-WAO-01

RESOLUTION IN SOLIDARITY WITH THE TAKE CHARGE GROUP OF FABENS

WHEREAS, Tornillo ISD serves a community akin to Fabens, dedicated to serving students and families in an unincorporated area; and

WHEREAS, Tornillo ISD advocates for the welfare and well-being of the families and residents served; and

WHEREAS, the learning community of Tornillo relies on services such as health care, dining and other life essentials from the community of Fabens; and

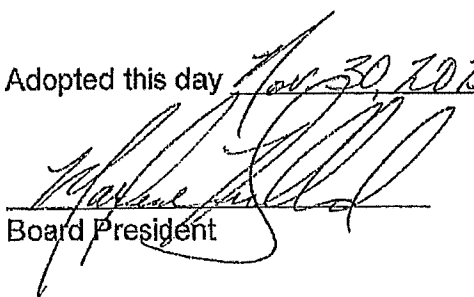

WHEREAS, having a wastewater treatment plant located within the Fabens community could cause health issues for students, schools, and families; and

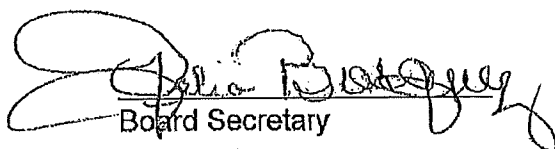

WHEREAS, placement of the Mesa Del Norte Wastewater Treatment Plant will potentially jeopardize the health, safety, and overall quality of life for the residents of Fabens as well as for the residents of Tornillo.

THEREFORE BE IT RESOLVED that the Tornillo Independent School District stands in solidarity and mutual support of the Take Charge Group of Fabens in opposition to the construction of a wastewater treatment plant within the Fabens community.

Adopted this day

April 30, 2023

Board President

Board Secretary

COMMENTS: As a twenty year resident of Fabens, I do not feel this is a benefit to our town. It may be a benefit to the surrounding Clint area residents but not to us. Please note that by our standards Fabens is no longer a rural community but a suburb area of El Paso Tx. The area for the permit is directly near schools, restaurants, senior citizen halls, the local sherrif office, churches and our children's local baseball field. Please consider denying this permit not only to maintain the health of our community but to reduce the impact of our local economy. I do not believe as a concerned human being that any one would consider coming to eat or attend a variety of activities knowing this wastewater plant is right literally in the middle of town. A second concern is; this would send wastewater to the San Felipe Arroyo, then what?

That is an area of diverse desert and semi arid wild life both animal and plant wise. How will this effect an area that we use on school field trips to teach our children about the diversity they can find in the area they live in? Thank you.

COMMENTS: I do not agree with the construction of this water treatment plant being so close to pre established residential areas. It will detrimental to quality of life for the town of fabens. We don't want to be known as the town that stinks. Furthermore I reside very closed to proposed building site. When I moved here I did not purchase with the intent of living so close to an environmental nuisance. And I'm sure future residence would take that into consideration as well when looking to relocate to the area.

NO a la construccion!!
You should move it away from population, from the kids, the
family. We were told that this does not have chemicals. But
mostly whatever it is is not supposed to be inhaled. We don't
want it here find somewhere else. Don't breathe our town!

COMMENTS: As for the safety of our small community, please consider not to allow a waste plant to be constructed so close to our community. The waste plant should be constructed far away from the community to avoid any potential contamination and sewage odors.

COMMENTS: Please consider not allowing a waste plant to be built in the middle of our town. There may be other places for such a plant to be built just not in the area that is up for a permit. Thank you for taking the time to consider not issuing a permit that would make our community undesirable to live in.

ON BACK

Please give this form to the person at the information table. Thank you.

I BELIEVE THAT LOWER VALLE W.D. IS MAKING THIS DECISION BASED ON KEEPING COSTS TO A MINIMAL ~~BUT~~ ^{AND} IS NOT TAKING INTO CONSIDERATION THE QUALITY OF LIFE OF THE FABENS COMMUNITY. FABENS TREATMENT PLANT WAS BUILT OUTSIDE OF THE COMMUNITY AWAY FROM ~~RESIDENTIAL~~ RESIDENTIAL LIVING.

Q: ISN'T THERE A MINIMUM DISTANCE REQ'D TO BUILD A FACILITY OF THIS NATURE (WASTE) FROM RESIDENTIAL COMMUNITIES?

Q: WHAT OTHER LOCATIONS, AWAY FROM RESIDENTIAL & PUBLIC COMMERCE, ARE QUALIFY TO BUILD THIS FACILITY AND ACCOMMODATE ALL COMMUNITIES EFFECTED?

Privacy policy: Please be aware the law concerning confidentiality of certain email addresses has recently changed. Effective September 1, 2009, email addresses provided to a governmental body (including the TCEQ) for the purpose of providing public comment on or receiving notices related to an application for a license as defined by Section 2001.003(2) of the Government Code, or receiving orders or decisions from a governmental body, are no longer subject to the confidentiality provisions of Section 552.137 of the Act. This means beginning September 1, 2009, email addresses in the possession of the TCEQ that meet the above criteria (set forth in Section 552.137(c)(5)) will be subject to disclosure. (more ...)

Privacy policy: Please be aware the law concerning confidentiality of certain email addresses has recently changed. Effective September 1, 2009, email addresses provided to a governmental body (including the TCEQ) for the purpose of providing public comment on or receiving notices related to an application for a license as defined by Section 2001.001(2) of the Government Code, or receiving orders or decisions from a governmental body are no longer subject to the confidentiality provisions of Section 552.137 of the Act. This means beginning September 1, 2009, email addresses in the possession of the TCEQ that meet the above criteria (set forth in Section 552.137(c)(5)) will be subject to disclosure. (more ...)

Fax to: 512-239-3311 **

** Note: All comments submitted by fax must be followed by a hard copy in the mail within three days.

The Lower Valley Water District has applied for a permit to install a sewer water treatment plant at 616 Northwest Camp Street, Fabens, Tx. This is where the old cotton compress was located. The discharge route will be from the plant to the San Felipe Arroyo.

The plant will process no more than 900,000 gallons of sewer water per day.

Distance from sewer plant to:

Nearest home – 254 feet

Lions Club baseball field – 314 yards

Post Office – 173 yards

Ponchos Restaurant – 280 yards

Residence – 250 yards

Nearest residence – 18 yards

My home - 0.5 mile

McDonalds – 0.6 mile

Downtown Fabens – 0.4 mile

Fabens Schools – 0.6 mile

Veteran's Park – 0.75 mile

University Medical Ctr. – 0.41 mile

Senior Center – 0.27 mile

Wind normally blows from the Southwest towards town, so any odors will spread to most of the town

Potential of smell during malfunctions

The proximity to the railroad track is of concern for the ground vibrations

As a community, we can ask that the permit be disapproved.

Privacy policy: Please be aware the law concerning confidentiality of certain email addresses has recently changed. Effective September 1, 2009, email addresses provided to a governmental body (including the TCEQ) for the purpose of providing public comment on or receiving notices related to an application for a license as defined by Section 2001.003(2) of the Government Code, or receiving orders or decisions from a governmental body are no longer subject to the confidentiality provisions of Section 552.137 of the Act. This means beginning September 1, 2009, email addresses in the possession of the TCEQ that meet the above criteria (set forth in Section 552.137(c)(5)) will be subject to disclosure. (more ...)
