Permit Number: Wolf Hollow II Power, LLC, Permits Nos. 175173 GHGPSDTX23B, and PSDTX1636. Docket # 2024-1918-Air

I Geraldine Lathers strongly disagree with the Executive Director's finding in the 1-3-2025 letter. I am affected and do contest it. . I live 0.80miles from the plant

I am very concerned about the air quality feel a third Gas powered plant in Hood County will not only make my health problems worse but the whole community as well.

I feel the air permits for WH III should be denied.

For the past couple of years my health has declined greatly and has not improved Last year I was hospitalized with high blood pressure and Vertigo. My health issues are High Blood Pressure; Headaches; Neck Spasms; Hearing Lost; Ear Ringing; Anxiety; Loss of Hair; Sleepless Nights; Heart Racing at times and Pounding fast . I take medication I never had to take and some medicines I have had dosage increase.

Sincerely  
Geraldine Lathers
