Re: Request for Contested Hearing regarding  
**North Fork Municipal Utility District of Williamson County, Texas**  
**TCEQ Internal Control Number D-07022024-003**

Dear Sir of Madam:

Edward C. Griffith Jr., acting as the managing member of Griffith Prairie Management LLC, the general partner of Wilson Springs Prairie LP, hereby requests a contested hearing regarding the petition for the creation of the North Fork Municipal Utility District of Williamson County, Texas pursuant to the notice published in the August 25, 2024 edition of the Williamson County Sun.

**1. Contestant:**

Wilson Springs Prairie LP  
c/o Edward C. Griffith Jr.  
P.O. Box 1099  
Taylor, TX 76574

Phone: 512-868-7667

**2. Petitioner:**

Ava Rhode and Rummel & Rhode Farms Ltd.  
TCEQ Internal Control Number D-07022024-003

### **3. Location of Property and Impact**

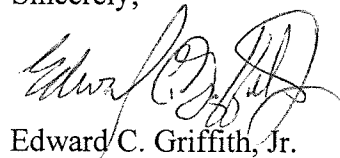

Wilson Springs Prairie LP (the "Contestant") owns approximately 305 acres located immediately east of the boundary of the proposed North Fork Municipal Utility District of Williamson County, Texas (the "NF MUD").

The North Fork of Mustang Creek traverses both Petitioner's property and Contestant's property. The upper end of the North Fork of Mustang Creek traversing Contestant's property is periodically dry but flows during periods of rainfall. The middle to lower portion of the North Fork of Mustang Creek traversing Contestant's property is fed by multiple, pristine springs and flows permanently.

Contestant's chief concerns regarding the creation of the NF MUD include wastewater discharge and increased storm water runoff that will impact natural stream flows and water quality of the North Fork of Mustang Creek traversing Contestant's property.

Please consider Contestant's request for a contested hearing in this matter.

Sincerely,

Edward C. Griffith, Jr.
