COMMENTS: I, Rick Shaffer, as Director of Water Utilities for the City of Weatherford, Texas, hereby request to be placed on the permanent mailing list for the City of Hudson Oaks' permit application (proposed Permit No. WQ0016323001) so that Weatherford is kept informed throughout the permitting process. Weatherford also maintains a TPDES permit (WQ0010380002) that discharges into the South Fork Trinity River, thence to the Clear Fork Trinity River. For this reason, I believe that Weatherford is an affected party. Weatherford is generally supportive of Hudson Oaks' efforts to obtain a TPDES permit for a new treatment facility. Weatherford does have several questions regarding this permit application, and we will work with the representatives for Hudson Oaks to answer those questions to resolve

Weatherford's concerns with this application. Weatherford is not currently requesting a contested case hearing; I am simply requesting to be added to the permanent mailing list for this application. Thank you.
