Re: Texas Pollutant Discharge Elimination Systems (TPDES) Permit No. WQ0016474001 (EPA I.D. No. TX 0145572), Permit No. WQ0016395001 (EPA I.D. No. TX 0144991), and Permit No. WQ 0016257001.

Dear Ms. Gharis,

It has come to my attention that there have been preliminary decisions on Texas Pollutant Discharge Elimination Systems (TPDES) Permit No. WQ0016474001 (EPA I.D. No. TX 0145572), Texas Pollutant Discharge Elimination Systems (TPDES) Permit No. WQ0016395001 (EPA I.D. No. TX 0144991), and Texas Pollutant Discharge Elimination Systems (TPDES) Permit No. WQ 0016257001. I do not doubt that the Texas Commission on Environmental Quality is doing everything in its power to protect our state's air, water, and natural resources while balancing that duty with the public's interest, including House District 52 residents.

I respectfully request that TCEQ schedule a public meeting to address the permit applications listed in the previous paragraph. This would allow my constituents to hear about the proposed permits, as well as voice their concerns.

Thank you for your service to the state. If you have any questions, please don't hesitate to contact me.

Sincerely,

A handwritten signature in cursive script that reads "Caroline Harris Davila".

Caroline Harris Davila  
Texas State Representative  
House District 52
