**RE: Docket Number 582-25-17366; TCEQ No. 2025-0209-MSW;
*Application of Waste Connections Lone Star, Inc. for Municipal
Solid Waste Permit No. 2420***

Dear Parties:

Applicant Waste Connections Lone Star, Inc. filed exceptions to the Proposal for Decision (PFD). The Executive Director of the Texas Commission on Environmental Quality filed a reply agreeing with the Applicant's exceptions.

Based on those exceptions, the ALJ recommends the following changes to the body of the PFD and the Proposed Order:

PFD

On page 2, the ending date of the public comment period should read, “January 21, 2025” instead of “January 21, 2024.”

On page 5, footnote 2 should read “Exs. AR-1 through AR-7.”

Proposed Order

In Finding of Fact 13, the publication date for the English NAPD should read “December 24, 2024” instead of “December 23, 2024.”

In Finding of Fact 17, the following sentence should be added after the first sentence: “Notice of the preliminary hearing was also mailed to each property owner within one-half mile of the proposed facility.”

With these changes, the PFD is ready for consideration.

A handwritten signature in black ink that reads "Rebecca S. Smith". The signature is written in a cursive, flowing style. Below the signature is a solid horizontal line.

Presiding Administrative Law Judge
