Subject: Proposed Peach Creek Environmental Park – San Jacinto County Municipal Solid Waste - Permit Application No. 2406; RN110843042/CN605694611

Dear Mr. Zeng:

I am writing to provide additional information to my letter to you dated January 12, 2024.

At our December 13, 2023 meeting, the San Jacinto County Commissioners Court approved PC-II's plans for connection of the Peach Creek Environmental Park Landfill private site access road to Fostoria Tram Road, as shown on the attached Exhibit 1. In addition, as part of the development of the landfill, PC-II has agreed to improve Fostoria Tram Road as shown on the attached Exhibit 2. Those improvements were approved by the Commissioners Court at our October 4, 2023 meeting, subject to TCEQ approval of PC-II's permit application.

The improvements to Fostoria Tram and the to-be-constructed private site access road will resolve the concerns set out in my letter to the TCEQ dated January 25, 2021.

I hereby withdraw my prior comments in reference to this project since it will not be utilizing the Subdivision Road for ingress or egress.

Respectfully,

A handwritten signature in black ink, appearing to be "D. Brandon", written over a horizontal line.
