Senator Campbell's staff sent over the attached letter which is addressed to me. It is about the meeting tonight (I'm joining Cameron on this one).

Should we log it the regular way but have the response be from Kelly?

RE: Blizexas LLC, CN605898865; Rockingwall Ranch, RN111436440; Opposition to Application for proposed Texas Land Application Permit (TLAP) No. WQ0016111001;

Dear Ms. Thigpen:

I have the privilege of representing Senate District 25 in the Texas Senate. I understand that the Commission is reviewing an application for a Texas Land Application Permit (TLAP) associated with a music venue proposed by Blizexas LLC. Many of my constituents have expressed their opposition to this facility and discussed with me significant issues that form the basis of their opposition.

For many reasons, the proposed location of this venue is inappropriate. I am particularly concerned about the lack of sufficient waste storage capacity, the size and location of the proposed waste disposal fields, and the lack of sufficient effluent limits (Nitrogen, Phosphorus, Total Suspended Solids, Biochemical Oxygen Demand). In addition, the geology of the area increases the likelihood that the proposed waste disposal will impact groundwater and surface water, including Barton Creek. For these and other reasons, I am opposed to the Commission's issuance of the TLAP. Please ensure that Commission staff performs a thorough review of Blizexas' permit application. I think that review will confirm my conclusion that Blizexas either should not be granted the TLAP or that significant changes to the proposed draft permit are required.

I appreciate your assistance in this regard.

Senator Donna Campbell, M.D.
Senate District 25

Dear Chief Clerk Gharis,

I am writing on behalf of the constituents living near intersection of Crumley Ranch Road and Fitzhugh Road, in Hays County, Texas 78737. I would like to request a public meeting regarding PROPOSED PERMIT NO. WQOO16111001 for a water quality permit, and water quality land application permit for municipal wastewater.

Our responsibility to protect the Texas air, water, and natural resources while balancing economic development is an integral reason in having a public meeting with all parties involved.

With that in mind, I respectfully request TCEQ hold a public meeting at the earliest possible convenience to discuss the permit filed by Blizexas, LLC.

If your office will keep my office informed on proposed permit No. WQOO16111001, I would appreciate it.

Sincerely,

Senator Donna Campbell, M.D.
