Re: Application of the JC Water Resource Recovery Facility, LLC, 525 South Loop 288, Suite 105, Denton, Texas 76205, (TCEQ) for proposed Texas Pollutant Discharge Elimination System (TPDES) Permit No. WQ0016386001 (EPA I.D. No. TX0144908) - Johnson County

To Whom It May Concern:

The proposed Texas Pollutant Discharge Elimination System (TPDES) Permit No. WQ0016202001 would affect a number of residents and landowners within House District 58. Some of those landowners in the immediate vicinity of the System have expressed serious concerns over the effects of the System on their lands and waters.

We therefore respectfully request a public meeting for the benefit of current and future residents of Johnson County and the State of Texas. Public meetings are critical for hearing all sides. The robust participation of the public - affected landowners and others - helps ensure that as Texas grows, it does so with respect for its existing residents and the natural resources of the state.

Sincerely,

A handwritten signature in cursive script that reads "DeWayne Burns".

DeWayne Burns  
Texas State Representative (HD-58)
