Re: **RESEND, Agenda Date Correction:** Concerning the Application by the City of Manor for a major amendment with renewal of Texas Pollutant Discharge Elimination System Permit No. WQ0014129002; TCEQ Docket No. 2025-0828-MWD

The above-referenced matter was scheduled to be considered by the Texas Commission on Environmental Quality (Commission) at its public meeting on July 23, 2025. On July 11, 2025, attorney Christopher Smith, representing the hearing requesters, included a motion for continuance in his reply to the responses of the hearing requests, stating that he is not available to attend the July 23, 2025 public meeting due to prior commitments. Mr. Smith requested that the matter be moved to the first available agenda after July 23, 2025.

Pursuant to Texas Administrative Code § 10.4, this matter is hereby continued to the Commission's August 6, 2025, public meeting. The meeting will begin at **9:30 a.m.** Due to an ongoing construction project, the agenda meeting is expected to be held in **Room 244 of the Texas Workforce Commission** located at 101 East 15th Street in Austin, Texas. However, that location may change if the construction project has concluded. The agenda meeting may be held in person, virtually, or both in person and virtually. To confirm where and how the meeting will be held, please visit the Commissioners' Agenda webpage at <https://www.tceq.texas.gov/goto/agendas> eight days before the Agenda.

If you have any questions about the public meeting or related matters, please contact Greg Merrell at greg.merrell@tceq.texas.gov.
