TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

Protecting Texas by Reducing and Preventing Pollution

July 29, 2025

To: Persons on the attached mailing list (via email only)

Re: Application by Beaumont New Ammonia LLC fka OCI Clean Ammonia LLC for renewal and amendment of Air Quality Permit No. 169687; TCEQ Docket No. 2025-0887-AIR.

This letter is in response to a request submitted by the TCEQ Executive Director (Executive Director) on July 29, 2025. The request states that the Executive Director's Response to Hearing Requests and Requests for Reconsideration in the above-referenced matter was inadvertently filed without the mailing list, and service was not timely completed. On July 29, 2025, the Executive Director also re-filed her Response with the correct mailing list attached and states that she served the response to everyone on the mailing list. Accordingly, the Executive Director requests an extension of one day for providing timely service and does not oppose a commensurate extension of time for filing replies.

Pursuant to 30 Texas Administrative Code § 1.10(h) and the Commission's Resolution in Docket No. 2009-0059-RES, this letter extends the time for filing of responses to the hearing requests and requests for reconsideration until Tuesday, July 29, 2025. Furthermore, this letter extends the deadline for filing replies until Tuesday, August 12, 2025. All other filing deadlines remain the same, and this matter remains on the Commission's August 20, 2025, public meeting beginning at 9:30 a.m., as previously notified by the Office of the Chief Clerk.

If you have any questions about this matter, please contact Elaine M. Lucas, Assistant General Counsel, at elaine.lucas@tceq.texas.gov.

Respectfully,

A handwritten signature in black ink that reads "Mary Smith".

Mary Smith
General Counsel
