Procedures Concerning Requests for Reconsideration and Requests for Contested Case Hearing

The purpose of this document is to describe commission procedures for evaluating requests for reconsideration and requests for contested case hearing. This document is not intended to be a comprehensive guide to public participation at the TCEQ.

The three commissioners determine the validity of requests for reconsideration and requests for contested case hearing and vote to grant or deny the requests during a public meeting. These public meetings are usually held every other Wednesday in Austin. Prior to the meeting, the following occurs:

- (1) the written requests are distributed to the executive director, the public interest counsel, and the Applicant. These persons may file a response at least 23 days before the meeting;
- (2) the requester may then file a reply to the responses at least 9 days before the meeting. This is the requester's opportunity to address any deficiencies in the request that have been identified by TCEQ staff or the Applicant. The requester must submit any information he or she wishes the commissioners to consider (ex: maps or diagrams showing requester's location relative to the Applicant's proposed activities) by this deadline; and
- (3) the commissioners read the requests, the responses to requests, and the replies, before the public meeting. Then, during the public meeting, the commissioners vote to grant or deny the requests.

Requests for Reconsideration

A request for reconsideration must expressly state that the person is requesting that the commission reconsider the executive director's decision and state the reasons why the commission should reconsider the executive director's decision. The commission will consider a request for reconsideration at a scheduled public meeting and grant or deny the request.

Requests for Contested Case Hearing

A contested case hearing is an evidentiary proceeding, similar to a hearing in civil court. The law allows for holding a contested case hearing on certain types of applications.

A valid request for a contested case hearing must:

- (1) demonstrate that the requester is an "affected person" with a "personal justiciable interest" related to a legal right, duty, privilege, power or economic interest which would be affected by the application in a manner not common to the general public;

- (2) If the request is made by a group or association, the request must identify:
- (A) one person by name, address, daytime telephone number, and, if possible, the fax number, of the person who will be responsible for receiving all communications and documents for the group;
 - (B) the comments on the application submitted by the group that are the basis of the hearing request; and
 - (C) by name and physical address one or more members of the group that would otherwise have standing to request a hearing in their own right. The interests the group seeks to protect must relate to the organization's purpose. Neither the claim asserted nor the relief requested must require the participation of the individual members in the case.
- (3) expressly request a contested case hearing;
- (4) raise disputed issues of fact that are relevant and material to the commission's decision on the application which were raised **by the requestor** during the comment period and not withdrawn **by the requestor** prior to the filing of the Executive Director's Response to Comment; and
- (5) include any other information as specified in public notices.

The commission is authorized to protect human health and safety, and natural resources. The commission cannot address other matters outside the commission's authority, such as the effect of the existence of a proposed facility on nearby property values.

When the commissioners deny hearing requests, they often proceed to vote on approval or denial of the application. Alternatively, they may remand the application to the executive director for final action. If a hearing request is granted and the application is referred to the State Office of Administrative Hearings (SOAH), the commissioners will specify a list of issues which will be the subject of the hearing and an expected date for the SOAH judge's proposal for decision. Pursuant to 30 TAC § 80.118(d), if a matter is referred to SOAH by the Commission for hearing, the Applicant shall provide to the Chief Clerk two duplicates of the original application, including all revisions to the application, for inclusion in the administrative record, no later than 10 days after the Chief Clerk mails the Commission's Order referring the matter to SOAH. The SOAH judge will conduct the hearing and submit a proposal to the commission to approve or deny the application.

The Alternative Dispute Resolution Program may contact requesters to determine their interest in informal discussions with the permit Applicant and a mediator.

By necessity this document gives a very general description of commission procedures. If you have any questions, please call the Public Education Program toll free at 1-800-687-4040.

ARCHIVO ADJUNTO

Procedimientos Relativos a las Solicitudes de Reconsideración y Solicitudes de Audiencia de Casos Impugnados

El propósito de este documento es para describir los procedimientos de la comisión para evaluar las solicitudes de reconsideración y las solicitudes de audiencia de casos impugnados. Este documento no pretende ser una guía exhaustiva para la participación pública en la TCEQ.

Los tres comisionados determinan la validez de las solicitudes de reconsideración y las solicitudes de audiencia de casos impugnados y votan para conceder o denegar las solicitudes durante una reunión pública. Estas reuniones públicas generalmente se llevan a cabo cada dos miércoles en Austin. Antes de la reunión, ocurre lo siguiente:

- (1) las solicitudes escritas se distribuyen al director ejecutivo, al abogado de interés público y al solicitante. Estas personas pueden presentar una respuesta al menos 23 días antes de la reunión;
- (2) El solicitante puede presentar una respuesta a las respuestas al menos 9 días antes de la reunión. Esta es la oportunidad del solicitante para abordar cualquier deficiencia en la solicitud que haya sido identificada por el personal de la TCEQ o el solicitante. El solicitante debe presentar cualquier información que desee que los comisionados consideren (por ejemplo, mapas o diagramas que muestren la ubicación del solicitante en relación con las actividades propuestas por el solicitante) antes de esta fecha límite; y
- (3) Los comisionados leen las solicitudes, las respuestas a las solicitudes y las réplicas antes de la reunión pública. Luego, durante la reunión pública, los comisionados votan para conceder o negar las solicitudes.

Solicitudes de Reconsideración

Una solicitud de reconsideración debe indicar expresamente que la persona solicita que la comisión reconsidere la decisión del director ejecutivo y exponga las razones por las cuales la comisión debe reconsiderar la decisión del director ejecutivo. La comisión considerará una solicitud de reconsideración en una reunión pública programada y concederá o rechazará la solicitud.

Solicitudes de Audiencia de Casos Impugnados

Una audiencia de caso impugnado es un procedimiento probatorio, similar a una audiencia en un tribunal civil. La ley permite convocar una audiencia de caso impugnado sobre ciertos tipos de solicitudes.

Una solicitud válida para una audiencia de caso impugnado debe:

- (1) demostrar que el solicitante es una "persona afectada" con un "interés personal justiciable" relacionado con un derecho, deber, privilegio, poder o interés económico legal que se vería afectado por la solicitud de una manera no común al público en general;

(2) Si la solicitud es realizada por un grupo o asociación, la solicitud debe identificar:

- (A) una persona por nombre, dirección, número de teléfono diurno y, si es posible, el número de fax, de la persona que será responsable de recibir todas las comunicaciones y documentos para el grupo;
- (B) los comentarios sobre la solicitud presentada por el grupo que constituyen la base de la solicitud de audiencia; y
- (C) por nombre y dirección física, uno o más miembros del grupo que de otro modo tendrían derecho a solicitar una audiencia por derecho propio. Los intereses que el grupo busca proteger deben estar relacionados con el propósito de la organización. Ni la reclamación alegada ni la reparación solicitada deben requerir la participación de los miembros individuales en el caso.

(3) solicitar expresamente una audiencia de caso impugnado;

(4) plantear cuestiones de hecho controvertidas que sean relevantes y materiales para la decisión de la Comisión sobre la solicitud que hayan sido planteadas **por el solicitante** durante el período de presentación de observaciones y que el solicitante no haya retirado antes de la presentación de la respuesta del director ejecutivo al comentario, e

(5) Incluir cualquier otra información especificada en los avisos públicos.

La comisión está autorizada para proteger la salud y la seguridad humana, y los recursos naturales. La comisión no puede abordar otros asuntos fuera de la autoridad de la comisión, como el efecto de la existencia de una instalación propuesta en los valores de las propiedades cercanas.

Cuando los comisionados niegan las solicitudes de audiencia, a menudo proceden a votar sobre la aprobación o denegación de la solicitud. Alternativamente, pueden devolver la solicitud al director ejecutivo para que adopte una decisión definitiva. Si se concede una solicitud de audiencia y la solicitud se remite a la Oficina Estatal de Audiencias Administrativas (SOAH), los comisionados especificarán una lista de asuntos que serán objeto de la audiencia y una fecha prevista para la propuesta de decisión del juez de SOAH. De conformidad con 30 TAC § 80.118 (d), si la Comisión remite un asunto a SOAH para su audiencia, el Solicitante proporcionará al Secretario Oficial dos duplicados de la solicitud original, incluidas todas las revisiones de la solicitud, para su inclusión en el registro administrativo, a más tardar 10 días después de que el Secretario Oficial envíe por correo la Orden de la Comisión que remite el asunto a SOAH. El juez del SOAH llevará a cabo la audiencia y presentará una propuesta a la comisión para aprobar o denegar la solicitud.

El Programa de Resolución Alternativa de Disputas puede comunicarse con los solicitantes para determinar su interés en conversaciones informales con el solicitante del permiso y un mediador.

Por necesidad, este documento ofrece una descripción muy general de los procedimientos de comisión. Si tiene alguna pregunta, llame gratis al Programa de Educación Pública al 1-800-687-4040.
