Re: Application of Formosa Plastics Corporation, Texas (Applicant); TCEQ Docket No. 2025-1160-AIR

The above-referenced matter is scheduled to be considered by the Texas Commission on Environmental Quality (Commission) at its November 5, 2025, agenda. On October 10, 2025, the General Counsel established an October 24, 2025, deadline to file replies to briefs regarding this matter. On November 3, 2025, counsel for San Antonio Bay Estuarine Waterkeeper (Waterkeeper) filed a motion for leave to late-file its reply and continue the Commission's consideration of the matter. Counsel for Waterkeeper states that Waterkeeper served its reply on all parties but unsuccessfully attempted to file the reply. Counsel further certified that he conferred with representatives for the Executive Director (ED), Office of Public Interest Counsel, and the Applicant, and no parties oppose the motion for leave to file the reply late. The ED and Applicant oppose a continuance.

Pursuant to 30 Texas Administrative Code (TAC) § 1.10(h) and the Commission's Resolution in Docket No. 2009-0059-RES, this letter extends the time for filing of replies to briefings to November 4, 2025. Pursuant to 30 TAC § 10.4 and the Commission's Resolution issued on February 2, 2009, Docket No. 2009-0059-RES, Waterkeeper's motion for continuance is denied. This matter remains on the Commission's November 5, 2025, agenda beginning at 9:30 a.m., as previously notified by the General Counsel's October 10, 2025, letter.

If you have any questions about this matter, please contact Audrey Liter, Assistant General Counsel, at audrey.liter@tceq.texas.gov.

Sincerely,

A handwritten signature in black ink that reads "Mary Smith".

Mary Smith
General Counsel
