Re: SPUR WWTF, Wastewater Permit No. WQ0016488001

Dear Chairman Niermann,

As Chair of the Texas Commission on Environmental Quality (TCEQ), you have been tasked with the tremendous responsibility of protecting our state's air, water, and natural resources, while balancing that duty with sustainable economic development policies. I too share those values, while also ensuring the voices of Senate District 5 residents are heard whenever a TCEQ related permit directly impacts their lives.

With that in mind, I respectfully request that TCEQ hold a public meeting related to the SPUR WWTF, Permit No. WQ0016488001. Thank you for your service to the state. If you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "C. Schwertner".
