**COMMENTS:** When and where will the Public Comment / Public Meeting be held? Will there be multiple dates and locations to allow all interested parties to attend and be heard? It was only very recently that the materials were made available in the noted libraries. The materials are voluminous (4, 3-ring binders) and a pdf version of the same is not only practical but completely appropriate. Thank you for your attention and timely response.

**COMMENTS:** Our property is adjacent to the Slick-Wilcox site. We request a Public Comment / Public Meeting to better understand the work plans and allow for Q&A. As of 2 days ago, the license application, executive Director's technical summary, draft license were not available at the Goliad and Cuero libraries for viewing or copying. Request of same have gone unanswered by ConocoPhillips. Thank you.

AT PUBLIC MEETING

I would like to request a Contested Case Hearing. I own the property directly across Hwy 791 from the ~~Conquista~~ Conoco Phillips Site. My family and other landowners will be endangered ~~on~~ by radiation which would occur during the excavation of the new Contamination/Conquista site. Please give this form to the person at the information table. Thank you.

Additionally, any Alpha Radiation which may be incidental to the excavation may affect the groundwater and be detrimental to ~~our~~ birds, including whooping cranes which travel over Kerr Co during migration.

PROTEST SIGN IN SHEET MAY 2025

2025 SEP -3 AM 9:00

CONOCO PHILLIPS AND TCEQ ARE AT IT AGAIN

PLEASE SIGN THIS PETITION AND REQUEST YOUR NEIGHBORS AND FRIENDS ALSO TO SIGN THE PETITION . BE SURE TO INCLUDE YOUR ADDRESS AND PHONE NUMBER IF POSSIBLE AND STOP CONOCO PHILLIPS AND TCEQ.

PLEASE READ THE MAY 8<sup>TH</sup> LOCAL NEWSPAPERS FOR MORE INFORMATION. IF THERE ARE ENOUGH WRITE IN PROTEST SENT TO TCEQ THERE SHOULD BE A LOCAL MEETING IN FALLS CITY BY TCEQ..THERE IS A DEADLINE FOR THE PROTEST LETTERS MAILED TO TCEQ. TO STOP THIS IS TO BENEFIT EVERYONE. IT WILL KEEP THE SOIL SAFE AND KEEP ANY NEW VERY DANGEROUS RADIOACTIVE MATERIAL OUT OF OUR CREEKS AND OUT OF THE RIVER AND KEEP THE LAND FROM BEING DESTROYED MORE.

CONOCO PHILLIPS IS WANTING A MAJOR AMENDMENT CHANGE AGAIN THROUGH TCEQ, TEXAS COMMISSION ON ENVIRONMENTAL QUALITY, TO AMEND THE RADIOACTIVE MATERIAL LICENSE R01634 TO AUTHORIZE THE REMOVAL OF HIGHLY RADIOACTIVE WASTE MATERIALS FROM THE CLOSED SLICK WILCOX SITE IN THE CUERO, NORDHEIM, NIXON AREA IN DE WITT COUNTY AND MAKE A NEW HOLE AND SITE IN KARNES COUNTY AT THE CONOCO PHILLIPS CONQUISTA SITE TO DISPOSE OF THIS VERY DANGEROUS HIGHT RADIOACTIVE MATERIAL, A VERY SHORT DISTANCE FROM THE FM 791 W HIGHWAY. THIS IS VERY NEAR AN INHABITED HOME ON THE SOUTHWEST SIDE AND A FREQUENTLY USED HOME ON THE NORTH SIDE OF FM791W, DIRECTLY ACROSS THE OLD CONOCO PHILLIPS OFFICE AND OTHER BUILDINGS.

THEY ALSO WANT TO REMOVE THE CONTAMINATED SOIL ALONG BOTH SIDES OF FM791W ALONG THE CONOCO PHILLIPS PROPERTY. YES, IT IS CONTAMINATED, I HAVE OFFICIAL COLORED MAPS SHOWING THIS. IT IS CONTAMINATED BEYOND THE FENCE LINE, THE FENCES AND HIGHWAY DID NOT STOP THE CONTAMINATING. CONOCO PHILLIPS WOULD WANT TO DUMP THIS COTAMINATED SOIL IN THEIR NEWLY CREATED DISPOSAL SITE.

I FEEL THAT THE BEST THING TO DO IS LEAVE BOTH SITES ALONE THE WAY THEY ARE. THE SLICK WILCOX SITE HAS BEEN CLOSED SINCE 1971, WHY OPEN IT NOW. IS IT POSSIBLE /CONOCO PHILLIPS INTENDS TO

MAKE A LOT OF MONEY IF THE SLICK WILCOX SITE IS CLEANED UP. COULD THIS BE ALL ABOUT MONEY AGAIN FOR CONOCO PHILLIPS.

I AM TOLD BY A FEMALE EMPLOYEE AT TCEQ THAT COMMON SENSE IS NOT A DECIDING FACTOR IN THE DECISION MAKING.

THANK YOU

PROTEST SIGN IN SHEET

MAY 2025

CONOCO PHILLIPS AND TCEQ ARE AT IT AGAIN

PLEASE SIGN THIS PETITION AND REQUEST YOUR NEIGHBORS AND FRIENDS ALSO TO SIGN THE PETITION AND REQUEST A PUBLIC MEETING IN FALLS CITY. BE SURE TO INCLUDE YOUR ADDRESS AND PHONE NUMBER IF POSSIBLE AND STOP CONOCO PHILLIPS AND TCEQ. MY EMAIL ADDRESS IS bdiver@att.net

THE ADDRESS FOR THE PROTEST IS; TCEQ OFFICE OF CHIEF CLERK P.O. BOX 13087 AUSTIN, TEXAS 78711 3087 MAIL CODE 105

PLEASE READ THE MAY 8<sup>TH</sup> AND NEXT TWO LOCAL NEWSPAPERS FOR MORE INFORMATION. IF THERE ARE ENOUGH WRITE IN PROTEST SENT TO TCEQ THERE SHOULD BE A LOCAL MEETING IN FALLS CITY BY TCEQ..THERE IS A DEADLINE FOR THE PROTEST LETTERS MAILED TO TCEQ. TO STOP THIS IS TO BENEFIT EVERYONE. IT WILL KEEP THE SOIL SAFE AND KEEP ANY NEW VERY DANGEROUS RADIOACTIVE MATERIAL OUT OF OUR CREEKS AND OUT OF THE RIVER AND KEEP THE LAND FROM BEING DESTROYED MORE.

CONOCO PHILLIPS IS WANTING A MAJOR AMENDMENT CHANGE AGAIN THROUGH TCEQ, TEXAS COMMISSION ON ENVIRONMENTAL QUALITY, TO AMEND THE RADIOACTIVE MATERIAL LICENSE R01634 TO AUTHORIZE THE REMOVAL OF HIGHLY RADIOACTIVE WASTE MATERIALS FROM THE CLOSED SLICK WILCOX SITE, WHICH WAS CLOSED IN 1971, IN THE CUERO, NORDHEIM, NIXON AREA IN DE WITT COUNTY AND MAKE A NEW HOLE AND HAVE ALSO ANOTHER HIGH HILL,AND SITE IN KARNES COUNTY AT THE CONOCO PHILLIPS CONQUISTA SITE TO DISPOSE OF THIS VERY DANGEROUS HIGHLY RADIOACTIVE MATERIAL, A VERY SHORT DISTANCE FROM THE FM 791 W HIGHWAY. THIS IS VERY NEAR AN INHABITED HOME ON THE SOUTHWEST SIDE AND OTHERS VERY NEAR BY AND A FREQUENTLY USED HOME ON THE NORTH SIDE OF FM791W, DIRECTLY ACROSS THE OLD CONOCO PHILLIPS OFFICE AND OTHER BUILDINGS.

THEY ALSO WANT TO REMOVE THE CONTAMINATED SOIL ALONG BOTH SIDES OF FM791W ALONG THE CONOCO PHILLIPS PROPERTY. YES, IT IS CONTAMINATED, I HAVE OFFICIAL COLORED MAPS SHOWING THIS. IT IS CONTAMINATED BEYOND THE FENCE LINE, THE FENCES AND HIGHWAY DID NOT STOP THE CONTAMINATING. CONOCO PHILLIPS WOULD WANT TO DUMP THIS CONTAMINATED SOIL IN THEIR NEWLY CREATED DISPOSAL SITE. I HAD BEEN TOLD CONOCO PHILLIPS WOULD USE THE CONTAMINATED SOIL ON THE CONOCO/PHILLIPS COQUISTA SITE TO FILL IN THE HOLES ALONG THE SIDES OF THE HIGHWAY. MEANING THEY WOULD REMOVE THE CONTAMINATED RADIOACTIVE SOIL ON BOTH SIDES OF FM791W ONLY BY THE AREA OWNED BY CONOCO/PHILLIPS AND REPLACE THE REMOVED SOIL WITH CONTAMINATED RADIOACTIVE SOIL FROM THE CONOCO/ PHILLIPS CONQUISTA SITE. THIS DOES NOT MAKE SENSE.

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

I FEEL THAT THE BEST THING TO DO IS LEAVE BOTH SITES ALONE THE WAY THEY ARE. THE SLICK WILCOX SITE HAS BEEN CLOSED SINCE 1971, WHY OPEN IT NOW. IS IT POSSIBLE CONOCO /PHILLIPS INTENDS TO MAKE A LOT OF MONEY IF THE SLICK WILCOX SITE IS CLEANED UP. COULD THIS BE ALL ABOUT MONEY AGAIN FOR CONOCO /PHILLIPS..FOR MYSELF AND I FEEL THE PEOPLE AFFECTED , WHO IS RESPONSIBLE FOR REQUESTING THIS AMMENDMENT.ONE ANSWER I WAS GIVEN WAS THAT TCEQ WANTS TO PUT ALL THE CONTAMINATED RADIOACTIVE MATERIAL IN ONE PLACE.

ALSO I AM TOLD THAT THE STATE WOULD BE GIVEN TITLE TO THAT SITE ON FM791W AND HAVE CONTROL OF THAT SITE. WHAT WOULD THE STATE DO WITH THE LAND. DO YOU TRUST THE STATE GOVERNMENT. THAT ALSO MEANS THE COMPANIES THAT MADE ALL THE MONEY AND THEN WERE ALLOWED TO LEAVE A RADIOACTIVE MESS TO THE STATE TO CLEAN UP THE CONTAMINATED SITE WHICH WOULD MEAN THE TAX PAYERS WOULD PAY FOR THE CLEAN UP AND THE RESIDENTS WOULD NOT HAVE ANY SAY SO IN THE MATTER. IT WOULD BE SHOVED DOWN OUR THROATS. AM I CORRECT OR WRONG.

MY FEELINGS ABOUT THIS CONTINUED SITUATION IN DIFFERENT VERSIONS BY CONOCO/PHILLIPS AND TCEQ L SHOULD BE PERMANENTLY TO BE RULED FOR THE PROPERTY TO BE LEFT THE WAY IT IS AND NEVER AGAIN TO BE A MATTER BROUGHT UP BY ANY COMPANY OR TYPE OF COMPANY OR ANY TPE OF AGENCY EVER TO BE BROUGHT UP AGAIN.I FEEL THERE IS NO DECENT OR PROPER BENEFIT TO CONTINUE HARRASSING THE LAND OWNERS OR RESIDENTS EVER AGAIN. AND BE A FINANCIAL BURDEN EVER AGAIN. THERE IS MORE.

I AM TOLD BY A FEMALE EMPLOYEE AT TCEQ THAT COMMON SENSE IS NOT A DECIDING FACTOR IN THE DECISION MAKING.

Re: ConocoPhillips Company/Industrial Hazardous Waste Permit #R01634

Thank you for your comments regarding ConocoPhillips Company/Industrial Hazardous Waste Permit #R01634. A copy of your letter will be forwarded to the Texas Commission on Environmental Quality (TCEQ) staff responsible for reviewing the permit application. All timely filed comments will be considered by the staff prior to the final decision on the application. In addition, if a decision is made to hold a public meeting, you will receive a notice in the mail.

The TCEQ appreciates your interest in environmental issues. If you have any further questions, please feel free to contact TCEQ staff at 1-800-687-4040.

Sincerely,

A handwritten signature in cursive script that reads "Bridget C. Bohac".

To whom it may concern:

I am requesting a public meeting concerning ConocoPhillips Company (CPC) requesting a major amendment to Radioactive Material License No. R01634 pertaining to CPC's Conquista Project, located 8 miles west of Falls City, Texas on F.M. 791.

I am requesting that this meeting be held in the Falls City locality.

Please notify me when and where this meeting will be held.

Thank you,

**COMMENTS:** Dear TCEQ Chief Clerk, I am submitting this public comment in response to the recent notice regarding ConocoPhillips' application for a major amendment to radioactive material license R01634. As a resident of Karnes County living near the proposed Conquista Project site west of Falls City, I have significant concerns regarding the safety, transparency, and long-term environmental impact of this project. Specifically, I request further information and clarification on the following: 1. The types and volumes of radioactive materials being moved and disposed of at the Conquista site. 2. Measures being taken to prevent contamination of local groundwater, air, and surrounding properties during transport and disposal. 3. The design and long-term containment plans for the supplemental disposal cell being constructed at the Conquista site. 4. Monitoring and emergency response plans should any leakage or environmental hazard arise in the future. 5. Opportunities for community engagement including a public meeting or hearing to ensure residents' concerns are heard and addressed. Given the proximity of this site to agricultural land, homes, and water sources, I strongly urge TCEQ to prioritize full transparency, conduct independent safety assessments, and require long-term environmental monitoring. Please include me on any permanent and/or county-specific mailing list related to this project and future developments tied to License R01634. Sincerely, Blake Elkins 15679 FM 1344 Falls City TX 78113 [Blake.Elkins94@yahoo.com](mailto:Blake.Elkins94@yahoo.com) (830)-623-6500

**COMMENTS:** I am writing to express my strong opposition to Conoco Phillips proposal to reopen the old plant of FM 791 to be used to dispose of radioactive material. As a concerned member of the community, I urge TCEQ to deny any permits allowing Conoco Phillips to transport radioactive material from Dewitt County to Karnes County rather than conducting on-site remediation at the original locations. My other concerns fall into the following key areas: (1) Public Health & Safety: This facility is located near residential areas and farmland. Environmental Risks: Without a full environmental impact assessment, the plant could cause irreversible harm to the land and especially to the residents in area who rely on wells for their water supply for themselves and their livestock. (2) Lack of Community Input and Transparency: Many residents weren't aware of this and have not had sufficient time or information to evaluate the potential impact. We deserve a comprehensive hearing clarifying emission level, traffic volumes and safety protocols. (3) Cumulative Burden & Environmental Justice: Our community has already experienced disproportionate exposure to oil and gas industry impacts. I respectfully request that TCEQ Deny the permit request from Conoco Phillips to reopen this plant. Require a full environmental impact review under current state and federal guidelines. Require independent third-party testing of air, soil, and groundwater before any further consideration. Thank you for your attention to this matter. Protecting public health, safety and our environment must take priority over industry convenience.

**COMMENTS:** My husband and I live on FM 791 west of Falls City. This road already has heavy truck traffic, mostly related to the oilfield. Reopening the Conquista Project will only add to this traffic making it still more unsafe for all who travel this area. Please reconsider this permit in the name of highway safety. Thank you.
