CHIEF CLERKS OFFICE
2025 MAY -1 AM 10:14
TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

Dear Ms. Gharis:

I am writing you to request a public meeting on "Firefly Partners, LLC" TCEQ application for the proposed Texas Pollutant Discharge Permit No. WQ 0016571001. Some constituents have expressed concern over the proposed 20,000 gallons per day to be disposed of via evaporation and its potential effects on wildlife and neighboring livestock operations.

Citizens of Gillespie County have expressed that a public meeting is needed so they can learn about the application, ask questions, and offer formal comments. As their Senator, I respectfully request that a public meeting be held in Gillespie County on the permit.

It is very important to me that members of the public from the surrounding areas have an opportunity to make public comments on this proposed permit. Please don't hesitate to contact me or my office if I may provide further clarification on this request. Thank you for your consideration.

Sincerely,

Pete P. Flores
