TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

NOTICE OF HEARING

Rattler Ridge, LLC

SOAH Docket No. 582-23-07913

TCEQ Docket No. 2022-1046-MWD

Permit No. WQ0016049001

APPLICATION.

Rattler Ridge, LLC, 1067 Farm-to-Market Road 306, Suite 106, New Braunfels, Texas 78130, has applied to the Texas Commission on Environmental Quality (TCEQ) for a new Texas Pollutant Discharge Elimination System (TPDES) Permit No. WQ0016049001, to authorize the discharge of treated domestic wastewater at a daily average flow not to exceed 400,000 gallons per day.

The facility will be located approximately 7,656 feet southeast of the intersection of Farm-to-Market Road 1978 and State Highway 123, in Guadalupe County, Texas 78666. The treated effluent will be discharged to an onsite pond, thence to an unnamed tributary, thence to Long Creek, thence to an unnamed impoundment, thence to Long Creek, thence to York Creek, thence to the Lower San Marcos River in Segment No. 1808 of the Guadalupe River Basin. The unclassified receiving water uses are limited aquatic life use for the onsite pond, the unnamed tributary, and for Long Creek; and high aquatic life use for the unnamed reservoir. The designated uses for Segment No. 1808 are primary contact recreation, public water supply, and high aquatic life use. In accordance with 30 Texas Administrative Code Section 307.5 and the TCEQ's Procedures to Implement the Texas Surface Water Quality Standards (June 2010), an antidegradation review of the receiving waters was performed. A Tier 1 antidegradation review has preliminarily determined that existing water quality uses will not be impaired by this permit action. Numerical and narrative criteria to protect existing uses will be maintained. A Tier 2 review has preliminarily determined that no significant degradation of water quality is expected in the unnamed reservoir, which has been identified as having high aquatic life use. Existing uses will be maintained and protected. The preliminary determination can be reexamined and may be modified if new information is received. This link to an electronic map of the site or facility's general location is provided as a public courtesy and is not part of the application or notice. For the exact location, refer to the application.

The TCEQ Executive Director has completed the technical review of the application and prepared a draft permit. The draft permit, if approved, would establish the conditions under which the facility must operate. The Executive Director has made a preliminary decision that this permit, if issued, meets all statutory and regulatory requirements. The permit application, Executive Director's preliminary decision, and draft permit are available for viewing and copying at Seguin Public Library, 313 West Nolte Street, Seguin, Texas.

CONTESTED CASE HEARING.

The purpose of a preliminary hearing is to establish jurisdiction, name the parties, establish a procedural schedule for the remainder of the proceeding, and to address other matters as determined by the judge. The evidentiary hearing phase of the proceeding, which will occur at a later date, will be similar to a civil trial in state district court. The hearing will address the disputed issues of fact identified in the TCEQ order concerning this application issued on October 10, 2022. In addition to these issues, the judge may consider additional issues if certain factors are met.

The hearing will be conducted in accordance with Chapter 2001, Texas Government Code; Chapter 26, Texas Water Code; and the procedural rules of the TCEQ and SOAH, including 30 TAC Chapter 80 and 1 TAC Chapter 155. The hearing will be held unless all timely hearing requests have been withdrawn or denied.

To request to be a party, you must attend the hearing and show you would be adversely affected by the application in a way not common to members of the general public. Any person may attend the hearing and request to be a party. Only persons named as parties may participate at the hearing.

In accordance with 1 Tex. Admin. Code § 155.401(a), Notice of Hearing, "Parties that are not represented by an attorney may obtain information regarding contested case hearings on the public website of the State Office of Administrative Hearings at [www.soah.texas.gov](http://www.soah.texas.gov), or in printed format upon request to SOAH."

INFORMATION.
