RE: *Application of Exxon Mobil Corporation to Amend TCEQ Air Quality Permit No. 102982*
TCEQ DOCKET NO. 2023-0649-AIR
Confidential Application Materials

Ms. Taack:

Pursuant to 30 TEX. ADMIN. CODE § 1.5(d)(1), Exxon Mobil Corporation (“ExxonMobil”) submits electronic copies of its confidential application materials to the Chief Clerk for inclusion in the administrative record in the above-referenced matter consistent with applicable requirements of the State Office of Administrative Hearings. Redacted copies of the two documents containing confidential information were provided to your office under separate cover today. ExxonMobil considers and treats the information in the confidential exhibits as proprietary. The Texas Public Information Act requires any request for portions of the exhibits that are marked confidential to be submitted in writing to the TCEQ Public Information Coordinator.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Lisa Uselton Dyar
