## NOTICE OF DISTRICT PETITION TCEQ Internal Control No. D-07202022-033

**PETITION.** Samuell Sparkman Brindley Trust (Petitioner) filed a petition for creation Johnson County Municipal Utility District No. 1 (District) with the Texas Commission on Environmental Quality (TCEQ). The petition was filed pursuant to Article XVI, § 59 of the Constitution of the State of Texas; Chapters 49 and 54 of the Texas Water Code; 30 Texas Administrative Code Chapter 293; and the procedural rules of the TCEQ.

The petition states that: (1) the Petitioner holds title to a majority in value of the land to be included in the proposed District; (2) there are no lienholders on the property to be included in the proposed District; (3) the proposed District will contain approximately 333.232 acres located within Johnson County, Texas; and (4) all of the land within the proposed District is wholly within the extraterritorial jurisdiction of the City of Mansfield, Texas (City), and no portion of the land within the proposed District is within the corporate limits or extraterritorial jurisdiction of any other city, town or village in Texas.

In accordance with Local Government Code Section 42.042 and Texas Water Code Section 54.016, the Petitioner submitted a petition to the City, requesting the City's consent to the creation of the District. After more than 90 days passed without receiving consent, the Petitioner submitted a petition to the City to provide water and sewer services to the District. The 120-day period for reaching a mutually agreeable contract as established by the Texas Water Code Section 54.016(c) expired and information provided indicates that the Petitioner and the City have not executed a mutually agreeable contract for service. Pursuant to Texas Water Code Section 54.016(d), failure to execute such an agreement constitutes authorization for the Petitioner to proceed to the TCEQ for inclusion of their Property into the District.

The territory to be included in the proposed District is depicted in the vicinity map designated as Exhibit "A" which is attached to this document.

The petition further states that the proposed District will: (1) construct, maintain, and operate a waterworks system, including the purchase and sale of water, for domestic and commercial purposes; (2) construct, maintain, and operate a sanitary sewer collection, treatment, and disposal system, for domestic and commercial purposes; (3) construct, install, maintain, purchase, and operate drainage and roadway facilities and improvements; and (4) construct, install, maintain, purchase, and operate facilities, systems, plants, and enterprises of such additional facilities as shall be consonant with the purposes for which the proposed District is created.

According to the petition, a preliminary investigation has been made to determine the cost of the project, and it is estimated by the Petitioner, from the information available at this time, that the cost of said project will be approximately \$67,335,000 (\$57,735,000 utilities plus \$9,600,000 roads).

**CONTESTED CASE HEARING.** The TCEQ may grant a contested case hearing on this petition if a written hearing request is filed within 30 days after the newspaper publication of this notice.

To request a contested case hearing, you must submit the following: (1) your name (or for a group or association, an official representative), mailing address, daytime phone number, and fax number, if any; (2) the name of the petitioner and the TCEQ Internal Control Number; (3) the statement "I/we request a contested case hearing"; (4) a brief description of how you would be affected by the petition in a way not common to the general public; and (5) the location of your property relative to the proposed District's boundaries. You may also submit your proposed adjustments to the petition which would satisfy your concerns. Requests for a contested case hearing must be submitted in writing to the Office of the Chief Clerk at the address provided in the information section below.

The Executive Director may approve the petition unless a written request for a contested case hearing is filed within 30 days after the newspaper publication of this notice. If a hearing request is filed, the Executive Director will not approve the petition and will forward the petition and hearing request to the TCEQ Commissioners for their consideration at a scheduled Commission meeting. If a contested case hearing is held, it will be a legal proceeding similar to a civil trial in state district court.

**INFORMATION.** Written hearing requests should be submitted to the Office of the Chief Clerk, MC 105, TCEQ, P.O. Box 13087, Austin, TX 78711-3087. ## In memoir, Prince Harry says William attacked him during row

LONDON (AP) — Prince Harry says his brother William physically attacked him during a furious argument — one of many starting allegations in a new memoir that includes revelations about the estranged royals' drug taking, first sexual encounter and role in killing people during his military service in Afghanistan.

In the ghostwritten memoir, titled "Spare," Harry said that his brother Prince William lashed out during a furious argument over the siblings' deteriorating relationship. The Associated Press purchased a Spanish-language copy of the book ahead of its publication in 16 languages around the world on Tuesday.

Harry recounts a 2019 argument at his Kensington Palace home, in which he says William called Harry's wife, the former actress Meghan Markle, "difficult," "rude" and "abrasive." Harry said William grabbed his brother by the collar and ripped his necktie before knocking him down.

"I landed on the dog's bowl, which cracked under my back, the pieces cutting into me," Harry says in the passage, first reported by The Guardian.

Harry says he had scrapes and bruises as a result of the tussle, for which William later apologized.

The allegation is one of a slew in a book that exposes painful, intimate — and in some cases contested — details about the lives of Harry and other members of the royal family. The memoir is the latest in a string of public revelations and accusations by Harry and Meghan that have shaken Britain's royal family.

It includes Harry's assertion that he killed 25 people while serving as an Apache helicopter co-pilot and gunner in 2012 as part of Britain's military campaign against the Taliban in Afghanistan. He said he felt neither pride nor shame about his actions, and in the heat of battle regarded enemy combatants as pieces being removed from a chessboard.

Harry spent a decade in the British Army — years he has described as his happiest because they allowed him a measure of normality — before taking up full-time royal duties in 2015.

The book recounts Harry's decades of disengagement with his privileged, scrutinized and constrained royal life. In it he alludes to the book's title, recounting the alleged words of his father, then Prince Charles, to his mother, Princess Diana, on the day of his birth: "Wonderful! Now you've given me an heir and a spare — my work is done."

While William was destined from birth to be king, Harry, who is fifth in line to the throne behind his brother and William's three children, has often appeared to struggle with the more ambiguous role of "spare."

In the book Harry describes his rebellious teenage years. He recounts how he lost his virginity — to an older woman in a field behind a pub — and describes how he took cocaine when he was 17.

Neither Buckingham Palace, which represents King Charles III, nor William's Kensington Palace offices has commented on the allegations.

Harry, 38, and the American actor married at Windsor Castle in May 2018. Less than two years later, the couple quit royal duties and moved to California, citing what they saw as the media's mistreatment of Meghan, who is biracial, and a lack of support from the palace.

Since then they have presented their side of the story in an interview with Oprah Winfrey and a six-part Netflix documentary released last month, which recounted the couple's bruising relationship with the U.K. media and estrangement from the royal family.

In the series, Harry said William screamed at him during a family meeting and accused palace officials of lying to protect his elder brother, who is now heir to the throne. Meghan, 41, talked about wanting to end her life as she struggled to cope with toxic press coverage.

Harry has recorded interviews with several broadcasters in Britain and the United States to promote the book.

## COUNTY

From 1999-2021

"Citizen involvement is a powerful weapon in combatting crime and can be used effectively to enhance the efforts of local law enforcement."

Patty Maggard of Johnson County Crime Stoppers said the organization last year fielded 70,000 anonymous tips, which led to 3,000 arrests and the seizure of about \$78 million worth of illegal drugs. Crime Stoppers also paid more than \$1 million in reward money statewide last year, Maggard said.

County wide, Crime Stoppers volunteers saw a 75 percent increase in the number of tips reported over the third quarter of last year and a 45 percent increase in arrests related to those tips.

"We're making a little bit of a difference and we're pleased to know that to be true," Maggard said.

This year's emphasis will be on getting word out about Crime Stoppers and focusing on Campus Crime Stoppers, a student rewards tips program paying for information on felony and misdemeanor offenses leading to arrest or disciplinary action.

Commissioners last year awarded \$20,000 in ARPA funds to Johnson County Crime Stoppers. The organization will use those funds to produce informational posters and videos to spread word of Crime Stoppers and Campus Crime Stoppers, Maggard said.

Johnson County Precinct 4 Constable Troy Fuller informed commissioners that the county recently received a \$124,415 grant from the Bullet Resistant Shield Grant Program of the Governor's Office.

The grant, which requires no match on the county's part, will fund the purchase of 25 ballistic shields for use by the sheriff's as well as the constable's offices, Fuller said.

# TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

## NOTICE OF DISTRICT PETITION TCEQ Internal Control No. D-07202022-033

**PETITION.** Samuel Sparkman Brindley Trust (Petitioner) filed a petition for creation Johnson County Municipal Utility District No. 1 (District) with the Texas Commission on Environmental Quality (TCEQ). The petition was filed pursuant to Article XVI, § 59 of the Constitution of the State of Texas; Chapters 49 and 54 of the Texas Water Code; 30 Texas Administrative Code Chapter 293; and the procedural rules of the TCEQ.

The petition states that: (1) the Petitioner holds title to a majority in value of the land to be included in the proposed District; (2) there are no lienholders on the property to be included in the proposed District; (3) the proposed District will contain approximately 333.232 acres located within Johnson County, Texas; and (4) all of the land within the proposed District is wholly within the extraterritorial jurisdiction of the City of Mansfield, Texas (City), and no portion of the land within the proposed District is within the corporate limits or extraterritorial jurisdiction of any other city, town or village in Texas.

In accordance with Local Government Code Section 42.042 and Texas Water Code Section 54.016, the Petitioner submitted a petition to the City, requesting the City's consent to the creation of the District. After more than 90 days passed without receiving consent, the Petitioner submitted a petition to the City to provide water and sewer services to the District. The 120-day period for reaching a mutually agreeable contract as established by the Texas Water Code Section 54.016(c) expired and information provided indicates that the Petitioner and the City have not executed a mutually agreeable contract for service. Pursuant to Texas Water Code Section 54.016(d), failure to execute such an agreement constitutes authorization for the Petitioner to proceed to the TCEQ for inclusion of their Property into the District.

The territory to be included in the proposed District is depicted in the vicinity map designated as Exhibit "A" which is attached to this document.

The petition further states that the proposed District will: (1) construct, maintain, and operate a waterworks system, including the purchase and sale of water, for domestic and commercial purposes; (2) construct, maintain, and operate a sanitary sewer collection, treatment, and disposal system, for domestic and commercial purposes; (3) construct, install, maintain, purchase, and operate drainage and roadway facilities and improvements; and (4) construct, install, maintain, purchase, and operate facilities, systems, plants, and enterprises of such additional facilities as shall be consonant with the purposes for which the proposed District is created.

According to the petition, a preliminary investigation has been made to determine the cost of the project, and it is estimated by the Petitioner, from the information available at this time, that the cost of said project will be approximately \$67,335,000 (\$57,735,000 utilities plus \$9,600,000 roads).

**CONTESTED CASE HEARING.** The TCEQ may grant a contested case hearing on this petition if a written hearing request is filed within 30 days after the newspaper publication of this notice.

To request a contested case hearing, you must submit the following: (1) your name (or for a group or association, an official representative), mailing address, daytime phone number, and fax number, if any; (2) the name of the petitioner and the TCEQ Internal Control Number; (3) the statement "I/we request a contested case hearing"; (4) a brief description of how you would be affected by the petition in a way not common to the general public; and (5) the location of your property relative to the proposed District's boundaries. You may also submit your proposed adjustments to the petition which would satisfy your concerns. Requests for a contested case hearing must be submitted in writing to the Office of the Chief Clerk at the address provided in the information section below.

The Executive Director may approve the petition unless a written request for a contested case hearing is filed within 30 days after the newspaper publication of this notice. If a hearing request is filed, the Executive Director will not approve the petition and will forward the petition and hearing request to the TCEQ Commissioners for their consideration at a scheduled Commission meeting. If a contested case hearing is held, it will be a legal proceeding similar to a civil trial in state district court.

**INFORMATION.** Written hearing requests should be submitted to the Office of the Chief Clerk, MC 105, TCEQ, P.O. Box 13087, Austin, TX 78711-3087. For information concerning the hearing process, please contact the Public Interest Counsel, MC 103, at the same address.
