TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

NOTICE OF DISTRICT PETITION TCEQ INTERNAL CONTROL NO. D-06162023-032

PETITION. Bailey Land Investments, LP, a Texas limited partnership and Armbruster Land Investments, LP, a Texas limited partnership, (Petitioners) filed a petition for creation of Persimmon Municipal Utility District (District) with the Texas Commission on Environmental Quality (TCEQ). The petition was filed pursuant to Article XVI, §59 of the Constitution of the State of Texas; Chapters 49 and 54 of the Texas Water Code; 30 Texas Administrative Code Chapter 293; and the procedural rules of the TCEQ.

The petition states that: (1) the Petitioners hold title to a majority in value of the land to be included in the proposed District; (2) there are two lienholders, International Bank of Commerce and Labenski Branch, LP, a Texas limited partnership, on the property to be included in the proposed District and information provided indicates that the lienholders consent to the creation of the proposed District; (3) the proposed District will contain approximately 459 acres located within Hays County, Texas; and (4) the land within the proposed District is within the extraterritorial jurisdiction of the City of Buda.

The territory to be included in the proposed District is depicted in the vicinity map designated as Exhibit "A", which is attached to this document.

In accordance with Local Government Code §42.042 and Texas Water Code §54.016, the Petitioners submitted a petition to the City of Buda, requesting the City's consent to the creation of the District. After more than 90 days passed without receiving consent, the Petitioners submitted a petition to the City to provide water and sewer services to the proposed District. The 120-day period for reaching a mutually agreeable contract as established by the Texas Water Code §54.016(c) expired and the information provided indicates that the Petitioners and the City have not executed a mutually agreeable contract for service. Pursuant to Texas Water Code §54.016(d), failure to execute such an agreement constitutes authorization for the Petitioners to initiate proceedings to include the land within the proposed District.

The petition further states that the proposed District will purchase, construct, acquire, repair, extend and improve land, easements, works, improvements, facilities, plants, equipment, and appliances necessary to: (1) provide a water supply for municipal uses and commercial purposes; (2) collect, transport, process, dispose of and control all domestic, industrial, or communal wastes whether in fluid, solid, or composite state; (3) gather, conduct, divert, and control local stormwater or other local harmful excesses of water in the proposed District and the payment of organization expenses, operational expenses during construction and interest during construction; (4) design, acquire, construct, finance, improve, operate, and maintain macadamized, graveled, or paved roads, or improvements in aid of those roads; and (5) provide such other facilities, systems, plants, and enterprises as shall be consonant with all of the purposes for which the proposed District is created.

According to the petition, a preliminary investigation has been made to determine the cost of the project, and it is estimated by the Petitioners that the cost of said project will be approximately \$110,840,000 (\$91,320,000 for water, wastewater, and drainage plus \$19,520,000 for roads).

CONTESTED CASE HEARING. The TCEQ may grant a contested case hearing on this petition if a written hearing request is filed within 30 days after the newspaper publication of this notice.

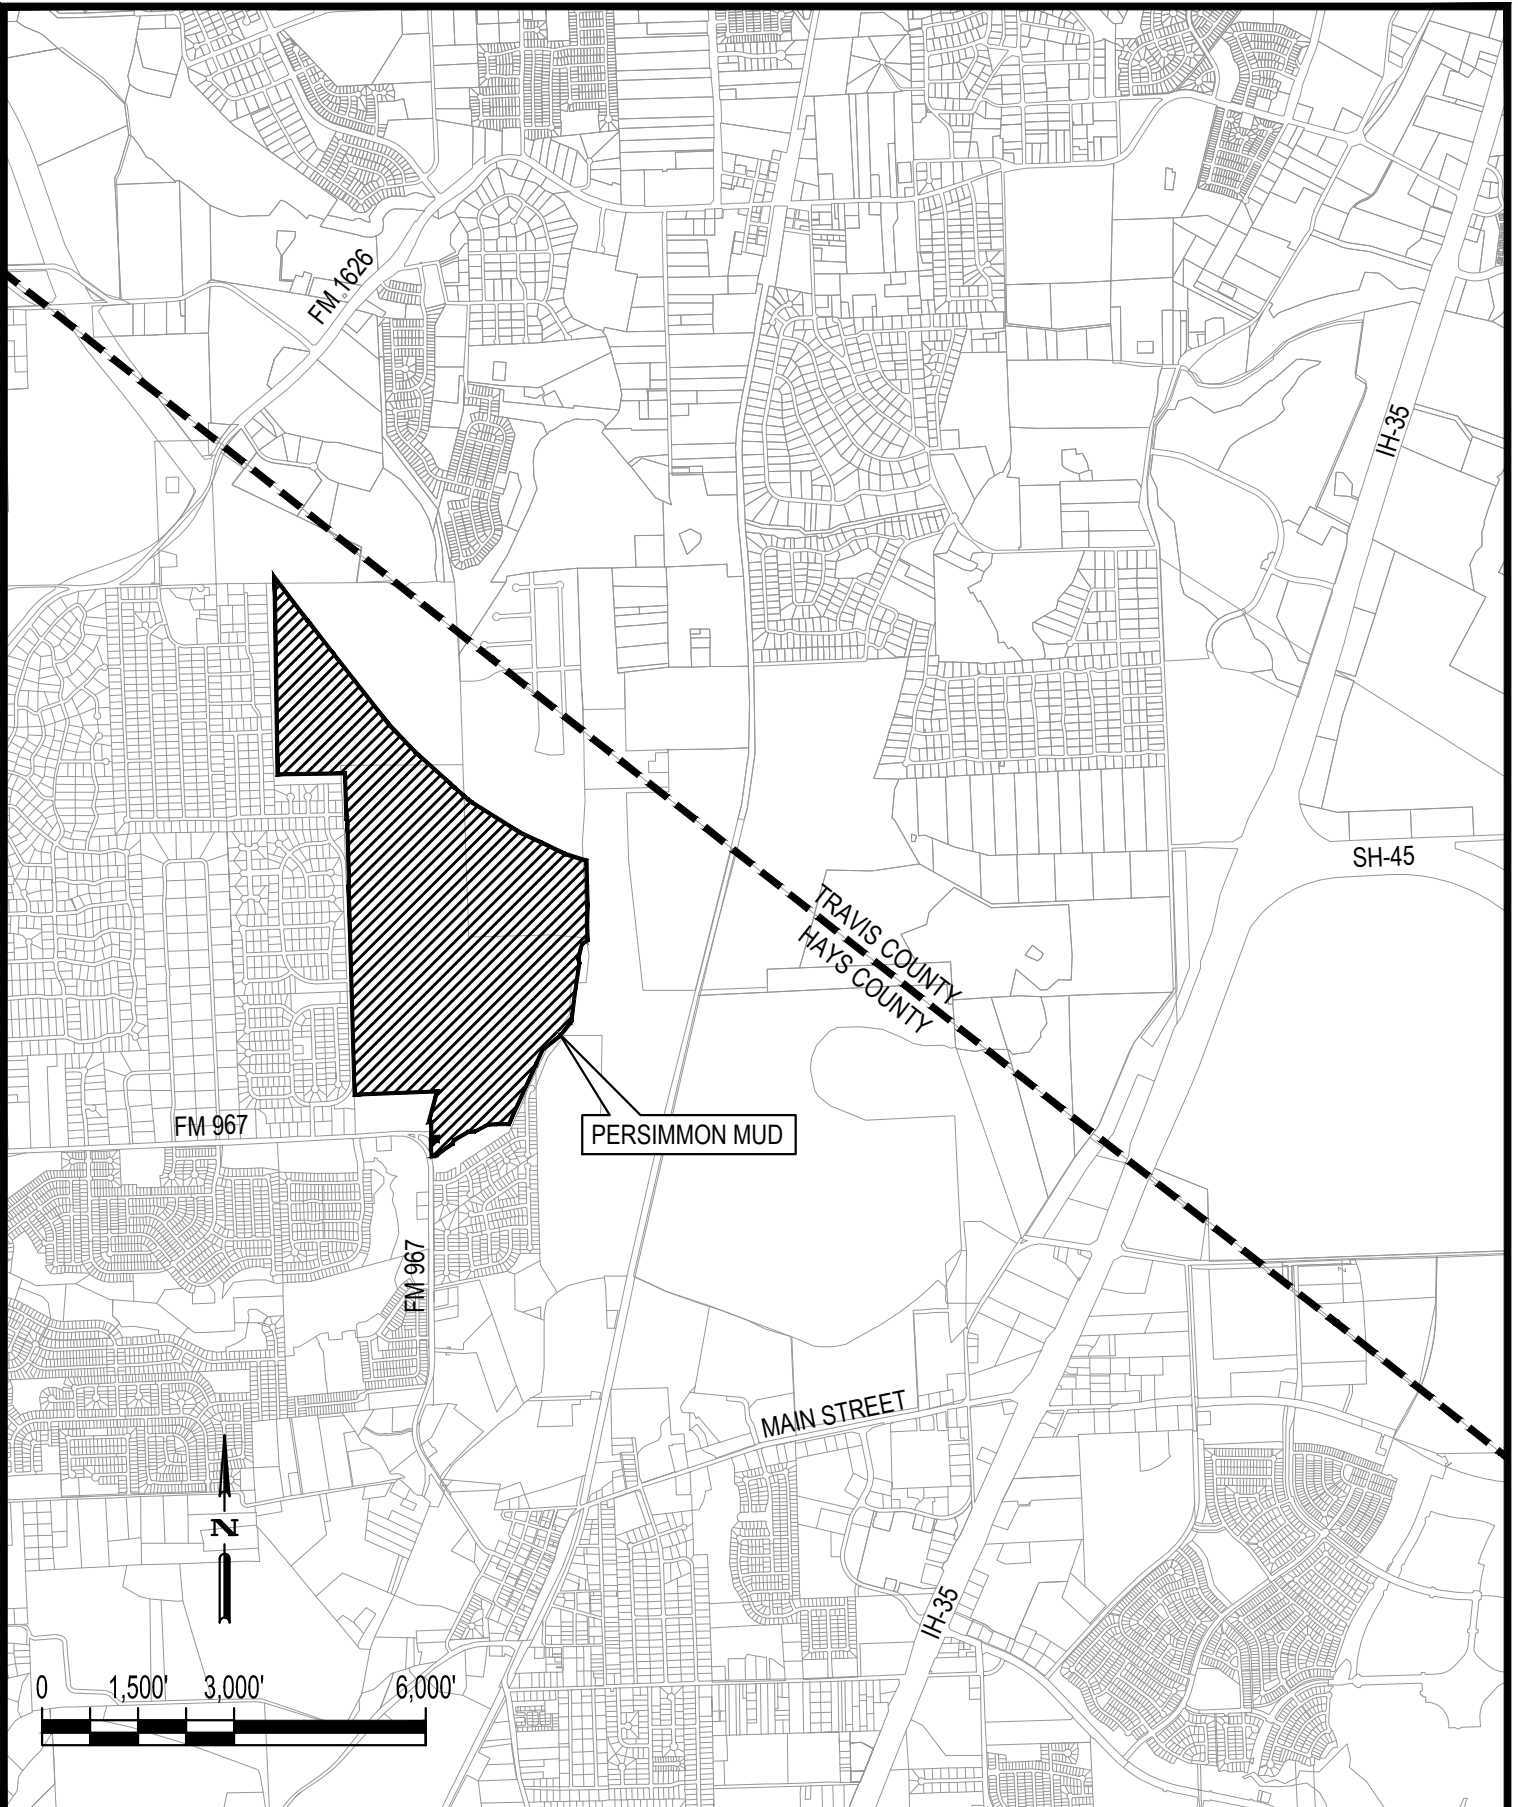

To request a contested case hearing, you must submit the following: (1) your name (or for a group or association, an official representative), mailing address, daytime phone number, and fax number, if any; (2) the name of the Petitioners and the TCEQ Internal Control Number; (3) the statement "I/we request a contested case hearing"; (4) a brief description of how you would be affected by the petition in a way not common to the general public; and (5) the location of your property relative to the proposed District's boundaries. You may also submit your proposed adjustments to the petition which would satisfy your concerns. Requests for a contested case hearing must be submitted in writing to the Office of the Chief Clerk at the address provided in the information section below.

The Executive Director may approve the petition unless a written request for a contested case hearing is filed within 30 days after the newspaper publication of this notice. If a hearing request is filed, the Executive Director will not approve the petition and will forward the petition and hearing request to the TCEQ Commissioners for their consideration at a scheduled Commission meeting. If a contested case hearing is held, it will be a legal proceeding similar to a civil trial in state district court.

INFORMATION. Written hearing requests should be submitted to the Office of the Chief Clerk, MC-105, TCEQ, P.O. Box 13087, Austin, TX 78711-3087. For information concerning the hearing process, please contact the Public Interest Counsel, MC-103, at the same address.
