RE: Notice of Hearing Package
Applicant Name: Stephen Richard Selinger
Facility Location: Ellis County, Texas
Permit Number: WQ0016103001
Type of Authorization: New

Dear Mr. Selinger and Mr. Gillespie,

As you know, the Chief Clerk's Office has referred this matter over to the State Office of Administrative Hearings (SOAH) for a contested case hearing on your application.

SOAH will conduct a preliminary hearing via Zoom video conference at:

10:00 a.m. – March 5, 2024

You are now required to publish notice for this hearing. To help you meet the requirements associated with this notice, we have enclosed the following items:

- Notice for Newspaper Publication
- Instructions for Notice of Hearing
- Affidavit of Publication

Please note that it is VERY IMPORTANT that you follow ALL directions in the ENCLOSED INSTRUCTIONS. If you do not, you may be required to republish the notice. One of the most common mistakes we see is the unauthorized changing of notice wording or font. If you have any questions, please contact us before you proceed with publication.

The following items and time limitations are also described in the enclosed instructions. However, due to their importance, we want to highlight them for you.

1. Publish the enclosed notice within at least **30 calendar days** prior to the date of the hearing.
2. Return **acceptable proof of publication** of the complete notice, which shows publication date and newspaper name, to the TCEQ Office of the Chief Clerk within **10 business days** after notice is published in the newspaper.
3. File the original enclosed *Affidavit of Publication* with the TCEQ Office of the Chief Clerk within **30 calendar days** after the notice is published in the newspaper.

If you do not comply with all requirements described in the instructions, further processing of your application may be suspended or the commission may take other actions.

As required by 30 TAC § 80.118(c), the TCEQ Office of the Chief Clerk (OCC) will provide the administrative record to SOAH, and will retain one copy for its files. In addition, one copy of the administrative record will be provided to you by the OCC on CD. Neither SOAH nor TCEQ is responsible for providing additional copies to the parties. However, the OCC can provide copies upon request.

The administrative record is not in evidence until properly offered by motion of a party, and subsequently admitted by the Administrative Law Judge, pursuant to 30 TAC § 80.127(h). The party seeking admission of the administrative record must supply copies to the other parties in the proceeding at the time it is offered, or by agreement of the parties.

If you have any questions regarding publication requirements, or obtaining copies of the administrative record, please contact the SOAH Docket Clerk in the OCC at 512-239-3300. If you have any other questions, please contact Allie Soileau at 512-239-6033 or Aubrey Pawelka at 512-239-0622.

Sincerely,

A handwritten signature in black ink that reads "Laurie Gharis". The signature is written in a cursive, flowing style.

Laurie Gharis
Chief Clerk

Enclosures

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

NOTICE OF HEARING
Stephen Richard Selinger
SOAH Docket No. 582-24-08875
TCEQ Docket No. 2023-1667-MWD
TPDES Permit No. WQ0016103001

APPLICATION.

Stephen Richard Selinger, 620 Truelove Trail, Southlake, Texas 76092, has applied to the Texas Commission on Environmental Quality (TCEQ) for new Texas Pollutant Discharge Elimination System (TPDES) Permit No. WQ0016103001, to authorize the discharge of treated domestic wastewater at a daily average flow not to exceed 500,000 gallons per day.

The facility will be located at 1008 Shankle Road, Palmer, in Ellis County, Texas 75152. The treated effluent will be discharged to an unnamed tributary, thence to Fourmile Creek thence to Village Creek, thence to Upper Trinity River in Segment No. 0805 of the Trinity River Basin. The unclassified receiving water uses are minimal aquatic life use for the unnamed tributary and limited aquatic life use for Fourmile Creek. The designated uses for Segment No. 0805 are primary contact recreation and high aquatic life use.

In accordance with 30 Texas Administrative Code Section 307.5 and the TCEQ's Procedures to Implement the Texas Surface Water Quality Standards (June 2010), an antidegradation review of the receiving waters was performed. A Tier 1 antidegradation review has preliminarily determined that existing water quality uses will not be impaired by this permit action. Numerical and narrative criteria to protect existing uses will be maintained. This review has preliminarily determined that no water bodies with exceptional, high, or intermediate aquatic life uses are present within the stream reach assessed; therefore, no Tier 2 degradation determination is required. No significant degradation of water quality is expected in water bodies with exceptional, high, or intermediate aquatic life uses downstream, and existing uses will be maintained and protected. The preliminary determination can be reexamined and may be modified if new information is received. This link to an electronic map of the site or facility's general location is provided as a public courtesy and is not part of the application or notice. For the exact location, refer to the application.

<https://tceq.maps.arcgis.com/apps/webappviewer/index.html?id=db5bac44afbc468bbddd36of816825of&marker=-96.606006%2C32.41229&level=12>

The TCEQ Executive Director has completed the technical review of the application and prepared a draft permit. The draft permit, if approved, would establish the conditions under which the facility must operate. The Executive Director has made a preliminary

decision that this permit, if issued, meets all statutory and regulatory requirements. The permit application, Executive Director's preliminary decision, and draft permit are available for viewing and copying at Ennis Public Library, Front Desk, 501 West Ennis Avenue, Ennis, Texas.

DIRECT REFERRAL.

The Notice of Application and Preliminary Decision was published in English on August 17, 2022. On December 1, 2023, the Applicant filed a request for direct referral to the State Office of Administrative Hearings (SOAH). Therefore, the chief clerk has referred this application directly to SOAH for a hearing on whether the application complies with all applicable statutory and regulatory requirements.

CONTESTED CASE HEARING.

The State Office of Administrative Hearings (SOAH) will conduct a preliminary hearing via Zoom videoconference. A Zoom meeting is a secure, free meeting held over the internet that allows video, audio, or audio/video conferencing.

10:00 a.m. – March 5, 2024

To join the Zoom meeting via computer:

<https://soah-texas.zoomgov.com/>

Meeting ID: 160 090 2843

Password: CEQ875

or

To join the Zoom meeting via telephone:

(669) 254-5252 or (646) 828-7666

Meeting ID: 160 090 2843

Password: 262829

**Visit the SOAH website for registration at: <http://www.soah.texas.gov/>
or call SOAH at 512-475-4993.**

The purpose of a preliminary hearing is to establish jurisdiction, name the parties, establish a procedural schedule for the remainder of the proceeding, and to address other matters as determined by the judge. The evidentiary hearing phase of the proceeding, which will occur at a later date, will be similar to a civil trial in state district court. The hearing will be conducted in accordance with Chapter 2001, Texas Government Code; Chapter 26, Texas Water Code; TCEQ rules including 30 Texas Administrative Code (TAC) Chapter 305; and the procedural rules of the TCEQ and SOAH, including 30 TAC Chapter 80 and 1 TAC Chapter 155. The hearing will be held unless all hearing requests have been withdrawn or denied.

To request to be a party, you must attend the hearing and show you would be adversely affected by the application in a way not common to members of the general public. Any person may attend the hearing and request to be a party. Only persons named as parties may participate at the hearing.

In accordance with 1 Tex. Admin. Code § 155.401(a), Notice of Hearing, “Parties that are not represented by an attorney may obtain information regarding contested case hearings on the public website of the State Office of Administrative Hearings at www.soah.texas.gov, or in printed format upon request to SOAH.”

INFORMATION.

If you need more information about the hearing process for this application, please call the Public Education Program, toll free, at (800) 687-4040. General information about the TCEQ can be found at our web site at www.tceq.texas.gov.

Further information may also be obtained from Stephen Richard Selinger at the address stated above or by calling Mr. Stephen Selinger at (817) 421-0731.

Persons with disabilities who need special accommodations at the hearing should call the SOAH Docketing Department at (512) 475-4993, at least one week prior to the hearing.

Issued: January 19, 2024

A handwritten signature in black ink that reads "Laurie Gharis". The signature is written in a cursive, flowing style.

Laurie Gharis, Chief Clerk
Texas Commission on Environmental Quality

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

INSTRUCTIONS FOR PUBLIC NOTICE For Water Quality Permit

NOTICE OF HEARING

A hearing was requested on issues related to your application and the Commission granted this request. The matter has been referred to the State Office of Administrative Hearings. Now you must comply with the following instructions:

Please Review Notice

We have included in the hearing notice all of the information which we believe is necessary. Please read it carefully and notify us immediately if it contains any errors or omissions. You are responsible for ensuring the accuracy of all information published. You may not change the text of the notice without prior approval from the TCEQ.

Newspaper Notice

- You must publish the enclosed Notice of Hearing no less than **30** days before the hearing.
- You must publish the enclosed Notice of Hearing at least once and at your expense, in a newspaper that is regularly published or circulated in each county where, by virtue of the county's geographical relation to the subject matter of the hearing, a person may reasonably believe persons reside who may be affected by the action that may be taken as a result of the hearing. A list of the appropriate counties provided by the executive director is described in the cover letter.

Proof of Publication

- For each published notice, you must submit proof of publication that shows the notice, the date of publication, and the name of the newspaper to the Office of the Chief Clerk within **10 business days** after the date of publication. Acceptable proof of publication is 1) a copy of the published notice or 2) the original newspaper clipping of the published notice. If you choose to submit a copy of the published notice to the Office of the Chief Clerk, the copy must be on standard-size 8½" x 11" paper and must show

the actual size of the published notice (do not reduce the image when making copies). Published notices longer than 11" must be copied onto multiple 8½" x 11" pages. Please note, submitting a copy of your published notice could result in faster processing of your application. It is recommended that you maintain the original newspaper clipping or tear sheet of the notice for your records.

- You must submit a **publisher's affidavit** to the Office of the Chief Clerk within **30 calendar days** after the date of publication. **You must use the enclosed affidavit form.** The affidavit must clearly identify the applicant's name and permit number.
- You are encouraged to submit the affidavit with the proof of publication described above; however, the affidavit must be submitted no later than **30 calendar days** after publication of notice.
- The **publisher's affidavit** and **proof of publication of each published notice** may be filed with the Chief Clerk electronically at www.tceq.texas.gov/goto/efilings or mailed to:

TCEQ
Office of the Chief Clerk, MC 105
Attn: SOAH Docket Clerk
P.O. Box 13087
Austin, Texas 78711-3087

- Please ensure that the affidavit you send to the Chief Clerk is original and that all blanks on the affidavit are filled in correctly.

Failure to Publish and Submit Proof of Publication

You must meet all publication requirements. **If you fail to publish the notice or submit proof of publication on time**, the TCEQ may suspend further processing of your application or take other actions.

General Information

When contacting the Commission regarding this application, please refer to the permit number and TCEQ Docket number at the top of the Notice of Hearing.

If you have questions or need assistance regarding this notice, please contact the staff attorney listed in the cover letter or the SOAH Docket Clerk in the Office of the Chief Clerk at (512) 239-3300.

ECSCO announces new drone team

Staff report

Sheriff Brad Norman has announced that the Ellis County Sheriff's Office Unmanned Aerial System team is now in operation.

The UAS, or drone, response team consists of seven members of the ECSCO Patrol and Criminal Investigation divisions respectively. All team members are certified with the FAA as UAS - Part 107 Remote Pilots.

"They have all clearly demonstrated that they understand the regulations, operating

requirements, and the procedures for safely flying drones," according to a ECSCO media release. "The team went through rigorous training, completed day and night flight operations, flew indoors as well as outdoors, and learned about thermal imaging as some of the training [members] went through."

The sheriff's office's UAS, or drones, are equipped with spotlights, speakers, trackers, flare infrared zoom, range finder tracking system, a public address system, and forward-looking

infrared cameras, which provide heat mapping capabilities to cover a large area within a few minutes.

"This UAS Response Team will aid in search and rescue efforts, crime scenes, surveillance, and reconnaissance missions and help de-escalate potentially dangerous situations by communicating with people on the location," according to the release. "In addition, using the UAS before entering an area, we can tell just how dangerous or hazardous a scene could be."

Ellis County sheriff's deputies pose with two unmanned aerial vehicles that the Sheriff's Office will use in law enforcement operations. Seven deputies have been trained and certified as remote pilots. Ellis County Sheriff's Office

AREA BRIEFS

Indian Trails Master Naturalists to host events

Staff report

Indian Trails Master Naturalists is sponsoring monthly events at Mockingbird Nature Park at 1361 Onward

Road in Midlothian

From 8-10 p.m. April 28 come and learn about and see the many varieties of moths. Come for our monthly guided wildflower walks on Saturdays at 9 a.m. on April 22 and June 27. There is a guided night hike from 7:30-10 p.m. May 19. For more information visit the Indian Trail website at txnn.org/indiantrail.

Indian Trail Master

Naturalists is sponsoring the Prairie Wildlife and Wildflower adventure from 2-4 p.m. April 30 at Ellis County Rural Heritage Farm in Waxahachie. Bring your family and children and enjoy tours, interactive exhibits and demonstrations about the wildlife, flowers, plants and trees native to the Blackland Prairie.

For more information visit ruralheritagefarm.org.

Indian Trail Chapter of Texas Master Naturalists is an organization sponsored by Texas Parks and Wildlife Department and Texas A&M AgriLife Extension Services. Its mission, among other things, is to bring educational and other activities to the public regarding ecology, wildlife, and plants in Ellis and Navarro Counties.

Waxahachie CARE

Waxahachie CARE Services is having two fundraisers in April.

On April 1 the organization will host its second annual Craft Show and Marketplace at the Wilemon football field. The event runs from 9 a.m. to 3 p.m. Vendor space is available. Entry fee is \$1 or one non-perishable food per person.

On April 15 Waxahachie CARE will host a murder mystery comedy dinner at 5:30 p.m. at University Church. SAGU theater students will be providing the entertainment. There will be a silent auction.

For tickets to the show go to waxahachie-care.org/post/join-care-for-a-murder-mystery-dinner-fundraiser.

Hawk Parent University

Red Oak ISD, in partnership with REACH Council, is providing an informational program called The Dangers of Vaping, Marijuana, Edibles and Fentanyl.

Parents and students are invited to attend this special Hawk Parent University event at 6 p.m. April 3 in the ROISD Board Room, 109 W. Red Oak Road. The event is free, and no RSVP is required.

WISD pre-K, kindergarten roundup

Waxahachie ISD will host its pre-K and kindergarten roundup from 5:30-7 p.m. May 2. The pre-K registration will take place at Turner. Kindergarten registration will take place at the student's zoned elementary school.

Marvin and Wilemon lottery students will be notified before May 2 if they have been selected for attendance. Students should attend the kindergarten roundup at that campus.

Dual language applicants should attend the kindergarten roundup at their zoned campus. For pre-K students bring ID, proof of

residency, income verification, birth certificate, social security card and immunization record.

To find out where your student is zoned go to wisd.org or call 972-923-4631.

God's House Community Easter Egg Hunt

God's House in Lone Elm will host an Easter egg hunt from 11 a.m. to 2 p.m. April 8 at the church, 150 Lone Elm Road. Guests are asked to arrive by 10:30 a.m.

The Easter egg hunt is for children ages 4 to 12, and they will be divided into three age groups: 4-6, 7-9 and 10-12. Lunch will be provided after hunt.

WISD to host town hall meeting

Waxahachie ISD will host a town hall meeting from 6-7 p.m. Tuesday at the Coleman Junior High Fine Arts Center. Superintendent Jerry Hollingsworth will provide an update on the state of the district and the district's bond election. The district will also stream the meeting for those not able to attend in person. Attendees, both in person and virtual, will be able to submit questions.

Cops and Kids Picnic

The Waxahachie Police Department's Cops & Kids Picnic will take place from 11 a.m. to 2 p.m. April 15 at Getzendaner Park.

Milford candidate meet and greet

There will be a candidate meet and greet for the Milford City Council candidates and the Milford ISD Board of Trustees candidates from 10 a.m. to noon April 15 at Milford City Park.

Kiwanis Club of Waxahachie serves community

The Kiwanis Club of Waxahachie empowers its members to pursue creative ways to serve the needs of children, such as fighting hunger, improving literacy and offering guidance. The club meets on the first Monday of each month at noon and the third Tuesday of the month at 6 p.m. For meeting locations and more information email waxahachiekiwanis@gmail.com or find the Kiwanis Club of Waxahachie on Facebook.

WPD to host blood drive The Waxahachie

Police Department is hosting a blood drive in partnership with the Red Cross from 9 a.m. to 3 p.m. Friday in the training room at the Waxahachie Police Department.

Come give blood and receive a \$10 Visa Prepaid Card by email. Plus, get a chance to win a \$3,000 Visa Prepaid Card when you donate. Terms apply: rcblood.org/help. To make your appointment, visit <http://bit.ly/319wjsL>.

Basic life support class

As part of WISD's Lighthouse for Learning series the district will host a basic life support course from 5:30-7 p.m. April 14 at Texas Cryoworks and Fitness Center.

Get CPR certified for your job or for your own personal peace of mind. Students will receive official CPR certification through this two-hour course.

For tickets go to <https://tinyurl.com/the-hjx2u>. Cost is \$75.

Crossroads of Texas Film & Music Festival

The city of Waxahachie will celebrate the best in Texas music and films with the annual Crossroads of Texas Film & Music Festival on April 20-22.

The event will kick off with a VIP opening reception at 6 p.m. April 20 and a concert by Micky and the Motorcars at 8 p.m., both at the Texas Theater Downtown, 110 W. Main St.

On April 21 at the Chautauqua Auditorium, 400 S. Grand Ave., there will be a screening of "Dazed and Confused" at 11 a.m. followed by a screening of "Oklahoma Breakdown" at 2 p.m., followed by a filmmaker Q&A. There will be a VIP dinner in the hospitality tent at 6 p.m. (VIP passes are required), and at 8 p.m. Cody Canada and the Departed will have a concert.

On April 22, also at the Chautauqua Auditorium, there will be a screening of "Cowboys" Documentary Portrait with a filmmaker Q&A. At 2 p.m. there will be a screening of "This World Won't Break" with a Q&A with the filmmaker and cast following. A VIP dinner in the hospitality tent (VIP passes required) at 6 p.m., and the event will conclude with a Gary P. Nunn concert at 8 p.m.

Texas Commission on Environmental Quality

NOTICE OF PUBLIC MEETING FOR TPDES PERMIT FOR MUNICIPAL WASTEWATER

NEW

PERMIT NO. WQ0016103001

APPLICATION. Stephen Richard Selinger, 620 Truelove Trail, Southlake, Texas 76092, has applied to the Texas Commission on Environmental Quality (TCEQ) for new Texas Pollutant Discharge Elimination System (TPDES) Permit No. WQ0016103001, to authorize the discharge of treated domestic wastewater at a daily average flow not to exceed 500,000 gallons per day. TCEQ received this application on January 31, 2022.

The facility will be located at 1008 Shankle Road, Palmer, in Ellis County, Texas 75152. The treated effluent will be discharged to an unnamed tributary, thence to Fourmile Creek, thence to Village Creek, thence to Upper Trinity River in Segment No. 0805 of the Trinity River Basin. The unclassified receiving water uses are minimal aquatic life use for the unnamed tributary, and limited aquatic life use for Fourmile Creek. The designated uses for Segment No. 0805 are primary contact recreation and high aquatic life use. In accordance with 30 Texas Administrative Code Section 307.5, and the TCEQ's Procedures to Implement the Texas Surface Water Quality Standards (June 2010), an antidegradation review of the receiving waters was performed. A Tier 1 antidegradation review has preliminarily determined that existing water quality uses will not be impaired by this permit action. Numerical and narrative criteria to protect existing uses will be maintained. This review has preliminarily determined that no water bodies with exceptional, high, or intermediate aquatic life uses are present within the stream reach assessed; therefore, no Tier 2 degradation determination is required. No significant degradation of water quality is expected in water bodies with exceptional, high, or intermediate aquatic life uses downstream, and existing uses will be maintained and protected. The preliminary determination can be reexamined and may be modified if new information is received. This link to an electronic map of the site or facility's general location is provided as a public courtesy and is not part of the application or notice. For the exact location, refer to the application.

<https://tceq.maps.arcgis.com/apps/webappviewer/index.html?id=d8eb8c44a4bfc6a5b8dd165018163200&map=26.6292263&zoom=12.4142381&view=12>

The TCEQ Executive Director has completed the technical review of the application and prepared a draft permit. The draft permit, if approved, would establish the conditions under which the facility must operate. The Executive Director has made a preliminary decision that this permit, if issued, meets all statutory and regulatory requirements.

PUBLIC COMMENT / PUBLIC MEETING. A public meeting will be held and will consist of two parts, an Informal Discussion Period and a Formal Comment Period. A public meeting is not a contested case hearing under the Administrative Procedure Act. During the Informal Discussion Period, the public will be encouraged to ask questions of the applicant and TCEQ staff concerning the permit application. The comments and questions submitted orally during the Informal Discussion Period will not be considered before a decision is reached on the permit application and no formal response will be made. Responses will be provided orally during the Informal Discussion Period. During the Formal Comment Period on the permit application, members of the public may state their formal comments orally into the official record. A written response to all timely, relevant and material, or significant comments will be prepared by the Executive Director. All formal comments will be considered before a decision is reached on the permit application. A copy of the written response will be sent to each person who submits a formal comment or who requested to be on the mailing list for this permit application and provides a mailing address. Only relevant and material issues raised during the Formal Comment Period can be considered if a contested case hearing is granted on this permit application.

The Public Meeting is to be held:

Thursday, April 27, 2023 at 7:00 PM
Palmer ISD Administration
303 Bulldog Way
Palmer, Texas 75152

INFORMATION. Members of the public are encouraged to submit written comments anytime during the meeting or by mail before the close of the public comment period to the Office of the Chief Clerk, TCEQ, Mail Code MC-105, P.O. Box 13087, Austin, TX 78711-3087 or electronically at 13022@tceq.texas.gov/comment. If you need more information about the permit application or the permitting process, please call the TCEQ Public Education Program, Toll Free, at 1-800-687-4040. Si desea información en Español, puede llamar 1-800-687-4040. General information about the TCEQ can be found at our web site at <http://www.tceq.texas.gov>.

The permit application, Executive Director's preliminary decision, and draft permit are available for viewing and copying at Ennis Public Library, Front Desk, 501 West Ennis Avenue, Ennis, Texas. Further information may also be obtained from Stephen Richard Selinger at the address stated above or by calling Mr. Stephen Selinger at 817-421-0731.

Persons with disabilities who need special accommodations at the meeting should call the Office of the Chief Clerk at (512) 239-3300 or 1-800-RELAY-TX (TDD) at least five business days prior to the meeting.

Issuance Date: March 15, 2023

NOTICE OF PUBLIC HEARING OF THE COMMISSIONERS COURT OF ELLIS COUNTY FISCAL YEAR 23 PARTICIPATION PROGRAM PAYMENTS April 4th, 2023

Notice is hereby given that the above named Commissioners Court will hold a public hearing at 2:00 p.m. on April 4th, 2023, with the hearing to be held in the Commissioners' Courtroom (2nd floor) of the Historic Ellis County Courthouse, located at 101 W. Main Street, Waxahachie, Texas, to hear public comments and consider action concerning the amount of the mandatory provider participation payments that the Ellis County Commissioners Court intends to require of all local hospitals in fiscal year (FY) 23 and how the revenue derived from those payments

PUBLIC NOTICE

is to be spent.

The Commissioners Court will hold the public hearing pursuant to Chapter 286A of the Texas Health & Safety Code which authorized the creation of the Ellis County local provider participation program. Representatives of local nonpublic hospitals and the public wishing to be heard on these matters may appear before the Commissioners Court at the public meeting.

ECSO announces new drone team

Staff report

Sheriff Brad Norman has announced that the Ellis County Sheriff's Office Unmanned Aerial System team is now in operation.

The UAS, or drone, response team consists of seven members of the ECSO Patrol and Criminal Investigation divisions respectively. All team members are certified with the FAA as UAS - Part 107 Remote Pilots.

"They have all clearly demonstrated that they understand the regulations, operating

requirements, and the procedures for safely flying drones," according to a ECSO media release. "The team went through rigorous training, completed day and night flight operations, flew indoors as well as outdoors, and learned about thermal imaging as some of the training [members] went through."

The sheriff office's UAS, or drones, are equipped with spotlights, speakers, trackers, flare infrared zoom, range finder tracking system, a public address system, and forward-looking

infrared cameras, which provide heat mapping capabilities to cover a large area within a few minutes.

"This UAS Response Team will aid in search and rescue efforts, crime scenes, surveillance, and reconnaissance missions and help de-escalate potentially dangerous situations by communicating with people on the location," according to the release. "In addition, using the UAS before entering an area, we can tell just how dangerous or hazardous a scene could be."

Ellis County sheriff's deputies pose with two unmanned aerial vehicles that the Sheriff's Office will use in law enforcement operations. Seven deputies have been trained and certified as remote pilots. Ellis County Sheriff's Office

AREA BRIEFS

Indian Trails Master Naturalists to host events

Staff report

Indian Trails Master Naturalists is sponsoring monthly events at Mockingbird Nature Park at 1361 Onward

Road in Midlothian.

From 8-10 p.m. April 28 come and learn about and see the many varieties of moths. Come for our monthly guided wildflower walks on Saturdays at 9 a.m. on April 22 and June 27. There is a guided night hike from 7:30-10 p.m. May 19. For more information visit the Indian Trail website at txnmn.org/indiantrail.

Indian Trail Master

Naturalists is sponsoring the Prairie Wildlife and Wildflower adventure from 2-4 p.m. April 30 at Ellis County Rural Heritage Farm in Waxahachie. Bring your family and children and enjoy tours, interactive exhibits and demonstrations about the wildlife, flowers, plants and tress native to the Blackland Prairie.

For more information visit ruralheritagefarm.org.

Indian Trail Chapter of Texas Master Naturalists is an organization sponsored by Texas Parks and Wildlife Department and Texas A&M AgriLife Extension Services. Its mission, among other things, is to bring educational and other activities to the public regarding ecology, wildlife, and plants in Ellis and Navarro Counties.

Waxahachie CARE fundraisers

Waxahachie CARE Services is having two fundraisers in April.

On April 1 the organization will host its second annual Craft Show and Marketplace at the Wilemon football field. The event runs from 9 a.m. to 3 p.m. Vendor space is available. Entry fee is \$1 or one non-perishable food per person.

On April 15 Waxahachie CARE will host a murder mystery comedy dinner at 5:30 p.m. at University Church. SAGU theater students will be providing the entertainment. There will be a silent auction.

For tickets to the show go to waxahachie-care.org/post/join-care-for-a-murder-mystery-dinner-fundraiser.

Hawk Parent University

Red Oak ISD, in partnership with REACH Council, is providing an informational program called The Dangers of Vaping, Marijuana, Edibles and Fentanyl. Parents and students are invited to attend this special Hawk Parent University event at 6 p.m. April 3 in the ROISD Board Room, 109 W. Red Oak Road. The event is free, and no RSVP is required.

WISD pre-K, kindergarten roundup

Waxahachie ISD will host its pre-K and kindergarten roundup from 5:30-7 p.m. May 2. The pre-K registration will take place at Turner. Kindergarten registration will take place at the student's zoned elementary school.

Marvin and Wilemon lottery students will be notified before May 2 if they have been selected for attendance. Students should attend the kindergarten roundup at that campus.

Dual language applicants should attend the kindergarten roundup at their zoned campus.

For pre-K students bring ID, proof of

residency, income verification, birth certificate, social security card and immunization record.

To find out where your student is zoned go to wisd.org or call 972-923-4631.

God's House Community Easter Egg Hunt

God's House in Lone Elm will host an Easter egg hunt from 11 a.m. to 2 p.m. April 8 at the church, 150 Lone Elm Road. Guests are asked to arrive by 10:30 a.m.

The Easter egg hunt is for children ages 4 to 12, and they will be divided into three age groups: 4-6, 7-9 and 10-12.

Lunch will be provided after hunt.

WISD to host town hall meeting

Waxahachie ISD will host a town hall meeting from 6-7 p.m. Tuesday at the Coleman Junior High Fine Arts Center.

Superintendent Jerry Hollingsworth will provide an update on the state of the district and the district's bond election. The district will also stream the meeting for those not able to attend in person. Attendees, both in person and virtual, will be able to submit questions.

Cops and Kids Picnic

The Waxahachie Police Department's Cops & Kids Picnic will take place from 11 a.m. to 2 p.m. April 15 at Getzenderan Park.

Milford candidate meet and greet

There will be a candidate meet and greet for the Milford City Council candidates and the Milford ISD Board of Trustees candidates from 10 a.m. to noon April 15 at Milford City Park.

Kiwanis Club of Waxahachie serves community

The Kiwanis Club of Waxahachie empowers its members to pursue creative ways to serve the needs of children, such as fighting hunger, improving literacy and offering guidance.

The club meets on the first Monday of each month at noon and the third Tuesday of the month at 6 p.m. For meeting locations and more information email waxahachiekiwanis@gmail.com or find the Kiwanis Club of Waxahachie on Facebook.

WPD to host blood drive

The Waxahachie

Police Department is hosting a blood drive in partnership with the Red Cross from 9 a.m. to 3 p.m. Friday in the training room at the Waxahachie Police Department.

Come give blood and receive a \$10 Visa Prepaid Card by email. Plus, get a chance to win a \$3,000 Visa Prepaid Card when you donate. Terms apply: rcblood.org/help. To make your appointment, visit <http://bit.ly/319wjsl>.

Basic life support class

As part of WISD's Lighthouse for Learning series the district will host a basic life support course from 5:30-7 p.m. April 14 at Texas Cryoworks and Fitness Center.

Get CPR certified for your job or for your own personal peace of mind. Students will receive official CPR certification through this two-hour course.

For tickets go to <https://tinyurl.com/he-hjx2u>. Cost is \$75.

Crossroads of Texas Film & Music Festival

The city of Waxahachie will celebrate the best in Texas music and films with the annual Crossroads of Texas Film & Music Festival on April 20-22.

The event will kick off with a VIP opening reception at 6 p.m. April 20 and a concert by Micky and the Motorcars at 8 p.m., both at the Texas Theater Downtown, 110 W. Main St.

On April 21 at the Chautauqua Auditorium, 400, S. Grand Ave., there will be a screening of "Dazed and Confused" at 11 a.m. followed by a screening of "Oklahoma Breakdown" at 2 p.m., followed by a filmmaker Q&A. There will be a VIP dinner in the hospitality tent at 6 p.m. (VIP passes are required), and at 8 p.m. Cody Canada and the Departed will have a concert.

On April 22, also at the Chautauqua Auditorium, there will be a screening of "Cowboys" A Documentary Portrait with a filmmaker Q&A. At 2 p.m. there will be a screening of "This World Won't Break" with a Q&A with the filmmaker and cast following. A VIP dinner in the hospitality tent (VIP passes required) at 6 p.m., and the event will conclude with a Gary P. Nunn concert at 8 p.m.

Texas Commission on Environmental Quality

NOTICE OF PUBLIC MEETING FOR TPDES PERMIT FOR MUNICIPAL WASTEWATER

NEW

PERMIT NO. WQ0016103001

APPLICATION. Stephen Richard Selinger, 620 Trulove Trail, Southlake, Texas 75092, has applied to the Texas Commission on Environmental Quality (TCEQ) for new Texas Pollutant Discharge Elimination System (TPDES) Permit No. WQ0016103001, to authorize the discharge of treated domestic wastewater at a daily average flow not to exceed 500,000 gallons per day. TCEQ received this application on January 31, 2022.

The facility will be located at 1008 Shankle Road, Palmer, in Ellis County, Texas 75152. The treated effluent will be discharged to an unnamed tributary, thence to Fourmile Creek, thence to Village Creek, thence to Upper Trinity River in Segment No. 0805 of the Trinity River Basin. The unclassified receiving water uses are minimal aquatic life use for the unnamed tributary, and limited aquatic life use for Fourmile Creek. The designated uses for Segment No. 0805 are primary contact recreation and high aquatic life use. In accordance with 30 Texas Administrative Code Section 307.5 and the TCEQ's Procedures to Implement the Texas Surface Water Quality Standards (June 2010), an antidegradation review of the receiving waters was performed. A Tier 1 antidegradation review has preliminarily determined that existing water quality uses will not be impaired by this permit action. Numerical and narrative criteria to protect existing uses will be maintained. This review has preliminarily determined that no water bodies with exceptional, high, or intermediate aquatic life uses are present within the stream reach assessed; therefore, no Tier 2 degradation determination is required. No significant degradation of water quality is expected in water bodies with exceptional, high, or intermediate aquatic life uses downstream, and existing uses will be maintained and protected. The preliminary determination can be reexamined and may be modified if new information is received. This link to an electronic map of the site or facility's general location is provided as a public courtesy and is not part of the application or notice. For the exact location, refer to the application.

<https://tceq.maps.arcgis.com/apps/webappviewer/index.html?id=d85ba0448b-c68b8dd36018162850f0f0a4e2c2122080e1d12>

The TCEQ Executive Director has completed the technical review of the application and prepared a draft permit. The draft permit, if approved, would establish the conditions under which the facility must operate. The Executive Director has made a preliminary decision that this permit, if issued, meets all statutory and regulatory requirements.

PUBLIC COMMENT / PUBLIC MEETING. A public meeting will be held and will consist of two parts, an Informal Discussion Period and a Formal Comment Period. A public meeting is not a contested case hearing under the Administrative Procedure Act. During the Informal Discussion Period, the public will be encouraged to ask questions of the applicant and TCEQ staff concerning the permit application. The comments and questions submitted orally during the Informal Discussion Period will not be considered before a decision is reached on the permit application and no formal response will be made. Responses will be provided orally during the Informal Discussion Period. During the Formal Comment Period on the permit application, members of the public may state their formal comments orally into the official record. A written response to all timely, relevant and material, or significant comments will be prepared by the Executive Director. All formal comments will be considered before a decision is reached on the permit application. A copy of the written response will be sent to each person who submits a formal comment or who requested to be on the mailing list for this permit application and provides a mailing address. Only relevant and material issues raised during the Formal Comment Period can be considered if a contested case hearing is granted on this permit application.

The Public Meeting is to be held:

Thursday, April 27, 2023 at 7:00 PM
Palmer ISD Administration
303 Buildog Way
Palmer, Texas 75152

INFORMATION. Members of the public are encouraged to submit written comments anytime during the meeting or by mail before the close of the public comment period to the Office of the Chief Clerk, TCEQ, Mail Code MC-105, P.O. Box 13087, Austin, TX 78711-3087 or electronically at www.tceq.texas.gov/efilecomment. If you need more information about the permit application or the permitting process, please call the TCEQ Public Education Program. Toll Free, at 1-800-687-4040. Si desea información en Español, puede llamar 1-800-687-4040. General information about the TCEQ can be found at our web site at <http://www.tceq.texas.gov>.

The permit application, Executive Director's preliminary decision, and draft permit are available for viewing and copying at Ennis Public Library, Front Desk, 501 West Ennis Avenue, Ennis, Texas. Further information may also be obtained from Stephen Richard Selinger at the address stated above or by calling Mr. Stephen Selinger at 817-421-0721.

Persons with disabilities who need special accommodations at the meeting should call the Office of the Chief Clerk at (512) 239-3300 or 1-800-RELAY-TX (TDD) at least five business days prior to the meeting.

ECSO announces new drone team

Staff report

Sheriff Brad Norman has announced that the Ellis County Sheriff's Office Unmanned Aerial System team is now in operation.

The UAS, or drone, response team consists of seven members of the ECSO Patrol and Criminal Investigation divisions respectively. All team members are certified with the FAA as UAS - Part 107 Remote Pilots.

"They have all clearly demonstrated that they understand the regulations, operating

requirements, and the procedures for safely flying drones," according to a ECSO media release. "The team went through rigorous training, completed day and night flight operations, flew indoors as well as outdoors, and learned about thermal imaging as some of the training [members] went through."

The sheriff office's UAS, or drones, are equipped with spotlights, speakers, trackers, flare infrared zoom, range finder tracking system, a public address system, and forward-looking

infrared cameras, which provide heat mapping capabilities to cover a large area within a few minutes.

"This UAS Response Team will aid in search and rescue efforts, crime scenes, surveillance, and reconnaissance missions and help de-escalate potentially dangerous situations by communicating with people on the location," according to the release. "In addition, using the UAS before entering an area, we can tell just how dangerous or hazardous a scene could be."

Ellis County sheriff's deputies pose with two unmanned aerial vehicles that the Sheriff's Office will use in law enforcement operations. Seven deputies have been trained and certified as remote pilots. Ellis County Sheriff's Office

AREA BRIEFS

Indian Trails Master Naturalists to host events

Staff report

Indian Trails Master Naturalists is sponsoring monthly events at Mockingbird Nature Park at 1361 Onward

Road in Midlothian.

From 8-10 p.m. April 28 come and learn about and see the many varieties of moths. Come for our monthly guided wildflower walks on Saturdays at 9 a.m. on April 22 and June 27. There is a guided night hike from 7:30-10 p.m. May 19. For more information visit the Indian Trail website at txnn.org/indiantrail.

Indian Trail Master

Naturalists is sponsoring the Prairie Wildlife and Wildflower adventure from 2-4 p.m. April 30 at Ellis County Rural Heritage Farm in Waxahachie. Bring your family and children and enjoy tours, interactive exhibits and demonstrations about the wildlife, flowers, plants and tress native to the Blackland Prairie.

For more information visit ruralheritagefarm.org.

Indian Trail Chapter of Texas Master Naturalists is an organization sponsored by Texas Parks and Wildlife Department and Texas A&M AgriLife Extension Services. Its mission, among other things, is to bring educational and other activities to the public regarding ecology, wildlife, and plants in Ellis and Navarro Counties.

Waxahachie CARE fundraisers

Waxahachie CARE Services is having two fundraisers in April.

On April 1 the organization will host its second annual Craft Show and Marketplace at the Wilemon football field. The event runs from 9 a.m. to 3 p.m. Vendor space is available. Entry fee is \$1 or one non-perishable food per person.

On April 15 Waxahachie CARE will host a murder mystery comedy dinner at 5:30 p.m. at University Church. SAGU theater students will be providing the entertainment. There will be a silent auction.

For tickets to the show go to waxahachie-care.org/post/join-care-for-a-murder-mystery-dinner-fundraiser.

Hawk Parent University

Red Oak ISD, in partnership with REACH Council, is providing an informational program called The Dangers of Vaping, Marijuana, Edibles and Fentanyl.

Parents and students are invited to attend this special Hawk Parent University event at 6 p.m. April 3 in the ROISD Board Room, 109 W. Red Oak Road. The event is free, and no RSVP is required.

WISD pre-K, kindergarten roundup

Waxahachie ISD will host its pre-K and kindergarten roundup from 5:30-7 p.m. May 2.

The pre-K registration will take place at Turner. Kindergarten registration will take place at the student's zoned elementary school.

Marvin and Wilemon lottery students will be notified before May 2 if they have been selected for attendance. Students should attend the kindergarten roundup at that campus.

Dual language applicants should attend the kindergarten roundup at their zoned campus.

For pre-K students bring ID, proof of

residency, income verification, birth certificate, social security card and immunization record.

To find out where your student is zoned go to wisd.org or call 972-923-4631.

God's House Community Easter Egg Hunt

God's House in Lone Elm will host an Easter egg hunt from 11 a.m. to 2 p.m. April 8 at the church, 150 Lone Elm Road. Guests are asked to arrive by 10:30 a.m.

The Easter egg hunt is for children ages 4 to 12, and they will be divided into three age groups: 4-6, 7-9 and 10-12.

Lunch will be provided after hunt.

WISD to host town hall meeting

Waxahachie ISD will host a town hall meeting from 6-7 p.m. Tuesday at the Coleman Junior High Fine Arts Center.

Superintendent Jerry Hollingsworth will provide an update on the state of the district and the district's bond election. The district will also stream the meeting for those not able to attend in person. Attendees, both in person and virtual, will be able to submit questions.

Cops and Kids Picnic

The Waxahachie Police Department's Cops & Kids Picnic will take place from 11 a.m. to 2 p.m. April 15 at Getzendenan Park.

Milford candidate meet and greet

There will be a candidate meet and greet for the Milford City Council candidates and the Milford ISD Board of Trustees candidates from 10 a.m. to noon April 15 at Milford City Park.

Kiwanis Club of Waxahachie serves community

The Kiwanis Club of Waxahachie empowers its members to pursue creative ways to serve the needs of children, such as fighting hunger, improving literacy and offering guidance.

The club meets on the first Monday of each month at noon and the third Tuesday of the month at 6 p.m. For meeting locations and more information email waxahachiekiwanis@gmail.com or find the Kiwanis Club of Waxahachie on Facebook.

WPD to host blood drive

The Waxahachie

Police Department is hosting a blood drive in partnership with the Red Cross from 9 a.m. to 3 p.m. Friday in the training room at the Waxahachie Police Department.

Come give blood and receive a \$10 Visa Prepaid Card by email. Plus, get a chance to win a \$3,000 Visa Prepaid Card when you donate. Terms apply: rcblood.org/help. To make your appointment, visit http://bit.ly/319wjsL.

Basic life support class

As part of WISD's Lighthouse for Learning series the district will host a basic life support course from 5:30-7 p.m. April 14 at Texas Cryoworks and Fitness Center.

Get CPR certified for your job or for your own personal peace of mind. Students will receive official CPR certification through this two-hour course.

For tickets go to https://tinyurl.com/rhe-hjx2u. Cost is \$75.

Crossroads of Texas Film & Music Festival

The city of Waxahachie will celebrate the best in Texas music and films with the annual Crossroads of Texas Film & Music Festival on April 20-22.

The event will kick off with a VIP opening reception at 6 p.m. April 20 and a concert by Micky and the Motorcars at 8 p.m., both at the Texas Theater Downtown, 110 W. Main St.

On April 21 at the Chautauqua Auditorium, 400 S. Grand Ave., there will be a screening of "Dazed and Confused" at 11 a.m. followed by a screening of "Oklahoma Breakdown" at 2 p.m., followed by a filmmaker Q&A. There will be a VIP dinner in the hospitality tent at 6 p.m. (VIP passes are required), and at 8 p.m. Cody Canada and the Departed will have a concert.

On April 22, also at the Chautauqua Auditorium, there will be a screening of "Cowboys" A Documentary Portrait with a filmmaker Q&A. At 2 p.m. there will be a screening of "This World Won't Break" with a Q&A with the filmmaker and cast following. A VIP dinner in the hospitality tent (VIP passes required) at 6 p.m., and the event will conclude with a Gary P. Nunn concert at 8 p.m.

Texas Commission on Environmental Quality

NOTICE OF PUBLIC MEETING FOR TPDES PERMIT FOR MUNICIPAL WASTEWATER

NEW

PERMIT NO. WQ0016103001

APPLICATION. Stephen Richard Selinger, 620 Truelove Trail, Southlake, Texas 76092, has applied to the Texas Commission on Environmental Quality (TCEQ) for new Texas Pollutant Discharge Elimination System (TPDES) Permit No. WQ0016103001, to authorize the discharge of treated domestic wastewater at a daily average flow not to exceed 500,000 gallons per day. TCEQ received this application on January 31, 2022.

The facility will be located at 1008 Shankle Road, Palmer, in Ellis County, Texas 75152. The treated effluent will be discharged to an unnamed tributary, thence to Fourmile Creek, thence to Village Creek, thence to Upper Trinity River in Segment No. 0805 of the Trinity River Basin. The unclassified receiving water uses are minimal aquatic life use for the unnamed tributary, and limited aquatic life use for Fourmile Creek. The designated uses for Segment No. 0805 are primary contact recreation and high aquatic life use. In accordance with 30 Texas Administrative Code Section 307.3, and the TCEQ's Procedures to Implement the Texas Surface Water Quality Standards (June 2010), an anti-degradation review of the receiving waters was performed. A Tier 1 anti-degradation review has preliminarily determined that existing water quality uses will not be impaired by this permit action. Numerical and narrative criteria to protect existing uses will be maintained. This review has preliminarily determined that no water bodies with exceptional, high, or intermediate aquatic life uses are present within the stream reach assessed; therefore, no Tier 2 degradation determination is required. No significant degradation of water quality is expected in water bodies with exceptional, high, or intermediate aquatic life uses downstream, and existing uses will be maintained and protected. The preliminary determination can be reconsidered and may be modified if new information is received. This link to an electronic map of the site or facility's general location is provided as a public courtesy and is not part of the application or notice. For the exact location, refer to the application.

<https://tceq.maps.arcgis.com/apps/webappviewer/index.html?id=d838ac44fb-c68b8dd4360181082926f0a4bce-596506006%2C32.41228&level=12>

The TCEQ Executive Director has completed the technical review of the application and prepared a draft permit. The draft permit, if approved, would establish the conditions under which the facility must operate. The Executive Director has made a preliminary decision that this permit, if issued, meets all statutory and regulatory requirements.

PUBLIC COMMENT / PUBLIC MEETING. A public meeting will be held and will consist of two parts: an Informal Discussion Period and a Formal Comment Period. A public meeting is not a contested case hearing under the Administrative Procedure Act. During the Informal Discussion Period, the public will be encouraged to ask questions of the applicant and TCEQ staff concerning the permit application. The comments and questions submitted orally during the Informal Discussion Period will not be considered before a decision is reached on the permit application and no formal response will be made. Responses will be provided orally during the Informal Discussion Period. During the Formal Comment Period on the permit application, members of the public may state their formal comments orally into the official record. A written response to all timely, relevant and material, or significant comments will be prepared by the Executive Director. All formal comments will be considered before a decision is reached on the permit application. A copy of the written response will be sent to each person who submits a formal comment or who requested to be on the mailing list for this permit application and provides a mailing address. Only relevant and material issues raised during the Formal Comment Period can be considered if a contested case hearing is granted on this permit application.

The Public Meeting is to be held:

Thursday, April 27, 2023 at 7:00 PM
Palmer ISD Administration
303 Bulldog Way
Palmer, Texas 75152

INFORMATION. Members of the public are encouraged to submit written comments anytime during the meeting or by mail before the close of the public comment period to the Office of the Chief Clerk, TCEQ, Mail Code MC-105, P.O. Box 13087, Austin, TX 78711-3087 or electronically at www.tceq.texas.gov/efilecomment. If you need more information about the permit application or the permitting process, please call the TCEQ Public Education Program, Toll Free, at 1-800-687-4040. Si desea información en Español, puede llamar a 1-800-687-4040. General information about the TCEQ can be found at our web site at <https://www.tceq.texas.gov>.

The permit application, Executive Director's preliminary decision, and draft permit are available for viewing and copying at Ennis Public Library, Front Desk, 501 West Ennis Avenue, Ennis, Texas. Further information may also be obtained from Stephen Richard Selinger at the address stated above or by calling Mr. Stephen Selinger at 817-421-0731.

Persons with disabilities who need special accommodations at the meeting should file with the Office of the Chief Clerk at (512) 239-3300 or 1-800-RELA-TX (TDD) at least five business days prior to the meeting.

Issuance Date: March 15, 2023

PERMIT NO. WQ0016103001

APPLICATION. Stephen Richard Selinger, 620 Truelove Trail, Southlake, Texas 76092, has applied to the Texas Commission on Environmental Quality (TCEQ) for new Texas Pollutant Discharge Elimination System (TPDES) Permit No. WQ0016103001, to authorize the discharge of treated domestic wastewater at a daily average flow not to exceed 500,000 gallons per day. TCEQ received this application on January 31, 2022.

The facility will be located at 1008 Shankle Road, Palmer, in Ellis County, Texas 75152. The treated effluent will be discharged to an unnamed tributary, thence to Fourmile Creek, thence to Village Creek, thence to Upper Trinity River in Segment No. 0805 of the Trinity River Basin. The unclassified receiving water uses are minimal aquatic life use for the unnamed tributary, and limited aquatic life use for Fourmile Creek. The designated uses for Segment No. 0805 are primary contact recreation and high aquatic life use. In accordance with 30 Texas Administrative Code Section 307.5 and the TCEQ's *Procedures to Implement the Texas Surface Water Quality Standards* (June 2010), an antidegradation review of the receiving waters was performed. A Tier 1 antidegradation review has preliminarily determined that existing water quality uses will not be impaired by this permit action. Numerical and narrative criteria to protect existing uses will be maintained. This review has preliminarily determined that no water bodies with exceptional, high, or intermediate aquatic life uses are present within the stream reach assessed; therefore, no Tier 2 degradation determination is required. No significant degradation of water quality is expected in water bodies with exceptional, high, or intermediate aquatic life uses downstream, and existing uses will be maintained and protected. The preliminary determination can be reexamined and may be modified if new information is received. This link to an electronic map of the site or facility's general location is provided as a public courtesy and is not part of the application or notice. For the exact location, refer to the application.

<https://tceq.maps.arcgis.com/apps/webappviewer/index.html?id=db5bac44afbc468bbddd36of8168250f&marker=-96.606006%2C32.41229&level=12>

The TCEQ Executive Director has completed the technical review of the application and prepared a draft permit. The draft permit, if approved, would establish the conditions under which the facility must operate. The Executive Director has made a preliminary decision that this permit, if issued, meets all statutory and regulatory requirements.

PUBLIC COMMENT / PUBLIC MEETING. A public meeting will be held and will consist of two parts, an Informal Discussion Period and a Formal Comment Period. A public meeting is not a contested case hearing under the Administrative Procedure Act. During the Informal Discussion Period, the public will be encouraged to ask questions of the applicant and TCEQ staff concerning the permit application. The comments and questions submitted orally during the Informal Discussion Period will not be considered before a decision is reached on the permit application and no formal response will be made. Responses will be provided orally during the Informal Discussion Period. During the Formal Comment Period on the permit application, members of the public may state their formal comments orally into the official record. A written response to all timely, relevant and material, or significant comments will be prepared by the Executive Director. All formal comments will be considered before a decision is reached on the permit application. A copy of the written response will be sent to each person who submits a formal comment or who requested to be on the mailing list for this permit application and provides a mailing address. Only relevant and material issues raised during the Formal Comment Period can be considered if a contested case hearing is granted on this permit application.

The Public Meeting is to be held:

**Thursday, April 27, 2023 at 7:00 PM
Palmer ISD Administration
303 Bulldog Way
Palmer, Texas 75152**

INFORMATION. Members of the public are encouraged to submit written comments anytime during the meeting or by mail before the close of the public comment period to the Office of the Chief Clerk, TCEQ, Mail Code MC-105, P.O. Box 13087, Austin, TX 78711-3087 or electronically at www.tceq.texas.gov/goto/comment. If you need more information about the permit application or the permitting process, please call the TCEQ Public Education Program, Toll Free, at 1-800-687-4040. *Si desea información en Español, puede llamar 1-800-687-4040.* General information about the TCEQ can be found at our web site at <https://www.tceq.texas.gov>.

The permit application, Executive Director's preliminary decision, and draft permit are available for viewing and copying at Ennis Public Library, Front Desk, 501 West Ennis Avenue, Ennis, Texas. Further information may also be obtained from Stephen Richard Selinger at the address stated above or by calling Mr. Stephen Selinger at 817-421-0731.

Persons with disabilities who need special accommodations at the meeting should call the Office of the Chief Clerk at (512) 239-3300 or 1-800-RELAY-TX (TDD) at least five business days prior to the meeting.

Issuance Date: March 15, 2023

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

Instructions to Publish Notice for Public Meeting

The Executive Director has determined that a public meeting should be held for your permit application. The Chief Clerk has issued mailed notice, and now you must publish notice of the meeting in a newspaper.

Newspaper Notice

Please publish the enclosed notice of public meeting, at your expense, in a newspaper that is regularly published or circulated within each county where the proposed facility is located and in each county affected by the discharge. **The entire notice must be published once, including all text from 'NOTICE OF PUBLIC MEETING . . . ' through the issued date. While it is not required, we recommend that the notice be at least 15 square inches (96.8 square centimeters), with the shortest dimension at least three inches (7.6 centimeters) in size.** Also, if feasible, we recommend that the notice be published in a regular section of the paper, rather than in the classified advertising section. Please publish the notice as soon as possible, but not later than 30 calendar days prior to the date of the public meeting.

Proof of Publication

Please submit an **original newspaper clipping** of the published notice, and a sworn affidavit completed by the newspaper giving the date on which the notice was published and listing the pertinent counties of newspaper circulation. The enclosed affidavit includes all the information needed. Therefore, please ask the newspaper to use this form. Please file the newspaper clipping and affidavit of publication with the Office of the Chief Clerk within 10 days after the notice is published.

Submission Requirements

The newspaper clipping and affidavit should be mailed to:

TCEQ
Office of the Chief Clerk, MC 105
P.O. Box 13087
Austin, Texas 78711-3087

Please send an original newspaper clipping, rather than photocopies. Also, please be sure the affidavit of publication is completely filled out and is properly executed.

Failure to Publish and Submit Proof of Publication

Proper notice of the public meeting must be given before the public meeting can be held. If you fail to publish the notice or submit the affidavit, we may have to postpone the public meeting, and delay issuance of your permit. Ultimately, your application could be returned. If your application is returned, and you wish to continue with your project, you will need to submit a new application.

If you are unable publish the notice according to the instructions above, please notify us immediately so that we may reschedule the public meeting.

Please Review the Notice

We have included in the notice all the information which we believe is necessary. Please read it carefully and notify us immediately if it contains any errors or omissions.

Please Attend the Public Meeting

The Commission asks that you or your representative appear at the public meeting. Unless you are represented at the meeting, processing of your application may be suspended.

When contacting the Commission regarding this application, please refer to the permit number. If you have questions or need assistance regarding this notice, please contact the Office of the Chief Clerk at (512)239-3300.

Subject: Re: Request Applicant Review of Public Meeting Notice: Stephen Richard Selinger; Permit No. WQ0016103001

Ms. Avalos,

The only item we noticed, was the NAPD indicated: "The facility will be located at 1008 Shankle Road, Palmer, in Ellis County, Texas 75152."

Your Public notice says: "The facility will be located at 1008 Shankle Road, in Ellis County, Texas 75152. " The city of Palmer was eliminated. If that is not a concern, then we are in agreement with the proof provided.

Charlie Gillespie

Subject: Request Applicant Review of Public Meeting Notice: Stephen Richard Selinger; Permit No. WQ0016103001

Mr. Selinger,

Attached is the draft Public Meeting Notice for Stephen Richard Selinger; Permit No. WQ0016103001.

Please respond with approval as is or with corrections. Once the notice is complete, the Office of the Chief Clerk will officially issue the notice to the Applicant/Representatives and to persons that have written to TCEQ regarding the permit.

Please respond with a contact and mailing address for the applicant's copy of the mailed notice.

The notice will not be considered complete until I receive an email response from you.

Thank you,

Deanna Avalos

Texas Commission on Environmental Quality

NOTICE OF APPLICATION AND PRELIMINARY DECISION FOR TDS PERMIT FOR MUNICIPAL WASTEWATER

NEW

PERMIT NO. WQ00000000

APPLICATION AND PRELIMINARY DECISION: Stephen Edward Schmitt, City Engineer, City of Waxahachie, has applied to the Texas Commission on Environmental Quality (TCEQ) for a new Texas Pollutant Discharge Elimination System (TPDES) Permit. The TCEQ is reviewing the application and has issued a preliminary decision. The permit is for a new municipal wastewater treatment plant located at 1000 South Main Street, Waxahachie, Texas. The permit is for a new municipal wastewater treatment plant located at 1000 South Main Street, Waxahachie, Texas. The permit is for a new municipal wastewater treatment plant located at 1000 South Main Street, Waxahachie, Texas.

PUBLIC COMMENT / PUBLIC HEARING: You may submit public comment or request a public hearing about this application. The purpose of a public hearing is to provide an opportunity for the public to express their views on the proposed permit. The public hearing will be held on August 24, 2022, at 10:00 a.m. at the City of Waxahachie, 1000 South Main Street, Waxahachie, Texas. The public hearing will be held on August 24, 2022, at 10:00 a.m. at the City of Waxahachie, 1000 South Main Street, Waxahachie, Texas.

TO REQUEST A PUBLIC HEARING: You must submit a written request to the TCEQ. The request must include the following information: the name of the applicant, the name of the project, the location of the project, and the reasons for requesting a public hearing. The request must be submitted to the TCEQ by August 17, 2022.

ALL OTHER PUBLIC COMMENT: You may submit public comment to the TCEQ by August 24, 2022. The comment must be submitted to the TCEQ by August 24, 2022. The comment must be submitted to the TCEQ by August 24, 2022.

PERMIT DECISION: The TCEQ will issue a final decision on the permit by August 31, 2022. The final decision will be based on the information provided in the application and the public hearing. The final decision will be based on the information provided in the application and the public hearing.

APPEAL: If you are dissatisfied with the TCEQ's final decision, you may appeal the decision to the Texas State Office of Administrative Hearings. The appeal must be filed by September 7, 2022.

FOR MORE INFORMATION: Contact the TCEQ at (800) 691-5831 or visit the TCEQ website at www.tceq.texas.gov.

Texas Commission on Environmental Quality

NOTICE OF APPLICATION AND PRELIMINARY DECISION FOR TPDES PERMIT FOR MUNICIPAL WASTEWATER

NEW

PERMIT NO. WQ0016103001

APPLICATION AND PRELIMINARY DECISION. Stephen Richard Selinger, 620 Truelove Trail, Southlake, Texas 76092, has applied to the Texas Commission on Environmental Quality (TCEQ) for new Texas Pollutant Discharge Elimination System (TPDES) Permit No. WQ0016103001, to authorize the discharge of treated domestic wastewater at a daily average flow not to exceed 500,000 gallons per day. TCEQ received this application on January 31, 2022.

The facility will be located at 1008 Shankle Road, Palmer, in Ellis County, Texas 75152. The treated effluent will be discharged to an unnamed tributary, thence to Fourmile Creek thence to Village Creek, thence to Upper Trinity River in Segment No. 0805 of the Trinity River Basin. The unclassified receiving water uses are minimal aquatic life use for the unnamed tributary and limited aquatic life use for Fourmile Creek. The designated uses for Segment No. 0805 are primary contact recreation and high aquatic life use. In accordance with 30 Texas Administrative Code Section 307.5 and the TCEQ's Procedures to Implement the Texas Surface Water Quality Standards (June 2010), an antidegradation review of the receiving waters was performed. A Tier 1 antidegradation review has preliminarily determined that existing water quality uses will not be impaired by this permit action. Numerical and narrative criteria to protect existing uses will be maintained. This review has preliminarily determined that no water bodies with exceptional, high, or intermediate aquatic life uses are present within the stream reach assessed; therefore, no Tier 2 degradation determination is required. No significant degradation of water quality is expected in water bodies with exceptional, high, or intermediate aquatic life uses downstream, and existing uses will be maintained and protected. The preliminary determination can be reexamined and may be modified if new information is received. This link to an electronic map of the site or facility's general location is provided as a public courtesy and is not part of the application or notice. For the exact location, refer to the application.

<https://tceq.maps.arcgis.com/apps/webappviewer/index.html?id=db5bac44afbc468bbddd360f8168250f&marker=-96.606006%2C32.41229&level=12>

The TCEQ Executive Director has completed the technical review of the application and prepared a draft permit. The draft permit, if approved, would establish the conditions under which the facility must operate. The Executive Director has made a preliminary decision that this permit, if issued, meets all statutory and regulatory requirements. The permit application, Executive Director's preliminary decision, and draft permit are available for viewing and copying at Ennis Public Library, Front Desk, 501 West Ennis Avenue, Ennis, Texas.

PUBLIC COMMENT / PUBLIC MEETING. You may submit public comments or request a public meeting about this application. The purpose of a public meeting is to provide the opportunity to submit comments or to ask questions about the application. TCEQ holds a public meeting if the Executive Director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing.

OPPORTUNITY FOR A CONTESTED CASE HEARING. After the deadline for submitting public comments, the Executive Director will consider all timely comments and prepare a response to all relevant and material or significant public comments. **Unless the application is directly referred for a contested case hearing, the response to comments will be mailed to everyone who submitted public comments and to those persons who are on the mailing list for this application. If comments are received, the mailing will also provide instructions for requesting a contested case hearing or reconsideration of the Executive Director's decision.** A contested case hearing is a legal proceeding similar to a civil trial in a state district court.

TO REQUEST A CONTESTED CASE HEARING, YOU MUST INCLUDE THE FOLLOWING ITEMS IN YOUR REQUEST: your name, address, phone number; applicant's name and proposed permit number; the location and distance of your property/activities relative to the proposed facility; a specific description of how you would be adversely affected by the facility in a way not common to the general public; a list of all disputed issues of fact that you submit during the comment period; and the statement "[I/we] request a contested case hearing." If the request for contested case hearing is filed on behalf of a group or association, the request must designate the group's representative for receiving future correspondence; identify by name and physical address an individual member of the group who would be adversely affected by the proposed facility or activity; provide the information discussed above regarding the affected member's location and distance from the facility or activity; explain how and why the member would be affected; and explain how the interests the group seeks to protect are relevant to the group's purpose.

Following the close of all applicable comment and request periods, the Executive Director will forward the application and any requests for reconsideration or for a contested case hearing to the TCEQ Commissioners for their consideration at a scheduled Commission meeting.

The Commission may only grant a request for a contested case hearing on issues the requestor submitted in their timely comments that were not subsequently withdrawn. **If a hearing is granted, the subject of a hearing will be limited to disputed issues of fact or mixed questions of fact and law relating to relevant and material water quality concerns submitted during the comment period.**

EXECUTIVE DIRECTOR ACTION. The Executive Director may issue final approval of the application unless a timely contested case hearing request or request for reconsideration is filed. If a timely hearing request or request for reconsideration is filed, the Executive Director will not issue final approval of the permit and will forward the application and request to the TCEQ Commissioners for their consideration at a scheduled Commission meeting.

MAILING LIST. If you submit public comments, a request for a contested case hearing or a reconsideration of the Executive Director's decision, you will be added to the mailing list for this specific application to receive future public notices mailed by the Office of the Chief Clerk. In addition, you may request to be placed on: (1) the permanent mailing list for a specific applicant name and permit number; and/or (2) the mailing list for a specific county. If you wish to be placed on the permanent and/or the county mailing list, clearly specify which list(s) and send your request to TCEQ Office of the Chief Clerk at the address below.

All written public comments and public meeting requests must be submitted to the Office of the Chief Clerk, MC 105, Texas Commission on Environmental Quality, P.O. Box 13087, Austin, TX 78711-3087 or electronically at www.tceq.texas.gov/goto/comment within 30 days from the date of newspaper publication of this notice.

INFORMATION AVAILABLE ONLINE. For details about the status of the application, visit the Commissioners' Integrated Database at www.tceq.texas.gov/goto/cid. Search the database using the permit number for this application, which is provided at the top of this notice.

AGENCY CONTACTS AND INFORMATION. Public comments and requests must be submitted either electronically at www.tceq.texas.gov/goto/comment, or in writing to the Texas Commission on Environmental Quality, Office of the Chief Clerk, MC 105, P.O. Box 13087, Austin, Texas 78711-3087. Any personal information you submit to the TCEQ will become part of the agency's record; this includes email addresses. For more information about this permit application or the permitting process, please call the TCEQ Public Education Program, Toll Free, at 1-800-687-4040 or visit their website at www.tceq.texas.gov/goto/pep. Si desea información en Español, puede llamar al 1-800-687-4040.

Further information may also be obtained from Stephen Richard Selinger at the address stated above or by calling Mr. Stephen Selinger at 817-421-0731.

RE: Applicant Name: SELINGER, STEPHEN RICHARD
Facility Location: ELLIS COUNTY
Permit Number: WQ0016103001
Customer Reference Number: CN605815893
Regulated Entity Number: RN111421533
Type of Authorization: NEW

DEAR MR GILLESPIE:

The executive director has completed the technical review of the above referenced application and has prepared a preliminary decision and draft permit.

You are now required to publish another notice of your proposed activity. To help you meet the requirements associated with this notice, we have included the following items:

- Instructions for Public Notice
- Notice for Newspaper Publication
- Publisher's Affidavit
- Draft Permit
- Executive Director's Preliminary Decision
- Public Notice Verification Form

You must follow all the directions in the enclosed instructions. The most common mistakes are the unauthorized changing of notice, wording, or font. If you fail to follow these instructions, you may be required to republish the notices.

The following requirements are also described in the enclosed instructions. However, due to their importance, they are highlighted here as well.

P.O. Box 13087 • Austin, Texas 78711-3087 • 512-239-1000 • tceq.texas.gov

MR CHARLES GILLESPIE

JULY 27, 2022

Page 2 of 2

- You must publish the enclosed notice as soon as possible, but no later than 45 days from the date on the cover letter. **You may be required to publish the notice in more than one newspaper, including a newspaper published in an alternative language, to satisfy all of the notice requirements.**
- On or before the date you publish notice, you must place the following items in a public place in the county where the facility is or will be located: (a) a copy of your permit application, including any subsequent revisions; (b) the executive director's preliminary decision as contained in the technical summary and fact sheet; and (c) the draft permit, including any subsequent revisions. These items must be accessible to the public for review and copying, must be updated to reflect changes to the application, and must remain in place until the commission has taken action on the application or the commission refers issues to the State Office of Administrative Hearings.
- For each publication, submit proof of publication of the notice that shows the publication date and newspaper name to the Office of the Chief Clerk within **30 calendar days** after notice is published in the newspaper.
- Return the original enclosed Public Notice Verification and the Publisher's Affidavits to the Office of the Chief Clerk within **30 calendar days** after the notice is published in the newspaper.

If you do not comply with all the requirements described in the instructions, further processing of your application may be suspended or the agency may take other actions.

If you have any questions regarding publication requirements, please contact the Office of Legal Services at 512-239-0600. If you have any questions regarding the content of the notice, please contact the individual in the permitting area assigned to your application.

Sincerely,

Laurie Gharis

Laurie Gharis
Chief Clerk

Texas Commission on Environmental Quality

Instructions for Public Notice for a Water Quality Permit

Notice of Application and Preliminary Decision (NAPD)

The executive director has completed the technical review of your application and issued a preliminary decision. You must comply with the following instructions. There are seven (7) steps involved in publishing notice. Complete each step.

1. REVIEW THE NOTICE FOR ACCURACY

Read the enclosed notice carefully and notify the Wastewater Permitting Section at 512-239-4671 immediately if it contains any errors or omissions. You are responsible for ensuring the accuracy of all information published. Do not change the text or formatting of the notice or affidavit of publication without prior approval from the TCEQ. Changing the text or formatting of the notice may require new publication at your expense and delay processing of your application.

2. PUBLISH THE NOTICE IN THE NEWSPAPER

You must publish the enclosed notice as soon as possible, but no later than 45 days from the date on the cover letter.

For renewal applications, you must publish at least once in the same newspaper that you published the Notice of Receipt of Application and Intent to Obtain Permit.

For all other applications, you must publish at least once in a newspaper regularly published or circulated within each county where the facility and discharge point are located or proposed to be located.

The bold text of the enclosed notice must be printed in the newspaper in a font style or size that distinguishes it from the rest of the notice (i.e., bold, italics). Failure to do so may require re-notice.

3. PUBLISH THE NOTICE IN AN ALTERNATIVE LANGUAGE

You must publish notice in an alternative language IF: either the elementary or middle school nearest to the facility or proposed facility is required to provide a "bilingual education program" (BEP) as required by Texas Education Code (TEC), Chapter 29, Subchapter B, and 19 Tex. Admin. Code §89.1205(a) AND one of the following conditions is met:

- students are enrolled in a program at that school;
- students from that school attend a bilingual education program at another location; or
- the school that otherwise would be required to provide a bilingual education program has been granted an exception from the requirements to provide the program as provided for in 19 Tex. Admin. Code §89.1207(a).

A "bilingual education program" is different from an "English as a second language program" (ESL). An ESL program alone, will not require public notice in an alternative language.

If triggered, you must publish the notice in a newspaper or publication primarily published in the alternative language taught in the bilingual education program. Publication in an alternative language section or insert within a large publication which is not printed primarily in that alternative language does not satisfy these

requirements. The newspaper or publication must be of general circulation in the county in which the facility and discharge point are located or proposed to be located. If the facility and discharge point are located or proposed to be located in a municipality, and there exists a newspaper or publication of general circulation in the municipality, you must publish the notice only in the newspaper or publication in the municipality.

You must demonstrate a good faith effort to identify a newspaper or publication in the required language. If there is no general circulation newspaper or publication printed in such language, then publishing in that language is not required. You have the burden to demonstrate compliance with these requirements.

If you are required to publish notice in Spanish, you must translate the site-specific information in the notice that is specific to your application, at your own expense. You may then insert the Spanish translation of your site-specific information into a Spanish template developed by the TCEQ. The Spanish templates are available on the TCEQ website at www.tceq.texas.gov/permitting/wastewater/review/napd/wqspanish_napd.html. If you are required to publish notice in a language other than Spanish, you must translate the entire public notice, at your own expense.

4. PUT THE APPLICATION IN A PUBLIC PLACE

You must put a copy of the following documents in the public place identified in the enclosed notice:

- the complete application,
- the executive director's preliminary decision as contained in the technical summary and fact sheet,
- the draft permit, and
- any subsequent revisions to these documents.

This copy must be accessible to the public for review and copying beginning on the first day of newspaper publication and remain in place until the commission has taken action on the application or the commission refers issues to the State Office of Administrative Hearings.

For confidential information contained in the application, you must indicate which specific portions of the application cannot be made available to the public. These portions of the application must be accompanied with the following statement: "Any request for portions of this application that are marked as confidential must be submitted in writing, pursuant to the Public Information Act, to the TCEQ Public Information Coordinator, MC 197, P.O. Box 13087, Austin, Texas 78711-3087."

5. PROVIDE PROOF OF PUBLICATION

For each newspaper in which you published, you must submit proof of publication. Proof of publication must include the following:

- a completed Publisher's Affidavit (enclosed); and
- a copy of the published notice which shows the notice, the date published, and the newspaper name. The copy must be on standard-size 8½ x 11" paper and must show the actual size of the published notice. Do not reduce the image when making copies. Published notices longer than 11" must be

copied onto multiple 8½ x 11" pages. Or you can submit the original newspaper clipping.

If you are required to publish notice in an alternative language and are unable to do so, complete and submit the Alternative Language Exemption form (enclosed).

6. PROVIDE PROOF OF APPLICATION VIEWING LOCATION

You must submit a completed Public Notice Verification Form (enclosed), which certifies that the complete application and draft permit were placed at the public place identified in the enclosed notice.

7. SUBMIT PROOFS TO TCEQ

Scan and email the proof of publication documents (Step 5) and the completed Public Notice Verification Form (Step 6) within 30 days of publication to PROOFS@tceq.texas.gov;

Or Mail to:

TCEQ
Office of the Chief Clerk, MC 105
Attn: Notice Team
P.O. Box 13087
Austin, Texas 78711-3087

Additional Information

If you fail to publish the notice or submit proofs within the timeframes noted above, the TCEQ may suspend further processing on your application or take other actions in accordance with 30 Tex. Admin. Code §39.405(a).

If you have any questions regarding publication requirements, please contact the Office of Legal Services at 512-239-0600. If you have any questions regarding the content of the notice, please contact the Wastewater Permitting Section at 512-239-4671. When contacting TCEQ regarding this application, please refer to the permit number at the top of the enclosed notice.

Senate Bill 709 (84th Legislative Session, 2015) amended the Texas Water Code by adding new Section 5.5553, which requires the Texas Commission on Environmental Quality (TCEQ) to provide written notice to you at least thirty (30) days prior to the TCEQ's issuance of draft permits for applications that are located in your district.

Stephen Richard Selinger, 620 Truelove Trail, Southlake, Texas 76092, has applied to the TCEQ for proposed Texas Pollutant Discharge Elimination System No. WQ0016103001 (EPA I.D. No. TX0142361) to authorize the discharge of treated wastewater at a volume not to exceed a daily average flow of 500,000 gallons per day. The domestic wastewater treatment facility will be located at 1008 Shankle Road, Palmer, in Ellis County, Texas 75152. The discharge route will be from the plant site to an unnamed tributary, thence to Fourmile Creek, thence to Village Creek, thence to Upper Trinity River in Segment No. 0805 of the Trinity River Basin. TCEQ received this application on January 31, 2022. The permit application is available for viewing and copying at Ennis Public Library, Front Desk, 501 West Ennis Avenue, Ennis, Texas. This link to an electronic map of the site or facility's general location is provided as a public courtesy and not part of the application or notice. For the exact location, refer to the application.

<https://tceq.maps.arcgis.com/apps/webappviewer/index.html?id=db5bac44afbc468bbddd360f8168250f&marker=-96.606006%2C32.41229&level=12>

TCEQ is preparing the initial draft permit. At the time the draft permit is issued, the applicant will be required to publish notice in a newspaper of general circulation, and the TCEQ will provide a copy of the notice of draft permit to persons who have requested to be on a mailing list.

Questions regarding this application may be directed to Mr. Firoj Vahora by calling 512-239-4540.

Issuance Date: April 29, 2022

CLASSIFIED AD RATES

Have something to sell? Looking to buy? Need a new place to rent? The classifieds have it all! It's easy to place an ad - just call (469) 517-1501 to place your ad!

BUYER BEWARE!

Many ads found in these classifieds come from distant points and the Waxahachie Daily Light, Midlothian Mirror and Ellis County Trading Post cannot always know the merit of the offers. We do not purposely run ads that are fraudulent or misleading.

We suggest when you are in doubt that you call the BETTER BUSINESS BUREAU before signing any contract.

If you suspect an ad of being dishonest, please call our office at (972) 937-3310 or (972) 938-1939 and speak with Sharon.

RIGHTS RESERVED

The publisher reserves the right to revise or reject, at its option, any advertisement which it deems objectionable either in subject or phraseology or which it may deem detrimental to its business.

NOTICE

While we are happy to take everyone's classified ads there are some classified ads that must be pre-paid. Your classified representative will be able to tell you which ads must be pre-paid. Call (972) 937-3310 or (972) 938-1939 to place your ad.

TO BE Published two times in the Waxahachie Daily Light on Wednesday, April 6th, 10th, 2022:

APPLICATION has been made for a Mixed Beverage Permit and Food and Beverage Certificate for Big Q Concepts LLC doing business as Big D Barbeque located at 214 W. Ave. F, Midlothian, Ellis County, Texas 76065. Kenneth W. Jordan III - Manager. Said application has been made to the Texas Alcoholic Beverage Commission in accordance with the provisions of the Texas Alcoholic Beverage Code.

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

NOTICE OF RECEIPT OF APPLICATION AND INTENT TO OBTAIN WATER QUALITY PERMIT
PROPOSED PERMIT NO. WQ0016103001

APPLICATION. Stephen Richard Selinger, 620 Truelove Trail, Southlake, Texas 75092, has applied to the Texas Commission on Environmental Quality (TCEQ) for proposed Texas Pollutant Discharge Elimination System (TPDES) Permit No. WQ0016103001 (EPA I.D. No. TX0142361) to authorize the discharge of treated wastewater at a volume not to exceed a daily average flow of 500,000 gallons per day. The domestic wastewater treatment facility will be located at 1008 Shankle Road, Palmer, in Ellis County, Texas 75152. The discharge route will be from the plant site to an unnamed tributary, thence to Fourmile Creek; thence to Village Creek; thence to the Upper Trinity River. TCEQ received this application on January 31, 2022. The permit application is available for viewing and copying at Ennis Public Library, Front Desk, 501 West Ennis Avenue, Ennis, Texas. This link to an electronic map of the site or facility's general location is provided as a public courtesy and not part of the application or notice. For the exact location, refer to the application.

<https://tceq.maps.arcgis.com/apps/webappviewer/index.html?id=db5bac44afbc468bbdd360b169250&marker=96.60606%2C32.41229&level=12>

ADDITIONAL NOTICE. TCEQ's Executive Director has determined the application is administratively complete and will conduct a technical review of the application. After technical review of the application is complete, the Executive Director may prepare a draft permit and will issue a preliminary decision on the application. Notice of the Application and Preliminary Decision will be published and mailed to those who are on the county-wide mailing list and to those who are on the mailing list for this application. That notice will contain the deadline for submitting public comments.

PUBLIC COMMENT / PUBLIC MEETING. You may submit public comments or request a public meeting on this application. The purpose of a public meeting is to provide the opportunity to submit comments or to ask questions about the application. TCEQ will hold a public meeting if the Executive Director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing.

OPPORTUNITY FOR A CONTESTED CASE HEARING. After the deadline for submitting public comments, the Executive Director will consider all timely comments and prepare a response to all relevant and material, or significant public comments. Unless the application is directly referred for a contested case hearing, the response to comments, and the Executive Director's decision on the application, will be mailed to everyone who submitted public comments and to those persons who are on the mailing list for this application. If comments are received, the mailing will also provide instructions for requesting reconsideration of the Executive Director's decision and for requesting a contested case hearing. A contested case hearing is a legal proceeding similar to a civil trial in state district court.

days after the date this citation was issued, a default judgment may be taken against you. In addition to filing a written answer with the clerk, you may be required to make initial disclosures to the other parties of this suit. These disclosures generally must be made no later than 30 days after you file your answer with the clerk. Find out more at texaslawhelp.org. YOU ARE HEREBY COMMANDED to appear before the 40th Judicial District Court of Ellis County, Texas, at the Courthouse thereof, in Waxahachie, Texas, by filing a written answer at or before ten o'clock A.M. of the first Monday next after the expiration of forty-two (42) days from the date of the issuance of this citation, in cause number 107535, on the docket of said Court and styled:

MTGLQ INVESTMENTS, LP VS.

THE UNKNOWN HEIRS AT LAW OF BRENDA CHAPMAN, DECEASED IN RE: 5241 OLD BUENA VISTA RD, WAXAHACHIE, TX 75167

A brief summary of the nature of this suit is: "Plaintiff MTGLQ INVESTMENTS, LP its successors in interest or assigns, by and through its attorney of record Joseph M. TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

NOTICE OF RECEIPT OF APPLICATION AND INTENT TO OBTAIN WATER QUALITY PERMIT PROPOSED PERMIT NO. WQ0016103001

APPLICATION. Stephen Richard Selinger, 620 Truelove Trail, Southlake, Texas 76092, has applied to the Texas Commission on Environmental Quality (TCEQ) for proposed Texas Pollutant Discharge Elimination System (TPDES) Permit No. WQ0016103001 (EPA I.D. No. TX0142361) to authorize the discharge of treated wastewater at a volume not to exceed a daily average flow of 500,000 gallons per day. The domestic wastewater treatment facility will be located at 1006 Shankle Road, Palmer, in Ellis County, Texas 75152. The discharge route will be from the plant site to an unnamed tributary, thence to Fourmile Creek; thence to Village Creek; thence to the Upper Trinity River. TCEQ received this application on January 31, 2022. The permit application is available for viewing and copying at Ennis Public Library, Front Desk, 501 West Ennis Avenue, Ennis, Texas. This link to an electronic map of the site or facility's general location is provided as a public courtesy and not part of the application or notice. For the exact location, refer to the application.

<https://tceq.maps.arcgis.com/apps/webappviewer/index.html?id=db5bac44afbc468bbdd8360181682501&marker=96.606006%2C32.41228&level=12>

ADDITIONAL NOTICE. TCEQ's Executive Director has determined the application is administratively complete and will conduct a technical review of the application. After technical review of the application is complete, the Executive Director may prepare a draft permit and will issue a preliminary decision on the application. Notice of the Application and Preliminary Decision will be published and mailed to those who are on the county-wide mailing list and to those who are on the mailing list for this application. That notice will contain the deadline for submitting public comments.

PUBLIC COMMENT / PUBLIC MEETING. You may submit public comments or request a public meeting on this application. The purpose of a public meeting is to provide the opportunity to submit comments or to ask questions about the application. TCEQ will hold a public meeting if the Executive Director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing.

OPPORTUNITY FOR A CONTESTED CASE HEARING. After the deadline for submitting public comments, the Executive Director will consider all timely comments and prepare a response to all relevant and material, or significant public comments. Unless the application is directly referred for a contested case hearing, the response to comments, and the Executive Director's decision on the application, will be mailed to everyone who submitted public comments and to those persons who are on the mailing list for this application. If comments are received, the mailing will also provide instructions for requesting reconsideration of the Executive Director's decision and for requesting a contested case hearing. A contested case hearing is a legal proceeding similar to a civil trial in state district court.

TO REQUEST A CONTESTED CASE HEARING, YOU MUST INCLUDE THE FOLLOWING ITEMS IN YOUR REQUEST: your name, address, phone number; applicant's name and proposed permit number; the location and distance of your property/activities relative to the proposed facility; a specific description of how you would be adversely affected by the facility in a way not common to the general public; a list of all disputed issues of fact that you submit during the comment period and, the statement "[I/we] request a contested case hearing." If the request for contested case hearing is filed on behalf of a group or association, the request must designate an individual member of the group who would be adversely affected by the proposed facility or activity; provide the information discussed above regarding the affected member's location and distance from the facility or activity; explain how and why the member would be affected; and explain how the interests the group seeks to protect are relevant to the group's purpose.

Following the close of all applicable comment and request periods, the Executive Director will forward the application and any requests for reconsideration or for a contested case hearing to the TCEQ Commissioners for their consideration at a scheduled Commission meeting.

The Commission may only grant a request for a contested case hearing on issues the requestor submitted in their timely comments that were not subsequently withdrawn. If a hearing is granted, the subject of a hearing will be limited to disputed issues of fact or mixed questions of fact and law relating to relevant and material water quality concerns submitted during the comment period.

MAILING LIST. If you submit public comments, a request for a contested case hearing or a reconsideration of the Executive Director's decision, you will be added to the mailing list for this specific application to receive future public notices mailed by the Office of the Chief Clerk. In addition, you may request to be placed on: (1) the permanent mailing list for a specific applicant name and permit number; and/or (2) the mailing list for a specific county. If you wish to be placed on the permanent and/or the county mailing list, clearly specify which list(s) and send your request to TCEQ Office of the Chief Clerk at the address below.

INFORMATION AVAILABLE ONLINE. For details about the status of the application, visit the Commissioners' Integrated Database at www.tceq.texas.gov/goto/cid. Search the database using the permit number for this application, which is provided at the top of this notice.

AGENCY CONTACTS AND INFORMATION. Public comments and requests must be submitted either electronically at <https://www.tceq.texas.gov/eplc/eComment/>, or in writing to the Texas Commission on Environmental Quality, Office of the Chief Clerk, MC-105, P.O. Box 13087, Austin, Texas 78711-3087. Please be aware that any contact information you provide, including your name, phone number, email address, and physical address will become part of the agency's public record. For more information about this permit application or the permitting process, please call the TCEQ Public Education Program, Toll Free, at 1-800-687-4040 or visit their website at www.tceq.texas.gov/goto/pep. Si desea información en Español, puede llamar al 1-800-687-4040.

Further information may also be obtained from Stephen Richard Selinger at the address stated above or by calling Mr. Stephen Selinger at 817-421-0731. Issuance Date: March 30, 2022

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

NOTICE OF RECEIPT OF APPLICATION AND INTENT TO OBTAIN WATER QUALITY PERMIT

PROPOSED PERMIT NO. WQ0016103001

APPLICATION. Stephen Richard Selinger, 620 Truelove Trail, Southlake, Texas 76092, has applied to the Texas Commission on Environmental Quality (TCEQ) for proposed Texas Pollutant Discharge Elimination System (TPDES) Permit No. WQ0016103001 (EPA I.D. No. TX0142361) to authorize the discharge of treated wastewater at a volume not to exceed a daily average flow of 500,000 gallons per day. The domestic wastewater treatment facility will be located at 1008 Shankle Road, Palmer, in Ellis County, Texas 75152. The discharge route will be from the plant site to an unnamed tributary; thence to Fourmile Creek; thence to Village Creek; thence to the Upper Trinity River. TCEQ received this application on January 31, 2022. The permit application is available for viewing and copying at Ennis Public Library, Front Desk, 501 West Ennis Avenue, Ennis, Texas. This link to an electronic map of the site or facility's general location is provided as a public courtesy and not part of the application or notice. For the exact location, refer to the application.

<https://tceq.maps.arcgis.com/apps/webappviewer/index.html?id=db5bac44afbc468bbddd36of816825of&marker=-96.606006%2C32.41229&level=12>

ADDITIONAL NOTICE. TCEQ's Executive Director has determined the application is administratively complete and will conduct a technical review of the application. After technical review of the application is complete, the Executive Director may prepare a draft permit and will issue a preliminary decision on the application. **Notice of the Application and Preliminary Decision will be published and mailed to those who are on the county-wide mailing list and to those who are on the mailing list for this application. That notice will contain the deadline for submitting public comments.**

PUBLIC COMMENT / PUBLIC MEETING. You may submit public comments or request a public meeting on this application. The purpose of a public meeting is to provide the opportunity to submit comments or to ask questions about the application. TCEQ will hold a public meeting if the Executive Director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing.

OPPORTUNITY FOR A CONTESTED CASE HEARING. After the deadline for submitting public comments, the Executive Director will consider all timely comments and prepare a response to all relevant and material, or significant public comments. **Unless the application is directly referred for a contested case hearing, the response to comments, and the Executive Director's decision on the application, will be mailed to everyone who submitted public comments and to those persons who are on the mailing list for this application. If comments are received, the mailing will also provide**

instructions for requesting reconsideration of the Executive Director's decision and for requesting a contested case hearing. A contested case hearing is a legal proceeding similar to a civil trial in state district court.

TO REQUEST A CONTESTED CASE HEARING, YOU MUST INCLUDE THE FOLLOWING ITEMS IN YOUR REQUEST: your name, address, phone number; applicant's name and proposed permit number; the location and distance of your property/activities relative to the proposed facility; a specific description of how you would be adversely affected by the facility in a way not common to the general public; a list of all disputed issues of fact that you submit during the comment period and, the statement "[I/we] request a contested case hearing." If the request for contested case hearing is filed on behalf of a group or association, the request must designate the group's representative for receiving future correspondence; identify by name and physical address an individual member of the group who would be adversely affected by the proposed facility or activity; provide the information discussed above regarding the affected member's location and distance from the facility or activity; explain how and why the member would be affected; and explain how the interests the group seeks to protect are relevant to the group's purpose.

Following the close of all applicable comment and request periods, the Executive Director will forward the application and any requests for reconsideration or for a contested case hearing to the TCEQ Commissioners for their consideration at a scheduled Commission meeting.

The Commission may only grant a request for a contested case hearing on issues the requestor submitted in their timely comments that were not subsequently withdrawn. **If a hearing is granted, the subject of a hearing will be limited to disputed issues of fact or mixed questions of fact and law relating to relevant and material water quality concerns submitted during the comment period.**

MAILING LIST. If you submit public comments, a request for a contested case hearing or a reconsideration of the Executive Director's decision, you will be added to the mailing list for this specific application to receive future public notices mailed by the Office of the Chief Clerk. In addition, you may request to be placed on: (1) the permanent mailing list for a specific applicant name and permit number; and/or (2) the mailing list for a specific county. If you wish to be placed on the permanent and/or the county mailing list, clearly specify which list(s) and send your request to TCEQ Office of the Chief Clerk at the address below.

INFORMATION AVAILABLE ONLINE. For details about the status of the application, visit the Commissioners' Integrated Database at www.tceq.texas.gov/goto/cid. Search the database using the permit number for this application, which is provided at the top of this notice.

AGENCY CONTACTS AND INFORMATION. Public comments and requests must be submitted either electronically at <https://www14.tceq.texas.gov/epic/eComment/>, or in writing to the Texas Commission on Environmental Quality, Office of the Chief Clerk, MC-105, P.O. Box 13087, Austin, Texas 78711-3087. Please be aware that any contact information you provide, including your name, phone number, email address, and physical address will become part of the agency's public record. For more information about this permit application or the permitting process, please call the TCEQ Public Education Program, Toll Free, at 1-800-687-4040 or visit their website at www.tceq.texas.gov/goto/pep. Si desea información en Español, puede llamar al 1-800-687-4040.

Further information may also be obtained from Stephen Richard Selinger at the address stated above or by calling Mr. Stephen Selinger at 817-421-0731.

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

Protecting Texas by Reducing and Preventing Pollution

March 30, 2022

Mr. Charles Gillespie
President
Consulting Environmental Engineers, Inc.
150 North Harbin, Drive, Suite 408
Stephenville, Texas 76401

RE: Declaration of Administrative Completeness
Applicant Name: Stephen Richard Selinger (CN605815893)
Permit No.: WQ0016103001 (EPA I.D. No. TX0142361)
Site Name: Shankle Road WWTP (RN 111421533)
Type of Application: New

Dear Mr. Gillespie:

The executive director has declared the above referenced application, received on January 31, 2022 administratively complete on March 30, 2022.

You are now required to publish notice of your proposed activity and make a copy of the application available for public review. The following items are included to help you meet the regulatory requirements associated with this notice:

- Instructions for Public Notice
- Notice for Newspaper Publication
- Public Notice Verification Form
- Publisher's Affidavits

You must follow all the directions in the enclosed instructions. The most common mistakes are the unauthorized changing of notice, wording, or font. If you fail to follow these instructions, you may be required to republish the notices.

The following requirements are also described in the enclosed instructions. However, due to their importance, they are highlighted here as well.

1. Publish the enclosed notice within **30 calendar days** after your application is declared administratively complete. (See this letter's first paragraph for the declaration date.) **You may be required to publish the notice in more than one newspaper, including a newspaper published in an alternative language, to satisfy all of the notice requirements.**

Declaration of Administrative Completeness

Page 2

March 30, 2022

2. On or before the date you publish notice, place a copy of your permit application in a public place in the county where the facility is or will be located. This copy must be accessible to the public for review and copying, must be updated to reflect changes to the application, and must remain in place throughout the comment period.
3. For each publication, submit proof of publication of the notice that shows the publication date and newspaper name to the Office of the Chief Clerk within **30 calendar days** after notice is published in the newspaper.
4. Return the original enclosed Public Notice Verification and the Publisher's Affidavits to the Office of the Chief Clerk within **30 calendar days** after the notice is published in the newspaper.

If you do not comply with all the requirements described in the instructions, further processing of your application may be suspended or the agency may take other actions.

If you have any questions regarding publication requirements, please contact the Office of Legal Services at (512) 239-0600. If you have any questions regarding the content of the notice, please contact Abesha Michael at (512) 239-4912.

Sincerely,

Erika Crespo, Assistant Deputy Director
Applications Review and Processing Team (MC-148)
Water Quality Division

EC/ahm

Enclosures

Texas Commission on Environmental Quality
Instructions for Public Notice for a Water Quality Permit
Notice of Receipt of Application and Intent to Obtain Permit (NORI)

Your application has been declared administratively complete. You must comply with the following instructions. There are seven (7) steps involved in publishing notice. Complete each step.

1. REVIEW THE NOTICE FOR ACCURACY

Read the enclosed notice carefully and notify the Application Review and Processing Team at 512-239-4671 immediately if it contains any errors or omissions. You are responsible for ensuring the accuracy of all information published. Do not change the text or formatting of the notice or affidavit of publication without prior approval from the TCEQ. Changing the text or formatting of the notice may require new publication at your expense and delay processing of your application.

2. PUBLISH THE NOTICE IN THE NEWSPAPER

You must publish the enclosed notice within 30 days after the date of administrative completeness. Refer to the cover letter for the date of administrative completeness.

You must publish the enclosed notice at your expense, at least once in the newspaper of largest circulation within each county where the facility and discharge point are located or will be located. If the facility and discharge point are located or will be located in a municipality, the enclosed notice must be published at least once in a newspaper of general circulation in the municipality. These requirements may be satisfied by one publication if the newspaper meets all of the above requirements.

The bold text of the enclosed notice must be printed in the newspaper in a font style or size that distinguishes it from the rest of the notice (i.e., bold, italics). Failure to do so may require re-notice.

3. PUBLISH THE NOTICE IN AN ALTERNATIVE LANGUAGE

You must publish notice in an alternative language IF: either the elementary or middle school nearest to the facility or proposed facility is required to provide a "bilingual education program" (BEP) as required by Texas Education Code (TEC), Chapter 29, Subchapter B, and 19 Tex. Admin. Code §89.1205(a) AND one of the following conditions is met:

- students are enrolled in a program at that school;
- students from that school attend a bilingual education program at another location; or
- the school that otherwise would be required to provide a bilingual education program has been granted an exception from the requirements to provide the program as provided for in 19 Tex. Admin. Code §89.1207(a).

A "bilingual education program" is different from an "English as a second language program" (ESL). An ESL program alone, will not require public notice in an alternative language.

If triggered, you must publish the notice in a newspaper or publication primarily published in the alternative language taught in the bilingual education program. Publication in an alternative language section or insert within a large publication which is not printed primarily in that alternative language does not satisfy these requirements. The newspaper or publication must be of general circulation in the county in which the facility and discharge point are located or proposed to be located. If the facility and discharge point are located or proposed to be located in a municipality, and there exists a newspaper or publication of general circulation in the municipality, you must publish the notice only in the newspaper or publication in the municipality.

You must demonstrate a good faith effort to identify a newspaper or publication in the required language. If there is no general circulation newspaper or publication printed in such language, then publishing in that language is not required. You have the burden to demonstrate compliance with these requirements.

If you are required to publish notice in Spanish, you must translate the site-specific information in the notice that is specific to your application, at your own expense. You may then insert the Spanish translation of your site-specific information into a Spanish template developed by the TCEQ. The Spanish templates are available on the TCEQ website at

http://www.tceq.texas.gov/permitting/wastewater/review/wqspanish_nori.html. If you are required to publish notice in a language other than Spanish, you must translate the entire public notice, at your own expense.

4. PUT THE APPLICATION IN A PUBLIC PLACE

You must put a copy of the administratively complete application in the public place identified in the enclosed notice.

This copy must be accessible to the public for review and copying beginning on the first day of newspaper publication and remain in place for the publication's designated comment period.

During the technical review, you must update the publicly available application so that it includes all application revisions within 10 business days from the date the revision is transmitted to the TCEQ.

For confidential information contained in the application, you must indicate which specific portions of the application cannot be made available to the public. These portions of the application must be accompanied with the following statement:

"Any request for portions of this application that are marked as confidential must be submitted in writing, pursuant to the Public Information Act, to the TCEQ Public Information Coordinator, MC 197, P.O. Box 13087, Austin, Texas 78711-3087."

5. PROVIDE PROOF OF PUBLICATION

For each newspaper in which you published, you must submit proof of publication. Proof of publication must include the following:

- a completed Publisher's Affidavit (enclosed); and
- a copy of the published notice which shows the notice, the date published, and the newspaper name. The copy must be on standard-size 8½ x 11" paper and must show the actual size of the published notice. Do not reduce the

image when making copies. Published notices longer than 11" must be copied onto multiple 8½ x 11" pages. Or you can submit the original newspaper clipping.

If you are required to publish notice in an alternative language and are unable to do so, complete and submit the Alternative Language Exemption form (enclosed).

6. PROVIDE PROOF OF APPLICATION VIEWING LOCATION

You must submit a completed Public Notice Verification Form (enclosed) which certifies that the administratively complete application was placed at the public place identified in the enclosed notice.

7. SUBMIT PROOFS TO TCEQ

The proof of publication documents (Step 5) and the completed Public Notice Verification Form (Step 6) must be submitted to TCEQ within 30 days of publication.

By email to: PROOFS@tceq.texas.gov

OR by mail at:

TCEQ

Office of the Chief Clerk, MC 105

Attn: Notice Team

P.O. Box 13087

Austin, Texas 78711-3087

NOTE: If proofs are submitted by email, you do not have to mail in the original documents.

Additional Information

If you fail to publish the notice or submit proofs within the timeframes noted above, the TCEQ may suspend further processing on your application or take other actions in accordance with 30 Tex. Admin. Code §39.405(a).

If you have any questions regarding publication requirements, please contact the Office of Legal Services at 512-239-0600. If you have any questions regarding the content of the notice, please contact the Wastewater Permitting Section at 512-239-4671. When contacting TCEQ regarding this application, please refer to the permit number at the top of the enclosed notice.

If you wish to obtain an electronic copy of the notice, please visit our web site at http://www.tceq.texas.gov/agency/cc/cc_db.html or <http://www.tceq.texas.gov/agency/cc/eda.html>. Please be aware that formatting codes may be lost and that any notices downloaded from these web sites must be reformatted by you so that your downloaded copy looks like the notice document you received from us.

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

Protecting Texas by Reducing and Preventing Pollution

March 30, 2022

Mr. Charles Gillespie
President
Consulting Environmental Engineers, Inc.
150 North Harbin, Drive, Suite 408
Stephenville, Texas 76401

RE: Declaration of Administrative Completeness
Applicant Name: Stephen Richard Selinger (CN605815893)
Permit No.: WQ0016103001 (EPA I.D. No. TX0142361)
Site Name: Shankle Road WWTP (RN 111421533)
Type of Application: New

Dear Mr. Gillespie:

The executive director has declared the above referenced application, received on January 31, 2022 administratively complete on March 30, 2022.

You are now required to publish notice of your proposed activity and make a copy of the application available for public review. The following items are included to help you meet the regulatory requirements associated with this notice:

- Instructions for Public Notice
- Notice for Newspaper Publication
- Public Notice Verification Form
- Publisher's Affidavits

You must follow all the directions in the enclosed instructions. The most common mistakes are the unauthorized changing of notice, wording, or font. If you fail to follow these instructions, you may be required to republish the notices.

The following requirements are also described in the enclosed instructions. However, due to their importance, they are highlighted here as well.

1. Publish the enclosed notice within **30 calendar days** after your application is declared administratively complete. (See this letter's first paragraph for the declaration date.) **You may be required to publish the notice in more than one newspaper, including a newspaper published in an alternative language, to satisfy all of the notice requirements.**

Declaration of Administrative Completeness

Page 2

March 30, 2022

2. On or before the date you publish notice, place a copy of your permit application in a public place in the county where the facility is or will be located. This copy must be accessible to the public for review and copying, must be updated to reflect changes to the application, and must remain in place throughout the comment period.
3. For each publication, submit proof of publication of the notice that shows the publication date and newspaper name to the Office of the Chief Clerk within **30 calendar days** after notice is published in the newspaper.
4. Return the original enclosed Public Notice Verification and the Publisher's Affidavits to the Office of the Chief Clerk within **30 calendar days** after the notice is published in the newspaper.

If you do not comply with all the requirements described in the instructions, further processing of your application may be suspended or the agency may take other actions.

If you have any questions regarding publication requirements, please contact the Office of Legal Services at (512) 239-0600. If you have any questions regarding the content of the notice, please contact Abesha Michael at (512) 239-4912.

Sincerely,

Erika Crespo, Assistant Deputy Director
Applications Review and Processing Team (MC-148)
Water Quality Division

Enclosures

bcc: TCEQ Region 4, Water Program Manager

Texas Commission on Environmental Quality
Instructions for Public Notice for a Water Quality Permit
Notice of Receipt of Application and Intent to Obtain Permit (NORI)

Your application has been declared administratively complete. You must comply with the following instructions. There are seven (7) steps involved in publishing notice. Complete each step.

1. REVIEW THE NOTICE FOR ACCURACY

Read the enclosed notice carefully and notify the Application Review and Processing Team at 512-239-4671 immediately if it contains any errors or omissions. You are responsible for ensuring the accuracy of all information published. Do not change the text or formatting of the notice or affidavit of publication without prior approval from the TCEQ. Changing the text or formatting of the notice may require new publication at your expense and delay processing of your application.

2. PUBLISH THE NOTICE IN THE NEWSPAPER

You must publish the enclosed notice within 30 days after the date of administrative completeness. Refer to the cover letter for the date of administrative completeness.

You must publish the enclosed notice at your expense, at least once in the newspaper of largest circulation within each county where the facility and discharge point are located or will be located. If the facility and discharge point are located or will be located in a municipality, the enclosed notice must be published at least once in a newspaper of general circulation in the municipality. These requirements may be satisfied by one publication if the newspaper meets all of the above requirements.

The bold text of the enclosed notice must be printed in the newspaper in a font style or size that distinguishes it from the rest of the notice (i.e., bold, italics). Failure to do so may require re-notice.

3. PUBLISH THE NOTICE IN AN ALTERNATIVE LANGUAGE

You must publish notice in an alternative language IF: either the elementary or middle school nearest to the facility or proposed facility is required to provide a "bilingual education program" (BEP) as required by Texas Education Code (TEC), Chapter 29, Subchapter B, and 19 Tex. Admin. Code §89.1205(a) AND one of the following conditions is met:

- students are enrolled in a program at that school;
- students from that school attend a bilingual education program at another location; or
- the school that otherwise would be required to provide a bilingual education program has been granted an exception from the requirements to provide the program as provided for in 19 Tex. Admin. Code §89.1207(a).

A "bilingual education program" is different from an "English as a second language program" (ESL). An ESL program alone, will not require public notice in an alternative language.

If triggered, you must publish the notice in a newspaper or publication primarily published in the alternative language taught in the bilingual education program. Publication in an alternative language section or insert within a large publication which is not printed primarily in that alternative language does not satisfy these requirements. The newspaper or publication must be of general circulation in the county in which the facility and discharge point are located or proposed to be located. If the facility and discharge point are located or proposed to be located in a municipality, and there exists a newspaper or publication of general circulation in the municipality, you must publish the notice only in the newspaper or publication in the municipality.

You must demonstrate a good faith effort to identify a newspaper or publication in the required language. If there is no general circulation newspaper or publication printed in such language, then publishing in that language is not required. You have the burden to demonstrate compliance with these requirements.

If you are required to publish notice in Spanish, you must translate the site-specific information in the notice that is specific to your application, at your own expense. You may then insert the Spanish translation of your site-specific information into a Spanish template developed by the TCEQ. The Spanish templates are available on the TCEQ website at

http://www.tceq.texas.gov/permitting/wastewater/review/wqspanish_nori.html. If you are required to publish notice in a language other than Spanish, you must translate the entire public notice, at your own expense.

4. PUT THE APPLICATION IN A PUBLIC PLACE

You must put a copy of the administratively complete application in the public place identified in the enclosed notice.

This copy must be accessible to the public for review and copying beginning on the first day of newspaper publication and remain in place for the publication's designated comment period.

During the technical review, you must update the publicly available application so that it includes all application revisions within 10 business days from the date the revision is transmitted to the TCEQ.

For confidential information contained in the application, you must indicate which specific portions of the application cannot be made available to the public. These portions of the application must be accompanied with the following statement: "Any request for portions of this application that are marked as confidential must be submitted in writing, pursuant to the Public Information Act, to the TCEQ Public Information Coordinator, MC 197, P.O. Box 13087, Austin, Texas 78711-3087."

5. PROVIDE PROOF OF PUBLICATION

For each newspaper in which you published, you must submit proof of publication. Proof of publication must include the following:

- a completed Publisher's Affidavit (enclosed); and
- a copy of the published notice which shows the notice, the date published, and the newspaper name. The copy must be on standard-size 8½ x 11" paper and must show the actual size of the published notice. Do not reduce the

image when making copies. Published notices longer than 11" must be copied onto multiple 8½ x 11" pages. Or you can submit the original newspaper clipping.

If you are required to publish notice in an alternative language and are unable to do so, complete and submit the Alternative Language Exemption form (enclosed).

6. PROVIDE PROOF OF APPLICATION VIEWING LOCATION

You must submit a completed Public Notice Verification Form (enclosed) which certifies that the administratively complete application was placed at the public place identified in the enclosed notice.

7. SUBMIT PROOFS TO TCEQ

The proof of publication documents (Step 5) and the completed Public Notice Verification Form (Step 6) must be submitted to TCEQ within 30 days of publication.

By email to: PROOFS@tceq.texas.gov

OR by mail at:
TCEQ
Office of the Chief Clerk, MC 105
Attn: Notice Team
P.O. Box 13087
Austin, Texas 78711-3087

NOTE: If proofs are submitted by email, you do not have to mail in the original documents.

Additional Information

If you fail to publish the notice or submit proofs within the timeframes noted above, the TCEQ may suspend further processing on your application or take other actions in accordance with 30 Tex. Admin. Code §39.405(a).

If you have any questions regarding publication requirements, please contact the Office of Legal Services at 512-239-0600. If you have any questions regarding the content of the notice, please contact the Wastewater Permitting Section at 512-239-4671. When contacting TCEQ regarding this application, please refer to the permit number at the top of the enclosed notice.

If you wish to obtain an electronic copy of the notice, please visit our web site at http://www.tceq.texas.gov/agency/cc/cc_db.html or <http://www.tceq.texas.gov/agency/cc/eda.html>. Please be aware that formatting codes may be lost and that any notices downloaded from these web sites must be reformatted by you so that your downloaded copy looks like the notice document you received from us.

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

NOTICE OF RECEIPT OF APPLICATION AND INTENT TO OBTAIN WATER QUALITY PERMIT

PROPOSED PERMIT NO. WQ0016103001

APPLICATION. Stephen Richard Selinger, 620 Truelove Trail, Southlake, Texas 76092, has applied to the Texas Commission on Environmental Quality (TCEQ) for proposed Texas Pollutant Discharge Elimination System (TPDES) Permit No. WQ0016103001 (EPA I.D. No. TX0142361) to authorize the discharge of treated wastewater at a volume not to exceed a daily average flow of 500,000 gallons per day. The domestic wastewater treatment facility will be located at 1008 Shankle Road, Palmer, in Ellis County, Texas 75152. The discharge route will be from the plant site to an unnamed tributary; thence to Fourmile Creek; thence to Village Creek; thence to the Upper Trinity River. TCEQ received this application on January 31, 2022. The permit application is available for viewing and copying at Ennis Public Library, Front Desk, 501 West Ennis Avenue, Ennis, Texas. This link to an electronic map of the site or facility's general location is provided as a public courtesy and not part of the application or notice. For the exact location, refer to the application.

<https://tceq.maps.arcgis.com/apps/webappviewer/index.html?id=db5bac44afbc468bbddd360f8168250f&marker=-96.606006%2C32.41229&level=12>

ADDITIONAL NOTICE. TCEQ's Executive Director has determined the application is administratively complete and will conduct a technical review of the application. After technical review of the application is complete, the Executive Director may prepare a draft permit and will issue a preliminary decision on the application. **Notice of the Application and Preliminary Decision will be published and mailed to those who are on the county-wide mailing list and to those who are on the mailing list for this application. That notice will contain the deadline for submitting public comments.**

PUBLIC COMMENT / PUBLIC MEETING. You may submit public comments or request a public meeting on this application. The purpose of a public meeting is to provide the opportunity to submit comments or to ask questions about the application. TCEQ will hold a public meeting if the Executive Director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing.

OPPORTUNITY FOR A CONTESTED CASE HEARING. After the deadline for submitting public comments, the Executive Director will consider all timely comments and prepare a response to all relevant and material, or significant public comments. **Unless the application is directly referred for a contested case hearing, the response to comments, and the Executive Director's decision on the application, will be mailed to everyone who submitted public comments and to those persons who are on the mailing list for this application. If comments are received, the mailing will also provide**

instructions for requesting reconsideration of the Executive Director's decision and for requesting a contested case hearing. A contested case hearing is a legal proceeding similar to a civil trial in state district court.

TO REQUEST A CONTESTED CASE HEARING, YOU MUST INCLUDE THE FOLLOWING ITEMS IN YOUR REQUEST: your name, address, phone number; applicant's name and proposed permit number; the location and distance of your property/activities relative to the proposed facility; a specific description of how you would be adversely affected by the facility in a way not common to the general public; a list of all disputed issues of fact that you submit during the comment period and, the statement "[I/we] request a contested case hearing." If the request for contested case hearing is filed on behalf of a group or association, the request must designate the group's representative for receiving future correspondence; identify by name and physical address an individual member of the group who would be adversely affected by the proposed facility or activity; provide the information discussed above regarding the affected member's location and distance from the facility or activity; explain how and why the member would be affected; and explain how the interests the group seeks to protect are relevant to the group's purpose.

Following the close of all applicable comment and request periods, the Executive Director will forward the application and any requests for reconsideration or for a contested case hearing to the TCEQ Commissioners for their consideration at a scheduled Commission meeting.

The Commission may only grant a request for a contested case hearing on issues the requestor submitted in their timely comments that were not subsequently withdrawn. **If a hearing is granted, the subject of a hearing will be limited to disputed issues of fact or mixed questions of fact and law relating to relevant and material water quality concerns submitted during the comment period.**

MAILING LIST. If you submit public comments, a request for a contested case hearing or a reconsideration of the Executive Director's decision, you will be added to the mailing list for this specific application to receive future public notices mailed by the Office of the Chief Clerk. In addition, you may request to be placed on: (1) the permanent mailing list for a specific applicant name and permit number; and/or (2) the mailing list for a specific county. If you wish to be placed on the permanent and/or the county mailing list, clearly specify which list(s) and send your request to TCEQ Office of the Chief Clerk at the address below.

INFORMATION AVAILABLE ONLINE. For details about the status of the application, visit the Commissioners' Integrated Database at www.tceq.texas.gov/goto/cid. Search the database using the permit number for this application, which is provided at the top of this notice.

AGENCY CONTACTS AND INFORMATION. Public comments and requests must be submitted either electronically at <https://www14.tceq.texas.gov/epic/eComment/>, or in writing to the Texas Commission on Environmental Quality, Office of the Chief Clerk, MC-105, P.O. Box 13087, Austin, Texas 78711-3087. Please be aware that any contact information you provide, including your name, phone number, email address, and physical address will become part of the agency's public record. For more information about this permit application or the permitting process, please call the TCEQ Public Education Program, Toll Free, at 1-800-687-4040 or visit their website at www.tceq.texas.gov/goto/pep. Si desea información en Español, puede llamar al 1-800-687-4040.

Further information may also be obtained from Stephen Richard Selinger at the address stated above or by calling Mr. Stephen Selinger at 817-421-0731.
