APPLICATION.

Waste Connections Lone Star, Inc. has applied to the Texas Commission on Environmental Quality (TCEQ) for a permit to authorize a municipal solid waste transfer station with a proposed transfer capacity of 2,500 tons per day. TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

INSTRUCTIONS FOR PUBLIC NOTICE For *MSW Permit Programs*

NOTICE OF HEARING

The Chief Clerk's Office of the Texas Commission on Environmental Quality (TCEQ) received a request to directly refer this application to the State Office of Administrative Hearings (SOAH) for a contested case hearing. Therefore, this matter has been referred to SOAH. Now you must comply with the following instructions:

Please Review Notice

We have included in the hearing notice all of the information which we believe is necessary. Please read it carefully and notify us immediately if it contains any errors or omissions. You are responsible for ensuring the accuracy of all information published. You may not change the text of the notice without prior approval from the TCEQ.

Newspaper and Mailed Notice

- You must publish the enclosed Notice of Hearing no less than **30** days before the hearing.
- You must publish the enclosed Notice of Hearing at your expense, in the following newspaper(s):
 - the newspaper of largest general circulation that is published in the county in which the facility is located or proposed to be located (See example A - Affidavit);
 - if a newspaper is not published in the county, the notice must be published in a newspaper of general circulation in the county in which the facility is located or proposed to be located (See example B - Affidavit).
- You must mail notice to each residential or business address located

within 1/2 mile of the facility and to each owner of real property located within 1/2 mile of the facility listed in the real property appraisal records of the appraisal district in which the facility is located. The notice must be mailed to the persons listed as owners in the real property appraisal records on the date the application is determined to be administratively complete. The notice must be mailed no more than 45 days and no less than 30 days before the hearing. Within 30 days after the date of mailing, the applicant must file with the Chief Clerk an affidavit certifying compliance with these obligations. Filing an affidavit certifying facts that constitute compliance with notice requirements creates a rebuttable presumption of compliance with 30 TAC ' 39.501(f)(3)(A).

- You must submit an **original publisher's affidavit** to the Office of the Chief Clerk within **30 calendar days** after the date of publication. **You must use the enclosed affidavit form.** The affidavit must clearly identify the applicant's name and permit number.
- You are encouraged to submit the affidavit with the original newspaper clipping described above; however, the affidavit must be submitted no later than **30** calendar days after publication of notice.
- The **original publisher's affidavit** and **an original newspaper clipping of the published notice** must be mailed to:

TCEQ
Office of the Chief Clerk, MC 105
Attn: SOAH Clerk
P.O. Box 13087
Austin, Texas 78711-3087

- Please ensure that the affidavit and newspaper clipping you send to the Chief Clerk are originals and that all blanks on the affidavit are filled in correctly. Photocopies of newspaper clippings and affidavits will not be accepted.

Failure to Publish and Submit Proof of Publication

You must meet all publication requirements. **If you fail to publish the notice or submit proof of publication *on time*, then** the TCEQ may suspend further processing of your application or take other actions.

Dear Mr. Moore and Mr. O'Connor,

As you know, the Chief Clerk's Office has referred this matter over to the State Office of Administrative Hearings (SOAH) for a contested case hearing on your application.

SOAH will conduct a preliminary hearing via Zoom video conference at:

You are now required to publish notice for this hearing. To help you meet the requirements associated with this notice, we have enclosed the following items:

- Notice for Newspaper Publication
- Instructions for Notice of Hearing
- Affidavit of Publication

Please note that it is VERY IMPORTANT that you follow ALL directions in the ENCLOSED INSTRUCTIONS. If you do not, you may be required to republish the notice. One of the most common mistakes we see is the unauthorized changing of notice wording or font. If you have any questions, please contact us before you proceed with publication.

The following items and time limitations are also described in the enclosed instructions. However, due to their importance, we want to highlight them for you.

1. Publish the enclosed notice within at least **30 calendar days** prior to the date of the hearing.
2. Return **acceptable proof of publication** of the complete notice, which shows publication date and newspaper name, to the TCEQ Office of the Chief Clerk within **10 business days** after notice is published in the newspaper.
3. File the original enclosed *Affidavit of Publication* with the TCEQ Office of the Chief Clerk within **30 calendar days** after the notice is published in the newspaper.

As required by 30 TAC § 80.118(c), the TCEQ Office of the Chief Clerk (OCC) will provide the administrative record to SOAH, and will retain one copy for its files. In addition, one copy of the administrative record will be provided to you by the OCC on CD. Neither SOAH nor TCEQ is responsible for providing additional copies to the parties. However, the OCC can provide copies upon request.

The administrative record is not in evidence until properly offered by motion of a party, and subsequently admitted by the Administrative Law Judge, pursuant to 30 TAC § 80.127(h). The party seeking admission of the administrative record must supply copies to the other parties in the proceeding at the time it is offered, or by agreement of the parties.

TCEQ Docket No. 2025-0209-MSW
MSW Permit No. 2420

APPLICATION.

Waste Connections Lone Star, Inc. has applied to the Texas Commission on Environmental Quality (TCEQ) for a permit to authorize a municipal solid waste transfer station with a proposed transfer capacity of 2,500 tons per day. The facility is proposed to be located at 10244 FM 1346, Adkins, Texas 78101, in Bexar County. TCEQ received this application on January 22, 2024. The following link to an electronic map of the site or facility's general location is provided as a public courtesy and is not part of the application or notice: <https://arcg.is/XPGHno>.

The TCEQ Executive Director has completed the technical review of the application and prepared a draft permit. The draft permit, if approved, would establish the conditions under which the facility must operate. The Executive Director has made a preliminary decision that this permit, if issued, meets all statutory and regulatory requirements. The permit application, Executive Director's preliminary decision, and draft permit are available for viewing and copying at Schafer Library, 6322 US Hwy 87 E, San Antonio, Texas 78222.

Comisión de Calidad Ambiental de Texas

**Aviso de Solicitud y de Decisión Preliminar sobre
Permiso de Desechos Sólidos Municipales
Núm. Propuesto de Permiso: 2420**

Solicitud y decisión preliminar. Waste Connections Lone Star, Inc. ha solicitado a la Comisión de Calidad Ambiental de Texas (la TCEQ) un permiso para autorizar una estación de transferencia de residuos sólidos urbanos con una capacidad de transferencia propuesta de 2,500 toneladas diarias. Se propone que la instalación se ubique en 10244 FM 1346, Adkins, Texas 78101, in Condado de Bexar. La TCEQ recibió la solicitud el 22 de enero de 2024. El siguiente es un enlace a un mapa electrónico de la ubicación general del sitio o instalación que se proporciona como una cortesía pública y no es parte de la solicitud o el aviso: <https://arcgis.com/arcgis/rest/services/Statewide/MapServer?appid=arcgis.com>. Para la ubicación exacta, favor de consultar la solicitud.

La Directora Ejecutiva de la TCEQ ha completado la revisión técnica de la solicitud y ha preparado un proyecto de permiso el cual, de ser aprobado, establecería las condiciones bajo las cuales debe operar la instalación. La Directora Ejecutiva ha tomado la decisión preliminar de que este permiso (de ser concedido) cumple con todos los requisitos regulatorios y establecidos por la ley. La solicitud de permiso, la decisión preliminar de la Directora Ejecutiva y el proyecto de permiso están disponibles para su consulta y copia en Schafer Library, 6322 US Hwy 87 E, San Antonio, Texas 78222 y se puede ver en línea en www.tceq.texas.gov/wasteapps.

Comentarios públicos / Reunión pública. Es posible presentar comentarios públicos o bien solicitar una reunión pública sobre esta solicitud. El propósito de una reunión pública es ofrecer la oportunidad de presentar comentarios o hacer preguntas sobre la solicitud. La TCEQ lleva a cabo una reunión pública si la Directora Ejecutiva determina que hay un grado significativo de interés público en la solicitud o si la solicita un legislador local. Una reunión pública no es una audiencia de caso impugnado.

Oportunidad para una audiencia de caso impugnado. Después de la fecha límite para presentar comentarios públicos, la Directora Ejecutiva tomará en cuenta todos los comentarios puntuales y preparará una respuesta a todos los comentarios públicos sustanciales o significativos. A menos que la solicitud se refiera directamente a una audiencia de caso impugnado, la respuesta a los comentarios y la decisión de la Directora Ejecutiva sobre la solicitud se enviarán por correo a todas las personas que hayan presentado comentarios públicos y a aquellas personas que están en la lista de correo de esta solicitud. Si se reciben comentarios, el envío de correo también ofrecerá instrucciones para solicitar una audiencia de caso impugnado o una reconsideración de la decisión de la Directora Ejecutiva. Una persona que puede ser afectada por la instalación propuesta tiene el derecho a solicitar de la TCEQ una audiencia de caso impugnado. Una audiencia de caso impugnado es un procedimiento judicial similar a un juicio civil en un tribunal de distrito estatal.

Para solicitar una audiencia de caso impugnado, es necesario incluir lo siguiente en su solicitud: Su nombre, dirección, número de teléfono, el nombre del solicitante y el número de permiso, la ubicación y distancia de su propiedad/actividades en relación con la instalación, una descripción específica de cómo sería afectado(a) negativamente por esta instalación de una manera que no sea común para el público en general, una lista de las cuestiones de hecho en disputa que planteó durante el periodo de comentarios, y el siguiente enunciado: "[I/we] request a contested case hearing" ("Yo solicito/nosotros solicitamos] una audiencia de caso impugnado"). Si la solicitud de audiencia de caso impugnado se presenta en nombre de un grupo o una asociación, la solicitud debe designar al representante del grupo para que reciba correspondencia en el futuro. Favor de identificar con su nombre y dirección física a un miembro individual del grupo que sería afectado negativamente por la instalación o la actividad. Proporcionar la información mencionada sobre la ubicación del miembro afectado y la distancia de la instalación o actividad, y explicar cómo y por qué el miembro se vería afectado, así como por qué los intereses que el grupo busca proteger son relevantes para el propósito del grupo.

Tras la conclusión de todos los periodos de comentarios y de solicitud aplicables, la Directora Ejecutiva enviará la solicitud y cualquier solicitud de reconsideración o para una audiencia de caso a los comisionados para su consideración en una reunión programada de la TCEQ. La Comisión solo puede conceder una solicitud para una audiencia de caso impugnado sobre cuestiones que el solicitante presentó en sus comentarios puntuales que no fueron retirados posteriormente. Si se concede una audiencia, el tema de ésta se limitará a cuestiones de hecho en disputa o preguntas de hecho y de derecho mixtas que sean sustanciales y relevantes a la decisión de la Comisión sobre la solicitud presentados durante el periodo de comentarios.

Acción de la Directora Ejecutiva. La Directora Ejecutiva puede emitir una aprobación final de la solicitud a menos que se presente puntualmente una solicitud de audiencia de caso impugnado o una solicitud de reconsideración. Si se presenta cualquiera de estas dos solicitudes, la directora no emitirá la aprobación final del permiso y enviará ambas solicitudes a los comisionados para su consideración en una reunión programada de la TCEQ.

Lista de correo. Si presenta comentarios públicos, una solicitud de audiencia de caso impugnado o una reconsideración de la decisión de la Directora Ejecutiva, será agregado(a) a la lista de correo de esta solicitud para recibir avisos públicos futuros enviados por la Secretaría Oficial de la TCEQ. Además, puede solicitar ser incluido(a) en: (1) la lista permanente de correo para el nombre y número de permiso de un solicitante específico, o (2) la lista de correo para un condado específico. Para ser parte de cualquiera de estas dos listas, especificar claramente a cuál(es) listas desea pertenecer y enviar su solicitud a la Secretaría Oficial de la TCEQ en la dirección que aparece más abajo.

Información disponible en línea. Para detalles sobre el estado de la solicitud, favor de visitar la Base de Datos Integrada de los Comisionados (CID, por sus siglas en inglés) a través de www.tceq.texas.gov/goto/cid y una vez que se tenga acceso, ingresar el número de permiso para esta solicitud que aparece al principio de este aviso.

Contactos de la agencia e información. Todos los comentarios públicos y solicitudes deben presentarse dentro de los 30 días posteriores a la fecha de la publicación de este aviso en el periódico, ya sea electrónicamente a través de www14.tceq.texas.gov/epic/eComment/ o enviarse por escrito a la siguiente dirección: Texas Commission on Environmental Quality, Office of the Chief Clerk, MC-105, P.O. Box 13087, Austin, Texas 78711-3087. Favor de tener presente que cualquier información de contacto que proporcione (su nombre, teléfono, dirección de correo electrónico y dirección física inclusive) será parte de los registros públicos de la agencia. If **a**, **b**, or **c** is checked, then an alternative language notice *is required*. If **d** ("None of the above") is checked, then an alternative language notice is *not* required.

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

Notice of Application and Preliminary Decision for Municipal Solid Waste Permit

Proposed Permit No. 2420

Application and Preliminary Decision. Waste Connections Lone Star, Inc. has applied to the Texas Commission on Environmental Quality (TCEQ) for a permit to authorize a municipal solid waste transfer station with a proposed transfer capacity of 2,500 tons per day. The facility is proposed to be located at 10244 FM 1346, Adkins, Texas 78101, in Bexar County. TCEQ received this application on January 22, 2024. The following link to an electronic map of the site or facility's general location is provided as a public courtesy and is not part of the application or notice: <https://arcg.is/XPGHn0>. For the exact location, refer to the application.

The TCEQ Executive Director has completed the technical review of the application and prepared a draft permit. The draft permit, if approved, would establish the conditions under which the facility must operate. The Executive Director has made a preliminary decision that this permit, if issued, meets all statutory and regulatory requirements. The permit application, Executive Director's preliminary decision, and draft permit are available for viewing and copying at Schafer Library, 6322 US Hwy 87 E, San Antonio, Texas 78222. The application, including updates, is available electronically at the following webpage: www.tceq.texas.gov/goto/wasteapps.

Alternative Language Notice / Aviso en idioma alternativo. Alternative language notice in Spanish is available at www.tceq.texas.gov/goto/wasteapps. El aviso en idioma alternativo en español está disponible en www.tceq.texas.gov/goto/wasteapps.

Public Comment / Public Meeting. You may submit public comments or request a public meeting about this application. The purpose of a public meeting is to provide the opportunity to submit comments or to ask questions about the application. TCEQ holds a public meeting if the Executive Director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing.

Opportunity for a Contested Case Hearing. After the deadline for submitting public comments, the Executive Director will consider all timely comments and prepare a response to all relevant and material or significant public comments. **Unless the application is directly referred for a contested case hearing, the response to comments and the Executive Director's decision on the application will be mailed to everyone who submitted public comments and to those persons who are on the mailing list for this application.** If comments are received, the mailing will also provide instructions for requesting a contested case hearing or reconsideration of the Executive Director's decision. A person who may be affected by the proposed facility is entitled to request a contested case hearing from the commission. A contested case hearing is a legal proceeding similar to a civil trial in a state district court.

To Request a Contested Case Hearing, You Must Include the Following Items in Your Request: Your name, address, phone; applicant's name and permit number; the location and distance of your property/activities relative to the facility; a specific description of how you would be adversely affected by the facility in a way not common to

the general public; a list of all disputed issues of fact that you submit during the comment period; and the statement "[I/we] request a contested case hearing." If the request for contested case hearing is filed on behalf of a group or association, the request must designate the group's representative for receiving future correspondence; identify by name and physical address an individual member of the group who would be adversely affected by the facility or activity; provide the information discussed above regarding the affected member's location and distance from the facility or activity; explain how and why the member would be affected; and explain how the interests the group seeks to protect are relevant to the group's purpose.

Following the close of all applicable comment and request periods, the Executive Director will forward the application and any requests for reconsideration or for a contested case hearing to the TCEQ Commissioners for their consideration at a scheduled Commission meeting. The Commission may only grant a request for a contested case hearing on issues the requestor submitted in their timely comments that were not subsequently withdrawn.

If a hearing is granted, the subject of a hearing will be limited to disputed issues of fact or mixed questions of fact and law that are relevant and material to the Commission's decision on the application submitted during the comment period.

Executive Director Action. The Executive Director may issue final approval of the application unless a timely contested case hearing request or request for reconsideration is filed. If a timely hearing request or request for reconsideration is filed, the Executive Director will not issue final approval of the permit and will forward the application and request to the TCEQ Commissioners for their consideration at a scheduled Commission meeting.

Mailing List. If you submit public comments, a request for a contested case hearing, or a reconsideration of the Executive Director's decision, you will be added to the mailing list for this application to receive future public notices mailed by the Office of the Chief Clerk. In addition, you may request to be placed on: (1) the permanent mailing list for a specific applicant name and permit number; and/or (2) the mailing list for a specific county. To be placed on the permanent and/or the county mailing list, clearly specify which list(s), and send your request to TCEQ Office of the Chief Clerk at the address below.

Information Available Online. For details about the status of the application, visit the Commissioners' Integrated Database (CID) at www.tceq.texas.gov/goto/cid. Once you have access to the CID using the above link, enter the permit number for this application, which is provided at the top of this notice.

Agency Contacts and Information. All public comments and requests must be submitted within 30 days from the date of newspaper publication of this notice either electronically at www14.tceq.texas.gov/epic/eComment/ or in writing to the Texas Commission on Environmental Quality, Office of the Chief Clerk, MC-105, P.O. Box 13087, Austin, Texas 78711-3087. Please be aware that any contact information you provide, including your name, phone number, email address, and physical address, will become part of the agency's public record. Solicitud y decisión preliminar. Waste Connections Lone Star, Inc. ha solicitado a la Comisión de Calidad Ambiental de Texas (la TCEQ) un permiso para autorizar una estación de transferencia de residuos sólidos urbanos con una capacidad de transferencia propuesta de 2,500 toneladas diarias. Se propone que la instalación se ubique en 10244 FM 1346, Adkins, Texas 78101, in Condado de Bexar. La TCEQ recibió la solicitud el 22 de enero de 2024. El siguiente es un enlace a un mapa electrónico de la ubicación general del sitio o instalación que se proporciona como una cortesía pública y no es parte de la solicitud o el aviso: <https://arcg.is/XPGHn0>. Para la ubicación exacta, favor de consultar la solicitud.

La Directora Ejecutiva de la TCEQ ha completado la revisión técnica de la solicitud y ha preparado un proyecto de permiso el cual, de ser aprobado, establecería las condiciones bajo las cuales debe operar la instalación. La Directora Ejecutiva ha tomado la decisión preliminar de que este permiso (de ser concedido) cumple con todos los requisitos regulatorios y establecidos por la ley. La solicitud de permiso, la decisión preliminar de la Directora Ejecutiva y el proyecto de permiso están disponibles para su consulta y copia en Schafer Library, 6322 US Hwy 87 E, San Antonio, Texas 78222 y se puede ver en línea en www.tceq.texas.gov/wasteapps.

Comentarios públicos / Reunión pública. Es posible presentar comentarios públicos o bien solicitar una reunión pública sobre esta solicitud. El propósito de una reunión pública es ofrecer la oportunidad de presentar comentarios o hacer preguntas sobre la solicitud. La TCEQ lleva a cabo una reunión pública si la Directora Ejecutiva determina que hay un grado significativo de interés público en la solicitud o si la solicita un legislador local. Una reunión pública no es una audiencia de caso impugnado.

Oportunidad para una audiencia de caso impugnado. Después de la fecha límite para presentar comentarios públicos, la Directora Ejecutiva tomará en cuenta todos los comentarios puntuales y preparará una respuesta a todos los comentarios públicos sustanciales o significativos. A menos que la solicitud se refiera directamente a una audiencia de caso impugnado, la respuesta a los comentarios y la decisión de la Directora Ejecutiva sobre la solicitud se enviarán por correo a todas las personas que hayan presentado comentarios públicos y a aquellas personas que están en la lista de correo de esta solicitud. Si se reciben comentarios, el envío de correo también ofrecerá instrucciones para solicitar una audiencia de caso impugnado o una reconsideración de la decisión de la Directora Ejecutiva. Una persona que puede ser afectada por la instalación propuesta tiene el derecho a solicitar de la TCEQ una audiencia de caso impugnado. Una audiencia de caso impugnado es un procedimiento judicial similar a un juicio civil en un tribunal de distrito estatal.

Para solicitar una audiencia de caso impugnado, es necesario incluir lo siguiente en su solicitud: Su nombre, dirección, número de teléfono, el nombre del solicitante y el número de permiso, la ubicación y distancia de su propiedad/actividades en relación con la instalación, una descripción específica de cómo sería afectado(a) negativamente por esta instalación de una manera que no sea común para el público en general, una lista de las cuestiones de hecho en disputa que planteó durante el periodo de comentarios, y el siguiente enunciado: "[I/we] request a contested case hearing" ("*Yo solicito/nosotros*

solicitamos] una audiencia de caso impugnado”). Si la solicitud de audiencia de caso impugnado se presenta en nombre de un grupo o una asociación, la solicitud debe designar al representante del grupo para que reciba correspondencia en el futuro. Favor de identificar con su nombre y dirección física a un miembro individual del grupo que sería afectado negativamente por la instalación o la actividad. Proporcionar la información mencionada sobre la ubicación del miembro afectado y la distancia de la instalación o actividad, y explicar cómo y por qué el miembro se vería afectado, así como por qué los intereses que el grupo busca proteger son relevantes para el propósito del grupo.

Tras la conclusión de todos los periodos de comentarios y de solicitud aplicables, la Directora Ejecutiva enviará la solicitud y cualquier solicitud de reconsideración o para una audiencia de caso a los comisionados para su consideración en una reunión programada de la TCEQ. La Comisión solo puede conceder una solicitud para una audiencia de caso impugnado sobre cuestiones que el solicitante presentó en sus comentarios puntuales que no fueron retirados posteriormente.

Si se concede una audiencia, el tema de ésta se limitará a cuestiones de hecho en disputa o preguntas de hecho y de derecho mixtas que sean sustanciales y relevantes a la decisión de la Comisión sobre la solicitud presentados durante el periodo de comentarios.

Acción de la Directora Ejecutiva. La Directora Ejecutiva puede emitir una aprobación final de la solicitud a menos que se presente puntualmente una solicitud de audiencia de caso impugnado o una solicitud de reconsideración. Si se presenta cualquiera de estas dos solicitudes, la directora no emitirá la aprobación final del permiso y enviará ambas solicitudes a los comisionados para su consideración en una reunión programada de la TCEQ.

Lista de correo. Si presenta comentarios públicos, una solicitud de audiencia de caso impugnado o una reconsideración de la decisión de la Directora Ejecutiva, será agregado(a) a la lista de correo de esta solicitud para recibir avisos públicos futuros enviados por la Secretaría Oficial de la TCEQ. Además, puede solicitar ser incluido(a) en: (1) la lista permanente de correo para el nombre y número de permiso de un solicitante específico, o (2) la lista de correo para un condado específico. Para ser parte de cualquiera de estas dos listas, especificar claramente a cuál(es) listas desea pertenecer y enviar su solicitud a la Secretaría Oficial de la TCEQ en la dirección que aparece más abajo.

Información disponible en línea. Para detalles sobre el estado de la solicitud, favor de visitar la Base de Datos Integrada de los Comisionados (CID, por sus siglas en inglés) a través de www.tceq.texas.gov/goto/cid y una vez que se tenga acceso, ingresar el número de permiso para esta solicitud que aparece al principio de este aviso.

Contactos de la agencia e información. Todos los comentarios públicos y solicitudes deben presentarse dentro de los 30 días posteriores a la fecha de la publicación de este aviso en el periódico, ya sea electrónicamente a través de www14.tceq.texas.gov/epic/eComment/ o enviarse por escrito a la siguiente dirección: Texas Commission on Environmental Quality, Office of the Chief Clerk, MC-105, P.O. Instructions for Public Notice: Notice of Application and Preliminary Decision (NAPD) for Municipal Solid Waste Permit Applications

The Executive Director has completed the technical review of your application and issued a preliminary decision. Now you must comply with the following instructions. Please read all instructions carefully. If you have questions, contact the Waste Permits Division at WPD-PNV@tceq.texas.gov or (512) 239-2335. When contacting TCEQ regarding this application, please refer to the permit number at the top of the enclosed Notice of Application and Preliminary Decision.

A. Reviewing the Notices

We have enclosed:

1. Notice of Application and Preliminary Decision (Notice)
2. Notice of Application and Preliminary Decision (Spanish Notice), *if applicable*

All necessary information is included in the notices. Please read them carefully and notify us immediately if they contain any errors or omissions. You are responsible for ensuring the accuracy of all information published. However, you may not change the text or formatting of the notices or any affidavit of publication without prior approval from TCEQ. If you have any questions regarding the content of the notices, please contact the person reviewing your application (named in the cover letter).

B. Publishing the Notice

You must follow these instructions when publishing the enclosed Notice.

1. Publish at your expense within **45 calendar days** after the date this information was mailed to you (the date of the cover letter).
2. Preserve the original text and emphasis. The **bold** text of the enclosed Notice must be printed in the newspaper in a font style or size that distinguishes it from the rest of the notice (**bold** or *italics*). Failure to do so may require re-notice.
3. Publish in a newspaper (or newspapers) meeting these two requirements. One newspaper may be used if it satisfies both requirements:
 - a. **First Requirement.** You must publish the Notice in either—
 - 1) The newspaper of largest general circulation that is published in the county where the facility is located or is proposed to be located, **or**
 - 2) If a newspaper is not published in the county, any newspaper of general circulation in the county.
 - b. **Second Requirement.** You must publish the Notice at least once in the same newspaper as the Notice of Receipt of Application and Intent to Obtain Permit.

C. Publishing the Alternative Language Notice

If your responses on the NORI Public Notice Verification form (which you submitted for the first notice of your application) indicated that a Spanish-language translation of the Notice is required, then we have included the Spanish Notice in this NAPD package. For further guidance, please review the following requirements.

1. You must publish the public notice in an alternative language if the elementary or middle school nearest to the facility or proposed facility:

- a. Is required to provide a Bilingual Education Program [as required by Texas Educ. Code, Chapter 29, Subchapter B, and 19 Texas Admin. Code §89.1205(a)]

and

- b. At least one of the following conditions is met—
 - Students are enrolled in a Bilingual Education Program at that school; or
 - Students from that school attend a Bilingual Education Program at another location; or
 - The school that otherwise would be required to provide a Bilingual Education Program has waived out of the requirement under 19 Texas Admin. Code §89.1207(a).

2. If you are required to publish an Alternative Language Notice, then you must follow these instructions:

- a. The notice must be written in the alternative language that is taught in the Bilingual Education Program.
- b. You must publish the Alternative Language Notice in a newspaper or publication that is—
 - Primarily published in that alternative language.
 - Of general circulation in the county in which the facility is located or proposed to be located. (**Exception:** If the facility is located or proposed to be located in a municipality, and there exists a newspaper or publication of general circulation in the municipality, you must publish the notice only in the newspaper or publication in the municipality.)
- c. The Notice must be translated as follows—
 - **If translating into Spanish** – The Spanish Notice is enclosed. You may not change the text or formatting of the Notice without prior approval from TCEQ. If the Notice is missing or insufficient, contact the person reviewing your application (named in the cover letter).
 - **If translating into a language other than Spanish** – You must translate the entire Notice at your own expense and submit a copy to TCEQ for posting on the TCEQ website. Before publication, email a copy to the person reviewing your application (named in the cover letter).

You must demonstrate a good faith effort to identify a newspaper or publication in the required language. If there is no general-circulation newspaper or publication printed in such language, then publishing in that language is not required. *Publication in an alternative language section or insert within a large publication which is not printed primarily in that alternative language does not satisfy these requirements.*

D. Posting the Application in a Public Place

Beginning on **the first day of newspaper publication**, you must post copies of the application documents in a public place, for review and copying by the public. In doing so, you must make sure to meet these requirements.

1. The set of copies must include:
 - a. The complete application
 - b. The Executive Director's Preliminary Decision, as contained in the technical summary and fact sheet
 - c. The draft permit
 - d. Any subsequent revisions to these documents

2. The public place must be:
 - a. Located in the county where the facility is located or proposed to be located
 - b. Publicly owned or operated, such as a library, county courthouse, or city hall
3. These copies must be accessible to the public for review and copying and remain in place until TCEQ has either taken action on the application or referred issues to the State Office of Administrative Hearings (SOAH).
4. If the application is submitted to the TCEQ with information marked as **confidential**, you must indicate which specific portions of the application are not being made available to the public. These portions of the application must be accompanied with the following statement:

"Any request for portions of this application that are marked as confidential must be submitted in writing, pursuant to the Public Information Act, to TCEQ Public Information Coordinator, MC 197, P.O. Box 13087, Austin, Texas 78711-3087."

E. Completing the Public Notice Verification Form

You must fill out and submit the attached Public Notice Verification Form. It contains seven sections, six of which are applicable to Municipal Solid Waste permit applications (the broadcast section applies only to Industrial and Hazardous Waste permit applications). All information must be complete and accurate:

- Applicant and Facility Information
- Alternative Language Determination – Recording your completion of required steps.
- Publication Availability for Alternative Language Notice – Documenting your good faith effort to publish the Alternative Language Notice (if applicable).
- Proof of Publication – Noting required attachments and previous submissions.
- Proof of Broadcast – *Not applicable to Municipal Solid Waste permit applications.*
- Public Place for Viewing Application – Recording the location's name and address.
- Verification – Containing signature verifying information is correct; *Unsigned verification forms will be returned.*

Sections F through H, below, provide instructions and deadlines for preparing and submitting the Public Notice Verification Form and supporting documents.

F. Preparing the Proof of Publication

Check each publication to ensure that the notices were accurately published. If a notice was not published correctly, you may have to republish. For each newspaper in which you published, you must obtain proof of publication (a newspaper clipping or "tear sheet") that shows all of the following:

1. Entire text of the notice
2. Date of publication
3. Name of newspaper

G. Preparing the Publisher's Affidavits

Included with these instructions, you will find three Affidavit forms—

1. Publisher's Affidavit #1
2. Publisher's Affidavit #2
3. Publisher's Affidavit for Alternative Language (to be used only if applicable)

You are responsible for ensuring that the enclosed Affidavit forms are completed and notarized according to the following requirements—

1. Make sure each Affidavit clearly identifies the applicant's name and permit number.
2. **Fill out both Affidavits #1 and #2.** *Important: Even if you are using one newspaper to satisfy all publication requirements, you must submit both affidavits.* Check the relevant boxes on both forms to show the criteria that the newspaper satisfies.

H. Submitting the Forms and Supporting Documents to TCEQ

1. Within 10 business days after the date of publication, email copies or scans of the Proof of Publication documents to the Waste Permits Division at WPD-PNV@tceq.texas.gov. (It is recommended that you retain the original newspaper clippings or tear sheets for your records.)
2. Within 30 calendar days after the date of publication, email copies or scans of the remaining documents to the Waste Permits Division at WPD-PNV@tceq.texas.gov.
 - a. Public Notice Verification Form for NAPD
 - b. Publisher's affidavits for each publication (You are encouraged to submit the Affidavits earlier, with the Proof of Publication, if you are able.)

If you fail to publish the notice or submit proof of publication by the deadlines set forth above, TCEQ may suspend further processing on your application or take other actions.

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

Notice of Application and Preliminary Decision for Municipal Solid Waste Permit

Proposed Permit No. 2420

Application and Preliminary Decision. Waste Connections Lone Star, Inc. has applied to the Texas Commission on Environmental Quality (TCEQ) for a permit to authorize a municipal solid waste transfer station with a proposed transfer capacity of 2,500 tons per day. The facility is proposed to be located at 10244 FM 1346, Adkins, Texas 78101, in Bexar County. TCEQ received this application on January 22, 2024. The following link to an electronic map of the site or facility's general location is provided as a public courtesy and is not part of the application or notice: <https://arcg.is/XPGHn0>. For the exact location, refer to the application.

The TCEQ Executive Director has completed the technical review of the application and prepared a draft permit. The draft permit, if approved, would establish the conditions under which the facility must operate. The Executive Director has made a preliminary decision that this permit, if issued, meets all statutory and regulatory requirements. The permit application, Executive Director's preliminary decision, and draft permit are available for viewing and copying at Schafer Library, 6322 US Hwy 87 E, San Antonio, Texas 78222. The application, including updates, is available electronically at the following webpage: www.tceq.texas.gov/goto/wasteapps.

Alternative Language Notice / Aviso en idioma alternativo. Alternative language notice in Spanish is available at www.tceq.texas.gov/goto/wasteapps. El aviso en idioma alternativo en español está disponible en www.tceq.texas.gov/goto/wasteapps.

Public Comment / Public Meeting. You may submit public comments or request a public meeting about this application. The purpose of a public meeting is to provide the opportunity to submit comments or to ask questions about the application. TCEQ holds a public meeting if the Executive Director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing.

Opportunity for a Contested Case Hearing. After the deadline for submitting public comments, the Executive Director will consider all timely comments and prepare a response to all relevant and material or significant public comments. **Unless the application is directly referred for a contested case hearing, the response to comments and the Executive Director's decision on the application will be mailed to everyone who submitted public comments and to those persons who are on the mailing list for this application.** If comments are received, the mailing will also provide instructions for requesting a contested case hearing or reconsideration of the Executive Director's decision. A person who may be affected by the proposed facility is entitled to request a contested case hearing from the commission. A contested case hearing is a legal proceeding similar to a civil trial in a state district court.

To Request a Contested Case Hearing, You Must Include the Following Items in Your Request: Your name, address, phone; applicant's name and permit number; the location and distance of your property/activities relative to the facility; a specific description of how you would be adversely affected by the facility in a way not common to

the general public; a list of all disputed issues of fact that you submit during the comment period; and the statement "[I/we] request a contested case hearing." If the request for contested case hearing is filed on behalf of a group or association, the request must designate the group's representative for receiving future correspondence; identify by name and physical address an individual member of the group who would be adversely affected by the facility or activity; provide the information discussed above regarding the affected member's location and distance from the facility or activity; explain how and why the member would be affected; and explain how the interests the group seeks to protect are relevant to the group's purpose.

Following the close of all applicable comment and request periods, the Executive Director will forward the application and any requests for reconsideration or for a contested case hearing to the TCEQ Commissioners for their consideration at a scheduled Commission meeting. The Commission may only grant a request for a contested case hearing on issues the requestor submitted in their timely comments that were not subsequently withdrawn.

If a hearing is granted, the subject of a hearing will be limited to disputed issues of fact or mixed questions of fact and law that are relevant and material to the Commission's decision on the application submitted during the comment period.

Executive Director Action. The Executive Director may issue final approval of the application unless a timely contested case hearing request or request for reconsideration is filed. If a timely hearing request or request for reconsideration is filed, the Executive Director will not issue final approval of the permit and will forward the application and request to the TCEQ Commissioners for their consideration at a scheduled Commission meeting.

Mailing List. If you submit public comments, a request for a contested case hearing, or a reconsideration of the Executive Director's decision, you will be added to the mailing list for this application to receive future public notices mailed by the Office of the Chief Clerk. In addition, you may request to be placed on: (1) the permanent mailing list for a specific applicant name and permit number; and/or (2) the mailing list for a specific county. To be placed on the permanent and/or the county mailing list, clearly specify which list(s), and send your request to TCEQ Office of the Chief Clerk at the address below.

Information Available Online. For details about the status of the application, visit the Commissioners' Integrated Database (CID) at www.tceq.texas.gov/goto/cid. Once you have access to the CID using the above link, enter the permit number for this application, which is provided at the top of this notice.

Agency Contacts and Information. All public comments and requests must be submitted within 30 days from the date of newspaper publication of this notice either electronically at www14.tceq.texas.gov/epic/eComment/ or in writing to the Texas Commission on Environmental Quality, Office of the Chief Clerk, MC-105, P.O. Box 13087, Austin, Texas 78711-3087. Please be aware that any contact information you provide, including your name, phone number, email address, and physical address, will become part of the agency's public record. Issued Date: December 12, 2024

COMISIÓN DE CALIDAD AMBIENTAL DE TEXAS

Aviso de Solicitud y de Decisión Preliminar sobre Permiso de Desechos Sólidos Municipales

Núm. Propuesto de Permiso: 2420

Solicitud y decisión preliminar. Waste Connections Lone Star, Inc. ha solicitado a la Comisión de Calidad Ambiental de Texas (la TCEQ) un permiso para autorizar una estación de transferencia de residuos sólidos urbanos con una capacidad de transferencia propuesta de 2,500 toneladas diarias. Se propone que la instalación se ubique en 10244 FM 1346, Adkins, Texas 78101, in Condado de Bexar. La TCEQ recibió la solicitud el 22 de enero de 2024. El siguiente es un enlace a un mapa electrónico de la ubicación general del sitio o instalación que se proporciona como una cortesía pública y no es parte de la solicitud o el aviso: <https://arcg.is/XPGHn0>. Para la ubicación exacta, favor de consultar la solicitud.

La Directora Ejecutiva de la TCEQ ha completado la revisión técnica de la solicitud y ha preparado un proyecto de permiso el cual, de ser aprobado, establecería las condiciones bajo las cuales debe operar la instalación. La Directora Ejecutiva ha tomado la decisión preliminar de que este permiso (de ser concedido) cumple con todos los requisitos regulatorios y establecidos por la ley. La solicitud de permiso, la decisión preliminar de la Directora Ejecutiva y el proyecto de permiso están disponibles para su consulta y copia en Schafer Library, 6322 US Hwy 87 E, San Antonio, Texas 78222 y se puede ver en línea en www.tceq.texas.gov/wasteapps.

Comentarios públicos / Reunión pública. Es posible presentar comentarios públicos o bien solicitar una reunión pública sobre esta solicitud. El propósito de una reunión pública es ofrecer la oportunidad de presentar comentarios o hacer preguntas sobre la solicitud. La TCEQ lleva a cabo una reunión pública si la Directora Ejecutiva determina que hay un grado significativo de interés público en la solicitud o si la solicita un legislador local. Una reunión pública no es una audiencia de caso impugnado.

Oportunidad para una audiencia de caso impugnado. Después de la fecha límite para presentar comentarios públicos, la Directora Ejecutiva tomará en cuenta todos los comentarios puntuales y preparará una respuesta a todos los comentarios públicos sustanciales o significativos. A menos que la solicitud se refiera directamente a una audiencia de caso impugnado, la respuesta a los comentarios y la decisión de la Directora Ejecutiva sobre la solicitud se enviarán por correo a todas las personas que hayan presentado comentarios públicos y a aquellas personas que están en la lista de correo de esta solicitud. Si se reciben comentarios, el envío de correo también ofrecerá instrucciones para solicitar una audiencia de caso impugnado o una reconsideración de la decisión de la Directora Ejecutiva. Una persona que puede ser afectada por la instalación propuesta tiene el derecho a solicitar de la TCEQ una audiencia de caso impugnado. Una audiencia de caso impugnado es un procedimiento judicial similar a un juicio civil en un tribunal de distrito estatal.

Para solicitar una audiencia de caso impugnado, es necesario incluir lo siguiente en su solicitud: Su nombre, dirección, número de teléfono, el nombre del solicitante y el número de permiso, la ubicación y distancia de su propiedad/actividades en relación con la instalación, una descripción específica de cómo sería afectado(a) negativamente por esta instalación de una manera que no sea común para el público en general, una lista de las cuestiones de hecho en disputa que planteó durante el periodo de comentarios, y el siguiente enunciado: "[I/we] request a contested case hearing" ("Yo solicito/nosotros

solicitamos] una audiencia de caso impugnado”). Si la solicitud de audiencia de caso impugnado se presenta en nombre de un grupo o una asociación, la solicitud debe designar al representante del grupo para que reciba correspondencia en el futuro. Favor de identificar con su nombre y dirección física a un miembro individual del grupo que sería afectado negativamente por la instalación o la actividad. Proporcionar la información mencionada sobre la ubicación del miembro afectado y la distancia de la instalación o actividad, y explicar cómo y por qué el miembro se vería afectado, así como por qué los intereses que el grupo busca proteger son relevantes para el propósito del grupo.

Tras la conclusión de todos los periodos de comentarios y de solicitud aplicables, la Directora Ejecutiva enviará la solicitud y cualquier solicitud de reconsideración o para una audiencia de caso a los comisionados para su consideración en una reunión programada de la TCEQ. La Comisión solo puede conceder una solicitud para una audiencia de caso impugnado sobre cuestiones que el solicitante presentó en sus comentarios puntuales que no fueron retirados posteriormente.

Si se concede una audiencia, el tema de ésta se limitará a cuestiones de hecho en disputa o preguntas de hecho y de derecho mixtas que sean sustanciales y relevantes a la decisión de la Comisión sobre la solicitud presentados durante el periodo de comentarios.

Acción de la Directora Ejecutiva. La Directora Ejecutiva puede emitir una aprobación final de la solicitud a menos que se presente puntualmente una solicitud de audiencia de caso impugnado o una solicitud de reconsideración. Si se presenta cualquiera de estas dos solicitudes, la directora no emitirá la aprobación final del permiso y enviará ambas solicitudes a los comisionados para su consideración en una reunión programada de la TCEQ.

Lista de correo. Si presenta comentarios públicos, una solicitud de audiencia de caso impugnado o una reconsideración de la decisión de la Directora Ejecutiva, será agregado(a) a la lista de correo de esta solicitud para recibir avisos públicos futuros enviados por la Secretaría Oficial de la TCEQ. Además, puede solicitar ser incluido(a) en: (1) la lista permanente de correo para el nombre y número de permiso de un solicitante específico, o (2) la lista de correo para un condado específico. Para ser parte de cualquiera de estas dos listas, especificar claramente a cuál(es) listas desea pertenecer y enviar su solicitud a la Secretaría Oficial de la TCEQ en la dirección que aparece más abajo.

Información disponible en línea. Para detalles sobre el estado de la solicitud, favor de visitar la Base de Datos Integrada de los Comisionados (CID, por sus siglas en inglés) a través de www.tceq.texas.gov/goto/cid y una vez que se tenga acceso, ingresar el número de permiso para esta solicitud que aparece al principio de este aviso.

Contactos de la agencia e información. Todos los comentarios públicos y solicitudes deben presentarse dentro de los 30 días posteriores a la fecha de la publicación de este aviso en el periódico, ya sea electrónicamente a través de www14.tceq.texas.gov/epic/eComment/ o enviarse por escrito a la siguiente dirección: Texas Commission on Environmental Quality, Office of the Chief Clerk, MC-105, P.O. Box 13087, Austin, Texas 78711-3087. Favor de tener presente que cualquier información de contacto que proporcione (su nombre, teléfono, dirección de correo electrónico y dirección física inclusive) será parte de los registros públicos de la agencia. Para más información sobre el proceso de tramitación de permisos, favor de llamar al Programa de Educación pública de la TCEQ sin costo al 1-800-687-4040, o bien visitar su sitio web, www.tceq.texas.gov/goto/pep. Para información en español, favor de llamar al 1-800-687-4040.

Es posible obtener más información sobre esta solicitud de permiso escribiendo a Mr. Brett O'Connor de Waste Connections Lone Star, Inc. a la dirección 3 Hughes Landing, 8th Floor, The Woodlands, TX 77381, o bien mediante llamada a Mr. Charles Marsh de Weaver Consultants Group al teléfono (817) 735-9770.

El sitio está ubicado en 10244 Farm to Market Road 1346 en el Condado de Bexar, Texas, 78101. La TCEQ recibió esta solicitud el January 22, 2024. La solicitud está disponible para leer y copiar en the Schaefer Branch Library, 6322 US Highway 87 East, San Antonio, Texas 78222 in Bexar County, y se puede ver en línea en <https://ftwweaverboos.com/>. El enlace a continuación a un mapa electrónico de la ubicación general del sitio o de la instalación es proporcionado como una cortesía y no es parte de la solicitud o del aviso: <https://arcg.is/XPGHn0>. Para la ubicación exacta, consulte la solicitud.

Aviso Adicional. El Director Ejecutivo de la TCEQ ha determinado que la solicitud es administrativamente completa y conducirá una revisión técnica de la solicitud. Después de completar la revisión técnica, el Director Ejecutivo puede preparar un borrador del permiso y emitirá una Decisión Preliminar sobre la solicitud. El Aviso de la Solicitud y la Decisión Preliminar será publicada y enviada a los que están en la lista de correo de las personas a lo largo del condado que desean recibir los avisos y los que están en la lista de correo que desean recibir avisos de esta solicitud. El aviso dará la fecha límite para someter comentarios públicos.

Comentario Público/Reunión Pública. Usted puede presentar comentarios públicos o pedir una reunión pública sobre esta solicitud. El propósito de una reunión pública es para dar la oportunidad de presentar comentarios o hacer preguntas acerca de la solicitud. La TCEQ realizará una reunión pública si el Director Ejecutivo determina que existe un interés público suficiente en la solicitud, o si es pedida por un legislador local. Una reunión pública no es una audiencia de caso impugnado.

Oportunidad de una Audiencia de Caso Impugnado. Después del plazo para presentar comentarios públicos, el Director Ejecutivo considerará todos los comentarios apropiados y preparará una respuesta a todos los comentarios públicos esenciales, pertinentes, o significativos. A menos que la solicitud haya sido remitida directamente para una audiencia de caso impugnado, la respuesta a los comentarios y la decisión del Director Ejecu-

tivo será enviada por correo a todos los que hayan presentado comentarios públicos y a las personas que estén en la lista de correo sobre esta solicitud. Si se han recibido comentarios, el aviso también proveerá instrucciones para solicitar una audiencia de caso impugnado o una reconsideración de la decisión del Director Ejecutivo. Una persona que puede ser afectada por la instalación propuesta tiene el derecho a solicitar de la TCEQ una audiencia de caso impugnado. Una audiencia de caso impugnado es un procedimiento legal similar a un juicio civil en un tribunal de distrito del estado.

Para Solicitar una Audiencia de Caso Impugnado, Usted Debe Incluir en su Solicitud los Sigüientes Datos: Su nombre, dirección y número de teléfono; el nombre del solicitante y número del permiso; la ubicación y la distancia de su propiedad/actividades con respecto a la instalación; una descripción específica de cómo sería usted afectado negativamente por la instalación en una manera no común al público en general; una lista de todas las cuestiones de hecho en disputa que usted presente durante el período de comentarios; y la declaración "[Yo/nosotros] solicitamos una audiencia de caso impugnado." Si presenta la petición para una audiencia de caso impugnado de parte de un grupo o asociación, debe identificar una persona que representa al grupo para recibir correspondencia en el futuro; identificar el nombre y la dirección física de un miembro del grupo que sería afectado adversamente por la planta o la actividad propuesta; proveer la información indicada anteriormente con respecto a la ubicación del miembro afectado y su distancia de la planta o actividad propuesta; explicar cómo y porqué el miembro sería afectado; y explicar cómo los intereses que el grupo desea proteger son pertinentes al propósito del grupo.

Después del cierre de todos los períodos de comentarios y de petición que aplican, el Director Ejecutivo enviará la solicitud y cualquier petición para reconsideración o para una audiencia de caso impugnado a los Comisionados de la TCEQ para su consideración durante una reunión programada de la Comisión. La Comisión sólo puede conceder una solicitud de una audiencia de caso impugnado sobre los temas que el solicitante haya presentado en sus comentarios oportunos que no fueron retirados posteriormente.

Si se concede una audiencia, el tema de la audiencia estará limitado a cuestiones de hecho

en disputa o cuestiones mixtas de hecho y de derecho que son pertinentes y materiales a la decisión de la Comisión sobre la solicitud que se hayan presentado durante el período de comentarios.

Lista de Correo. Si presenta comentarios públicos, una petición para una audiencia de caso impugnado o una petición para reconsideración de la decisión del Director Ejecutivo, añadiremos su nombre a la lista de correo para esta solicitud para recibir futuros avisos públicos enviados por la Oficina del Secretario Oficial. Además, puede pedir que la TCEQ ponga su nombre en (1) la lista de correo permanente para un específico nombre de solicitante y número de permiso y/o (2) la lista de correo para un condado específico. Para ser añadido a una lista de correo permanente y/o una de condado, especifique claramente cuál/cuáles lista(s) y envíe su petición por correo a la Oficina del Secretario Oficial de la TCEQ.

Información Disponible en Línea. Para detalles sobre el estado de la solicitud, visite la Base de Datos Integrada de los Comisionados (CID, por sus siglas en inglés) al www.tceq.texas.gov/goto/cid. Una vez que haya obtenido acceso al CID usando el enlace de arriba, rellene el número de permiso de esta solicitud, la cual está proporcionada al inicio de este aviso.

Comunicación y Transferencia de Información a la Agencia. Todos los comentarios públicos y solicitudes deben ser presentadas electrónicamente vía www14.tceq.texas.gov/epic/eComment/ o por escrito dirigidos a la TCEQ, Office of Chief Clerk, MC-105, P.O. Alternative Language Notice/Aviso de idioma alternativo. Alternative language notice in Spanish is available at www.tceq.texas.gov/goto/mswapps. La notificación en otro idioma en español está disponible en www.tceq.texas.gov/goto/mswapps.

Additional Notice. TCEQ's Executive Director has determined the application is administratively complete and will conduct a technical review of the application. After technical review of the application is complete, the Executive Director may prepare a draft permit and will issue a preliminary decision on the application. **Notice of the Application and Preliminary Decision will be published and mailed to those who are on the county-wide mailing list and to those who are on the mailing list for this application. Opportunity for a Contested Case Hearing. After the deadline for submitting public comments, the Executive Director will consider all timely comments and prepare a response to all relevant and material, or significant public comments. **Unless the application is directly referred for a contested case hearing, the response to comments, and the Executive Director's decision on the application, will be mailed to everyone who submitted public comments and to those persons who are on the mailing list for this application. If comments are received, the mailing will also provide instructions for requesting reconsideration of the Executive Director's decision and for requesting a contested case hearing. A person who may be affected by the facility is entitled to request a contested case hearing from the commission.** A contested case hearing is a legal proceeding similar to a civil trial in state district court.

To Request a Contested Case Hearing, You Must Include The Following Items in Your Request: your name, address, phone number; applicant's name and permit number; the location and distance of your property/activities relative to the facility; a specific description of how you would be adversely affected by the facility in a way not common to the general public; a list of all disputed issues of fact that you submit during the comment period, and the statement "[I/we] request a contested case hearing." If the request for contested case hearing is filed on behalf of a group or association, the request must designate the group's representative for receiving future correspondence; identify by name and physical address an individual member of the group who would be adversely affected by the facility or activity; provide the information discussed above regarding the affected member's location and distance from the facility or activity; explain how and why the member would be affected; and explain how the interests the group seeks to protect are relevant to the group's purpose.

Following the close of all applicable comment and request periods, the Executive Director will forward the application and any requests for reconsideration or for a contested case hearing to the TCEQ Commissioners for their consideration at a scheduled Commission meeting. The Commission may only grant a request for a contested case hearing on issues the requestor submitted in their timely comments that were not subsequently withdrawn.

If a hearing is granted, the subject of a hearing will be limited to disputed issues of fact or mixed questions of fact and law that are relevant and material to the Commission's decision on the application submitted during the comment period.

Mailing List. If you submit public comments, a request for a contested case hearing or a reconsideration of the Executive Director's decision, you will be added to the mailing list for this application to receive future public notices mailed by the Office of the Chief Clerk. In addition, you may request to be placed on: (1) the permanent mailing list for a specific applicant name and permit number; and/or (2) the mailing list for a specific county. To be placed on the permanent and/or the county mailing list, clearly specify which list(s) and send your request to TCEQ Office of the Chief Clerk at the address below.

Information Available Online. For details about the status of the application, visit the Commissioners' Integrated Database (CID) at www.tceq.texas.gov/goto/cid. Once you have access to the CID using the above link, enter the permit number for this application, which is provided at the top of this notice.

Comisión de Calidad Ambiental de Texas

Aviso de Recibimiento de la Solicitud e Intención de Obtener el Permiso de Desechos Sólidos Municipales

Permiso Propuesto No. 2420

Solicitud. Lealco, Inc., ha solicitado a la Comisión de Calidad Ambiental de Texas (TCEQ, por sus siglas en inglés) por permit para autorizar una Estación de Transferencia de Residuos Sólidos Urbanos con una capacidad de transferencia propuesta de 2,500 toneladas diarias. El sitio está ubicado en 10244 Farm to Market Road 1346 en el Condado de Bexar, Texas, 78101. La TCEQ recibió esta solicitud el January 22, 2024. La solicitud está disponible para leer y copiar en the Schaefer Branch Library, 6322 US Highway 87 East, San Antonio, Texas 78222 in Bexar County, y se puede ver en línea en <https://ftwweaverboos.com/>. El enlace a continuación a un mapa electrónico de la ubicación general del sitio o de la instalación es proporcionado como una cortesía y no es parte de la solicitud o del aviso: <https://arcg.is/XPGHn0>. Para la ubicación exacta, consulte la solicitud.

Aviso Adicional. El Director Ejecutivo de la TCEQ ha determinado que la solicitud es administrativamente completa y conducirá una revisión técnica de la solicitud. Después de completar la revisión técnica, el Director Ejecutivo puede preparar un borrador del permiso y emitirá una Decisión Preliminar sobre la solicitud. **El Aviso de la Solicitud y la Decisión Preliminar será publicada y enviada a los que están en la lista de correo de las personas a lo largo del condado que desean recibir los avisos y los que están en la lista de correo que desean recibir avisos de esta solicitud. El aviso dará la fecha límite para someter comentarios públicos.**

Comentario Público/Reunión Pública. Usted puede presentar comentarios públicos o pedir una reunión pública sobre esta solicitud. El propósito de una reunión pública es para dar la oportunidad de presentar comentarios o hacer preguntas acerca de la solicitud. La TCEQ realizará una reunión pública si el Director Ejecutivo determina que existe un interés público suficiente en la solicitud, o si es pedida por un legislador local. Una reunión pública no es una audiencia de caso impugnado.

Oportunidad de una Audiencia de Caso Impugnado. Después del plazo para presentar comentarios públicos, el Director Ejecutivo considerará todos los comentarios apropiados y preparará una respuesta a todos los comentarios públicos esenciales, pertinentes, o significativos. **A menos que la solicitud haya sido remitida directamente para una audiencia de caso impugnado, la respuesta a los comentarios y la decisión del Director Ejecutivo será enviada por correo a todos los que hayan presentado comentarios públicos y a las personas que estén en la lista de correo sobre esta solicitud. Si se han recibido comentarios, el aviso también proveerá instrucciones para solicitar una audiencia de caso impugnado o una reconsideración de la decisión del Director Ejecutivo. Una persona que puede ser afectada**

por la instalación propuesta tiene el derecho a solicitar de la TCEQ una audiencia de caso impugnado. Una audiencia de caso impugnado es un procedimiento legal similar a un juicio civil en un tribunal de distrito del estado.

Para Solicitar una Audiencia de Caso Impugnado, Usted Debe Incluir en su Solicitud los Siguietes Datos: Su nombre, dirección y número de teléfono; el nombre del solicitante y número del permiso; la ubicación y la distancia de su propiedad/actividades con respecto a la instalación; una descripción específica de cómo sería usted afectado negativamente por la instalación en una manera no común al público en general; una lista de todas las cuestiones de hecho en disputa que usted presente durante el período de comentarios; y la declaración "[Yo/nosotros] solicito/solicitamos una audiencia de caso impugnado." Si presenta la petición para una audiencia de caso impugnado de parte de un grupo o asociación, debe identificar una persona que representa al grupo para recibir correspondencia en el futuro; identificar el nombre y la dirección física de un miembro del grupo que sería afectado adversamente por la planta o la actividad propuesta; proveer la información indicada anteriormente con respecto a la ubicación del miembro afectado y su distancia de la planta o actividad propuesta; explicar cómo y porqué el miembro sería afectado; y explicar cómo los intereses que el grupo desea proteger son pertinentes al propósito del grupo.

Después del cierre de todos los períodos de comentarios y de petición que aplican, el Director Ejecutivo enviará la solicitud y cualquier petición para reconsideración o para una audiencia de caso impugnado a los Comisionados de la TCEQ para su consideración durante una reunión programada de la Comisión. La Comisión sólo puede conceder una solicitud de una audiencia de caso impugnado sobre los temas que el solicitante haya presentado en sus comentarios oportunos que no fueron retirados posteriormente.

Si se concede una audiencia, el tema de la audiencia estará limitado a cuestiones de hecho en disputa o cuestiones mixtas de hecho y de derecho que son pertinentes y materiales a la decisión de la Comisión sobre la solicitud que se hayan presentado durante el periodo de comentarios.

Lista de Correo. Si presenta comentarios públicos, una petición para una audiencia de caso impugnado o una petición para reconsideración de la decisión del Director Ejecutivo, añadiremos su nombre a la lista de correo para esta solicitud para recibir futuros avisos públicos enviados por la Oficina del Secretario Oficial. Además, puede pedir que la TCEQ ponga su nombre en (1) la lista de correo permanente para un específico nombre de solicitante y número de permiso y/o (2) la lista de correo para un condado específico. Para ser añadido a una lista de correo permanente y/o una de condado, especifique claramente cuál/cuáles lista(s) y envíe su petición por correo a la Oficina del Secretario Oficial de la TCEQ.

Información Disponible en Línea. Para detalles sobre el estado de la solicitud, visite la Base de Datos Integrada de los Comisionados (CID, por sus siglas en inglés) al www.tceq.texas.gov/goto/cid. Una vez que haya obtenido acceso al CID usando el enlace de arriba, rellene el número de permiso de esta solicitud, la cual está proporcionada al inicio de este aviso.

Comunicación y Transferencia de Información a la Agencia. Todos los comentarios públicos y solicitudes deben ser presentadas electrónicamente vía www14.tceq.texas.gov/epic/eComment/ o por escrito dirigidos a la TCEQ, Office of Chief Clerk, MC-105, P.O. Box 13087, Austin, Texas 78711-3087. Tenga en cuenta que cualquier información personal que usted proporcione, incluyendo su nombre, número de teléfono, dirección de correo electrónico y dirección física pasarán a formar parte del registro público de la Agencia. Para obtener más información acerca de esta solicitud de permiso o el proceso de

permisos, llame al programa de educación pública de la TCEQ, gratis, al 1-800-687-4040 o visite su sitio de la red al www.tceq.texas.gov/goto/pep. Si desea información en español, puede llamar al 1-800-687-4040.

Dear Mr. Marsh:

The Executive Director has declared the above referenced application, received on January 22, 2024, administratively complete on March 1, 2024.

You are now required to publish notice of your proposed activity and make a copy of the application available for public review. The following items are included to help you meet the regulatory requirements associated with this notice:

- Instructions for Public Notice
- Notice for Newspaper Publication
- Public Notice Verification Form
- Publisher's Affidavits

You must follow all the directions in the enclosed instructions. The most common mistakes are the unauthorized changing of notice, wording, or font. If you fail to follow these instructions, you may be required to republish the notices.

The following requirements are also described in the enclosed instructions. However, due to their importance, they are highlighted here as well.

1. Publish the enclosed notice within **30 calendar days** after your application is declared administratively complete. (See this letter's first paragraph for the declaration date.) **You may be required to publish the notice in more than one newspaper, including a newspaper published in an alternative language, to satisfy all of the notice requirements.**
2. On or before the date you publish notice, place a copy of your permit application in a public place in the county where the facility is or will be located. This copy must be accessible to the public for review and copying, must be updated to reflect changes to the application, and must remain in place throughout the comment period.

Instructions for Public Notice: Notice of Receipt of Application and Intent to Obtain Permit (NORI) for Municipal Solid Waste Permit Applications

Your application has been declared administratively complete, and now you must comply with the following instructions. Please read all instructions carefully. If you have questions, contact the Waste Permits Division at WPD-PNV@tceq.texas.gov or (512) 239-2335. When contacting TCEQ regarding this application, please refer to the permit number at the top of the enclosed Notice of Receipt of Application and Intent to Obtain Permit.

A. Reviewing the Notice

We have enclosed the Notice of Receipt of Application and Intent to Obtain Permit (Notice). All necessary information is included in the Notice. Please read it carefully and notify us immediately if it contains any errors or omissions. You are responsible for ensuring the accuracy of all information published. However, you may not change the text or formatting of the Notice without prior approval from TCEQ. If you have any questions regarding the content of the notice, please contact the administrative reviewer of your application (named in the cover letter).

B. Publishing the Notice

You must follow these instructions when publishing the enclosed Notice.

1. Publish at your expense **within 30 calendar days** after the date of administrative completeness. Refer to the cover letter for the date of administrative completeness.
2. Preserve the original text and emphasis. The **bold** text of the enclosed Notice must be printed in the newspaper in a font style or size that distinguishes it from the rest of the notice (**bold** or *italics*). Failure to do so may require re-notice.
3. Publish at least once in a newspaper (or newspapers) meeting these two requirements. One newspaper may be used if it satisfies both requirements:
 - a. **First Requirement.** You must publish the Notice in **either**—
 - 1) The newspaper of largest circulation within the county where the facility is located or proposed to be located, **or**
 - 2) If the facility is located or proposed to be located in a municipality, any newspaper of general circulation in the municipality.
 - b. **Second Requirement.** You must publish the Notice in **either**—
 - 3) The newspaper of largest general circulation that is published in the county in which the facility is located or proposed to be located, **or**
 - 4) If a newspaper is not published in the county, any newspaper of general circulation in that county.

C. Publishing the Alternative Language Notice

Your permit application included an Alternative Language Notice Checklist. If your responses indicated that a Spanish-language translation of the Notice is required, then we have included it in this package. For further guidance, please review the following requirements.

1. You must publish an Alternative Language Notice if the **elementary** or **middle school** nearest to the facility or proposed facility:

- a. Is required to provide a Bilingual Education Program [as required by Texas Educ. Code, Chapter 29, Subchapter B, and 19 Texas Admin. Code § 89.1205(a)]

and

- b. *At least one* of the following three conditions is met—
 - Students are enrolled in a Bilingual Education Program at that school; or
 - Students from that school attend a Bilingual Education Program at another location; or
 - The school that otherwise would be required to provide a BEP has been granted an exemption from the requirements to provide the program under 19 Texas Admin. Code § 89.1207(a).
2. If you are required to publish an Alternative Language Notice, then you must strictly follow these instructions:
 - a. The Notice must be written in the alternative language that is taught in the Bilingual Education Program.
 - b. You must publish the Alternative Language Notice in a newspaper (or other type of printed publication) that is—
 - Published primarily in the language taught in the BEP, and
 - Of general circulation in the county where the facility site is located.
(**Exception:** If the facility is located or proposed to be located in a municipality, and there exists a qualifying alternative-language newspaper or publication of general circulation in the municipality, you must publish the notice only in the newspaper or publication in the municipality.)
 - c. The Notice must be translated as follows—
 - ***If translating into Spanish*** – The Spanish-language Notice is enclosed. You may not change the text or formatting of the Notice without prior approval from TCEQ. If the Notice is missing or insufficient, contact the administrative reviewer of your application (named in the cover letter).
 - ***If translating into a language other than Spanish*** – You must translate the entire Notice at your own expense and submit a copy to TCEQ for posting on the TCEQ website. Before publication, email a copy to the administrative reviewer of your application (named in the cover letter).

You must demonstrate a good faith effort to identify a newspaper or publication in the required language. If there is no general-circulation newspaper or publication printed in such language, then publishing in that language is not required. Publication in an alternative-language section or insert within a larger publication which is not printed primarily in that alternative language does not satisfy these requirements.

D. Posting the Application in a Public Place

Beginning on ***the first day of newspaper publication***, your administratively complete application must be available in a public place for review and copying by the public. You must make sure to meet these requirements.

1. The public place must be:
 - a. Located in the county where the facility is located or proposed to be located.
 - b. Publicly owned or operated, such as a library, county courthouse, or city hall.
2. The application must remain in the public place until the end of the comment period.

3. During the technical review, you must update the publicly available application to include each application revision **within 10 business days** from the date you transmit the revision to TCEQ.
4. If the application was submitted to TCEQ with information marked as **confidential**, you must indicate in the public copy of the application that there is additional information in a confidential file. These portions of the application must be accompanied with the following statement:

"Any request for portions of this application that are marked as confidential must be submitted in writing, pursuant to the Public Information Act, to TCEQ Public Information Coordinator, MC 197, P.O. Box 13087, Austin, Texas 78711-3087."
5. You will document your performance of these duties on the attached Public Notice Verification Form. On this form, you will verify that a complete application and all subsequent revisions are available for review and copying in a public place as required by TCEQ's regulations and instructions. You must submit the form within **30 calendar days** after publication of the Notice.

E. Completing the Public Notice Verification Form

You must fill out and submit the attached Public Notice Verification Form. It contains six sections that must be complete and accurate:

- Applicant and Facility Information – *We have completed this section for you.*
- Alternative Language Determination – Recording your completion of required steps.
- Publication Availability for Alternative Language Notice – Documenting your good faith effort to publish the Alternative Language Notice (if applicable).
- Proof of Publication – Noting required attachments and previous submissions.
- Public Place for Viewing Application – Recording the location's name and address.
- Verification – *Unsigned verification forms will be returned.*

Sections F through H, below, provide instructions and deadlines for preparing and submitting the Public Notice Verification Form and supporting documents.

F. Preparing the Proof of Publication

Check each publication to ensure that the Notices were accurately published. If a Notice was not published correctly, you may have to republish. For **each** newspaper in which you published, obtain a *proof of publication* (a newspaper clipping or "tear sheet") that shows all of the following—

1. Entire text of Notice
2. Date of publication
3. Name of newspaper

G. Preparing the Publisher's Affidavits

Enclosed with these instructions, you will find three Affidavit forms—

1. Publisher's Affidavit #1
2. Publisher's Affidavit #2
3. Publisher's Affidavit for Alternative Language (to be used only if applicable)

You are responsible for ensuring that the enclosed Affidavit forms are completed and notarized according to the following requirements—

1. Make sure each Affidavit clearly identifies the applicant's name and permit number.

2. **Fill out both Affidavits #1 and #2.** *Important: Even if you are using one newspaper to satisfy all publication requirements, you must submit both affidavits. Check the relevant boxes on both forms to show the criteria that the newspaper satisfies.*

H. Submitting the Forms and Supporting Documents to TCEQ

1. **Within 10 business days** after the date of publication, email copies or scans of the *proof of publication* documents to the Waste Permits Division at WPD-PNV@tceq.texas.gov. (It is recommended that you retain the original newspaper clippings or tear sheets for your records.)
2. **Within 30 calendar days** after the date of publication, email copies or scans of the remaining documents to the Waste Permits Division at WPD-PNV@tceq.texas.gov.
 - a. Public Notice Verification Form for NORI
 - b. Publisher's Affidavits (You are encouraged to submit the Affidavits earlier, with the *proof of publication* documents, if you are able.)

If you fail to publish the Notice or submit proof of publication by the deadlines set forth above, TCEQ may suspend further processing of your application or take other action.

B. Alternative Language Determination

The purpose of this section is to record the steps you took to determine whether a Bilingual Education Program is required by Title 19 Texas Education Code (19 TEC), Section 89.1205, in the school district where the facility is located and, if so, whether you are required to publish your public notice in an alternative language.

Please note that a Bilingual Education Program is different from an "English as a Second Language" (ESL) program. There is no requirement to publish notice in an alternative language if the elementary or middle school offers only ESL.

- ☐ **d.** None of the above (*skip to **item 5**, Requirement for Alternative Language Notice, in this section*).

If **a**, **b**, or **c** is checked, then an alternative language notice *is required*. If **d** ("None of the above") is checked, then an alternative language notice is *not* required.

4. Language(s) of the Bilingual Education Program

The Bilingual Education Program provides instruction in the following language(s):

Texas Commission on Environmental Quality

Notice of Receipt of Application and Intent to Obtain Municipal Solid Waste Permit

Proposed Permit No. 2420

Application. Lealco, Inc., has applied to the Texas Commission on Environmental Quality (TCEQ) for a permit to authorize a Municipal Solid Waste Transfer Station with a proposed transfer capacity of 2,500 tons per day. The facility is proposed to be located at 10244 Farm to Market Road 1346, Bexar County, Texas, 78101. The TCEQ received this application on January 22, 2024. The permit application is available for viewing and copying at the Schaefer Branch Library, 6322 US Highway 87 East, San Antonio, Texas 78222 in Bexar County and may be viewed online at <https://ftwweaverboos.com/>. The following link to an electronic map of the site or facility general location is provided as a public courtesy and is not part of the application or notice: <https://arccg.is/XPGHn0>. For exact location, refer to application.

Alternative Language Notice/Aviso de idioma alternativo. Alternative language notice in Spanish is available at www.tceq.texas.gov/goto/mswapps. La notificación en otro idioma en español está disponible en www.tceq.texas.gov/goto/mswapps.

Additional Notice. TCEQ's Executive Director has determined the application is administratively complete and will conduct a technical review of the application. After technical review of the application is complete, the Executive Director may prepare a draft permit and will issue a preliminary decision on the application. **Notice of the Application and Preliminary Decision will be published and mailed to those who are on the county-wide mailing list and to those who are on the mailing list for this application. That notice will contain the deadline for submitting public comments.**

Public Comment/Public Meeting. You may submit public comments or request a public meeting on this application. The purpose of a public meeting is to provide the opportunity to submit comments or to ask questions about the application. TCEQ will hold a public meeting if the Executive Director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing.

Opportunity for a Contested Case Hearing. After the deadline for submitting public comments, the Executive Director will consider all timely comments and prepare a response to all relevant and material, or significant public comments. **Unless the application is directly referred for a contested case hearing, the response to comments, and the Executive Director's decision on the application, will be mailed to everyone who submitted public comments and to those persons who are on the mailing list for this application. If comments are received, the mailing will also provide instructions for requesting reconsideration of the Executive Director's decision and for requesting a contested case hearing. A person who may be affected by the facility is entitled to request a contested case hearing from the commission. A contested case hearing is a legal proceeding similar to a civil trial in state district court.**

To Request a Contested Case Hearing, You Must Include The Following Items in Your Request: your name, address, phone number; applicant's name and permit number; the location and distance of your property/activities relative to the facility; a specific description of how you would be adversely affected by the facility in a way not common to the general public; a list of all disputed issues of fact that you submit during the comment period, and the statement "[I/we] request a contested case hearing." If the request for contested case hearing is filed on behalf of a group or association, the request must designate the group's representative for receiving future correspondence; identify by name and physical address an individual member of the group who would be adversely affected by the facility or activity; provide the information discussed above regarding the affected member's location and distance from the facility or activity; explain how and why the member would be affected; and explain how the interests the group seeks to protect are relevant to the group's purpose.

Following the close of all applicable comment and request periods, the Executive Director will forward the application and any requests for reconsideration or for a contested case hearing to the TCEQ Commissioners for their consideration at a scheduled Commission meeting. The Commission may only grant a request for a contested case hearing on issues the requestor submitted in their timely comments that were not subsequently withdrawn.

If a hearing is granted, the subject of a hearing will be limited to disputed issues of fact or mixed questions of fact and law that are relevant and material to the Commission's decision on the application submitted during the comment period.

Mailing List. If you submit public comments, a request for a contested case hearing or a reconsideration of the Executive Director's decision, you will be added to the mailing list for this application to receive future public notices mailed by the Office of the Chief Clerk. In addition, you may request to be placed on: (1) the permanent mailing list for a specific applicant name and permit number; and/or (2) the mailing list for a specific county. To be placed on the permanent and/or the county mailing list, clearly specify which list(s) and send your request to TCEQ Office of the Chief Clerk at the address below.

Aviso Adicional. El Director Ejecutivo de la TCEQ ha determinado que la solicitud es administrativamente completa y conducirá una revisión técnica de la solicitud. Después de completar la revisión técnica, el Director Ejecutivo puede preparar un borrador del permiso y emitirá una Decisión Preliminar sobre la solicitud. **El Aviso de la Solicitud y la Decisión Preliminar será publicada y enviada a los que están en la lista de correo de las personas a lo largo del condado que desean recibir los avisos y los que están en la lista de correo que desean recibir avisos de esta solicitud. El aviso dará la fecha límite para someter comentarios públicos.**

Comentario Público/Reunión Pública. Usted puede presentar comentarios públicos o pedir una reunión pública sobre esta solicitud. El propósito de una reunión pública es para dar la oportunidad de presentar comentarios o hacer preguntas acerca de la solicitud. La TCEQ realizará una reunión pública si el Director Ejecutivo determina que existe un interés público suficiente en la solicitud, o si es pedida por un legislador local. Una reunión pública no es una audiencia de caso impugnado.

Oportunidad de una Audiencia de Caso Impugnado. Después del plazo para presentar comentarios públicos, el Director Ejecutivo considerará todos los comentarios apropiados y preparará una respuesta a todos los comentarios públicos esenciales, pertinentes, o significativos. **A menos que la solicitud haya sido remitida directamente para una audiencia de caso impugnado, la respuesta a los comentarios y la decisión del Director Ejecutivo será enviada por correo a todos los que hayan presentado comentarios públicos y a las personas que estén en la lista de correo sobre esta solicitud. Si se han recibido comentarios, el aviso también proveerá instrucciones para solicitar una audiencia de caso impugnado o una reconsideración de la decisión del Director Ejecutivo. Una persona que puede ser afectada**

por la instalación propuesta tiene el derecho a solicitar de la TCEQ una audiencia de caso impugnado. Una audiencia de caso impugnado es un procedimiento legal similar a un juicio civil en un tribunal de distrito del estado.

Para Solicitar una Audiencia de Caso Impugnado, Usted Debe Incluir en su Solicitud los Sigüientes Datos: Su nombre, dirección y número de teléfono; el nombre del solicitante y número del permiso; la ubicación y la distancia de su propiedad/actividades con respecto a la instalación; una descripción específica de cómo sería usted afectado negativamente por la instalación en una manera no común al público en general; una lista de todas las cuestiones de hecho en disputa que usted presente durante el período de comentarios; y la declaración "[Yo/nosotros] solicito/solicitamos una audiencia de caso impugnado." Si presenta la petición para una audiencia de caso impugnado de parte de un grupo o asociación, debe identificar una persona que representa al grupo para recibir correspondencia en el futuro; identificar el nombre y la dirección física de un miembro del grupo que sería afectado adversamente por la planta o la actividad propuesta; proveer la información indicada anteriormente con respecto a la ubicación del miembro afectado y su distancia de la planta o actividad propuesta; explicar cómo y porqué el miembro sería afectado; y explicar cómo los intereses que el grupo desea proteger son pertinentes al propósito del grupo.

Después del cierre de todos los períodos de comentarios y de petición que aplican, el Director Ejecutivo enviará la solicitud y cualquier petición para reconsideración o para una audiencia de caso impugnado a los Comisionados de la TCEQ para su consideración durante una reunión programada de la Comisión. La Comisión sólo puede conceder una solicitud de una audiencia de caso impugnado sobre los temas que el solicitante haya presentado en sus comentarios oportunos que no fueron retirados posteriormente.

Si se concede una audiencia, el tema de la audiencia estará limitado a cuestiones de hecho en disputa o cuestiones mixtas de hecho y de derecho que son pertinentes y materiales a la decisión de la Comisión sobre la solicitud que se hayan presentado durante el período de comentarios.

Lista de Correo. Si presenta comentarios públicos, una petición para una audiencia de caso impugnado o una petición para reconsideración de la decisión del Director Ejecutivo, añadiremos su nombre a la lista de correo para esta solicitud para recibir futuros avisos públicos enviados por la Oficina del Secretario Oficial. Además, puede pedir que la TCEQ ponga su nombre en (1) la lista de correo permanente para un específico nombre de solicitante y número de permiso y/o (2) la lista de correo para un condado específico. Para ser añadido a una lista de correo permanente y/o una de condado, especifique claramente cuál/cuáles lista(s) y envíe su petición por correo a la Oficina del Secretario Oficial de la TCEQ.

Comunicación y Transferencia de Información a la Agencia. Todos los comentarios públicos y solicitudes deben ser presentadas electrónicamente vía www14.tceq.texas.gov/epic/eComment/ o por escrito dirigidos a la TCEQ, Office of Chief Clerk, MC-105, P.O. Box 13087, Austin, Texas 78711-3087.
