This application was submitted to the TCEQ on January 11, 2022. The primary function of this plant is to manufacture concrete by mixing materials including (but not limited to) sand, aggregate, cement and water. The executive director has determined the application was technically complete on February 2, 2022.

**PUBLIC COMMENT / PUBLIC HEARING.** Public written comments about this application may be submitted at any time during the public comment period. The public comment period begins on the first date notice is published and extends to the close of the public hearing. Public comments may be submitted either in writing to the Texas Commission on Environmental Quality, Office of the Chief Clerk, MC-105, P.O. Box 13087, Austin, TX 78711-3087, or electronically at [www14.tceq.texas.gov/epic/eComment/](http://www14.tceq.texas.gov/epic/eComment/). Please be aware that any contact information you provide, including your name, phone number, email address and physical address will become part of the agency's public record.

A public hearing has been scheduled, that will consist of two parts, an informal discussion period and a formal comment period. During the informal discussion period, the public is encouraged to ask questions of the applicant and TCEQ staff concerning the application, but comments made during the informal period will not be considered by the executive director before reaching a decision on the permit, and no formal response will be made to the informal comments. During the formal comment period, members of the public may state their comments into the official record. **Written comments about this application may also be submitted at any time during the hearing.** The purpose of a public hearing is to provide the opportunity to submit written comments or an oral statement about the application. **The public hearing is not an evidentiary proceeding.**

**The Public Hearing is to be held:  
Wednesday, March 30, 2022, at 6:00 pm**
