**AMENDED NOTICE OF HEARING
Valero Refining-Texas, L.P.
SOAH Docket No. 582-23-10365
TCEQ Docket No. 2022-1632-AIR
Permit Nos. 2937 and PSDTX1023M3**

APPLICATION.

Valero Refining-Texas, L.P., P.O. Box 9370, Corpus Christi, Texas 78469, has applied to the Texas Commission on Environmental Quality (TCEQ) for an amendment to and renewal of State Air Quality Permit Number 2937 and modification to Prevention of Significant Deterioration (PSD) Air Quality Permit Number PSDTX1023M3, which would authorize modifications to and continued operation of the Bill Greehey Refinery East Plant at 1300 Cantwell Lane, Corpus Christi, Nueces County, Texas 78407. The existing facility will emit the following air contaminants in a significant amount: carbon monoxide and organic compounds. In addition, the facility will emit the following air contaminants: ammonia, exempt solvents, hazardous air pollutants, hydrogen sulfide, nitrogen oxides, particulate matter including particulate matter with diameters of 10 microns or less and 2.5 microns or less and sulfur dioxide. The executive director has determined that the emissions of air contaminants from the proposed facility which are subject to PSD review will not violate any state or federal air quality regulations and will not have any significant adverse impact on soils, vegetation, or visibility. All air contaminants have been evaluated, and "best available control technology" will be used for the control of these contaminants.

This application was submitted to the TCEQ on October 31, 2014. The executive director has completed the technical review of the application and prepared a draft permit which, if approved, would establish the conditions under which the facility must operate. The permit application, executive director's preliminary decision, draft permit, and the executive director's preliminary determination summary and executive director's air quality analysis, will be available for viewing and copying at the TCEQ Central Office, the TCEQ Corpus Christi Regional Office, and at the Owens R. Hopkins Public Library, 3202 McKenzie Road, Corpus Christi, Nueces County, Texas, beginning the first day of publication of this notice. The facility's compliance file, if any exists, is available for public review at the TCEQ Corpus Christi Regional Office, 500 North Shoreline Boulevard, Suite 500, Corpus Christi, Texas.

DIRECT REFERRAL.

The Notice of Application and Preliminary Decision was published, in English and Spanish, on March 15, 2022. On December 9, 2022, the Applicant filed a request for direct referral to the State Office of Administrative Hearings (SOAH). Therefore, the

chief clerk has referred this application directly to SOAH for a hearing on whether the application complies with all applicable statutory and regulatory requirements.
