RE: PM_{2.5} Exceptional Event Demonstration for the years 2022 and 2023

Dear Mr. Robinson:

The Texas Commission on Environmental Quality (TCEQ) submits for EPA's consideration the enclosed exceptional event demonstrations for dates in 2022 and 2023 at the Karnack (482030002), Austin Webberville Rd (484530021) and National Seashore (482730314) monitoring sites in accordance with Title 40 Code of Federal Regulations (CFR) §50.14(c)(3). The specific dates in 2022 and 2023 for which exceptional events are proposed are provided in Attachment A.

These demonstrations were posted for public comment. Comments received are enclosed, and minor technical changes were made to the demonstrations following the public comment period to address comments in accordance with §50.14(c)(3).

TCEQ requests that EPA concur with these demonstrations and enter exceptional event flags for the proposed dates in Air Quality System records.

Thank you for your time and consideration in reviewing this information. If you have any questions, please contact me at 512-239-6628 or donna.huff@tceq.texas.gov.

Sincerely,

Donna F. Huff, Deputy Director
Air Quality Division

Enclosure

cc: Joshua Madden, EPA Region 6
