Withdrawal: El Paso, Redesignation Request and Maintenance Plan State Implementation Plan (SIP) Revision for the One-Hour Ozone NAAQS, September 25, 2020

On September 25, 2020, the Texas Commission on Environmental Quality (TCEQ) approved the El Paso One-Hour Ozone Redesignation Request and Maintenance Plan SIP Withdrawal.

Summary of the SIP Revision

Withdrawal Date: 09/25/2020

EPA Action: No action required.

Background: On September 25, 2020, the commission approved the El Paso One-Hour Ozone Redesignation Request and Maintenance Plan SIP Withdrawal (Non-Rule Project No. 2020-040-SIP-NR). This action withdraws from EPA review, the El Paso Redesignation Request and Maintenance Plan SIP Revision for the One-Hour Ozone NAAQS (Non-Rule Project No. 2018-029-SIP-NR), adopted by the commission on April 24, 2019, and submitted to EPA on May 10, 2019. EPA has taken the position that it lacks the authority to redesignate areas to attainment under revoked standards and did not act on the redesignation request and maintenance plan.
