

## Public Involvement Plan Evaluation

Project Name: I/M SIP Revision 2025-013-SIP-NR

Project Type: Non-rule project (state implementation plans, general permits, guidelines, etc.)

TCEQ Lead Office: Office of Air

Point of Contact: Christopher Moreno

Geographic Impact: Limited geographic area Travis and Williamson Counties

Plain Language Summary:

The TCEQ is proposing a rulemaking and associated revision to the state's air quality plan (Project Nos. 2025-012-114-AI and 2025-013-SIP-NR). The proposed projects would make updates to Chapter 114 and the air quality plan that are needed due to the passage of House Bill (HB) 3297 and Senate Bill (SB) 2102 during the 88th Texas Legislature. HB 3297 eliminated the required yearly vehicle safety inspection program for noncommercial vehicles on January 1, 2025. SB 2102 extends the initial registration and inspection period for rental vehicles from two years to three years.

Planned public outreach activities: [Public notice,Public hearing]

Languages: Accommodation is required for all the following languages if % of population is greater than 5%. This includes ensuring all published notices include these languages and translation services are available at public events.

Spanish: >5%

Other Indo-European: 2%

Chinese: 1%

Vietnamese: 1%

Other Asian and Pacific Island: 1%

Other and Unspecified: 1%

Education (% of population with less than high school education): No education accommodation is required.

## Texas Commission on Environmental Quality

Economic (% of population below the poverty line): **Based on the % of the population below the poverty line (22%), the majority of all meetings should be held in person in or near the local area, if practical, or hybrid. Additional time should be provided for informal discussion before any formal public meetings or hearings.**

Prominent community and/or stakeholder groups: **Texas Inspection Station Association**

Public interest: **No.**

## Public Involvement Plan I/M SIP Revision 2025-013-SIP-NR

Type of project: **Non-rule project (state implementation plans, general permits, guidelines, etc.)**

Type of submittal: **Initial**

Lead office: **Office of Air**

Point of contact: **Christopher Moreno**

### Plain Language Summary:
