*If a process flow diagram is not provided, the TCEQ will determine when and if such information is relevant and essential to the use determination and may require the subsequent submittal of a process flow diagram.*

## Calculation of Partial Use Percentage – All Tier III Applications

50. Tier III applications require the use of the cost analysis procedure (CAP) for determining the partial use percentage. Have you attached your completed CAP calculations and supporting information documenting how each component of the CAP was calculated?

Yes  No

## Certification Statement

*Must be signed by owner or designated representative.*

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I further certify that the property listed in this application is eligible for a tax exemption under Texas Tax Code §11.31, given that:

- the property is not solely used, constructed, acquired, or installed to manufacture or produce a good or provide a service, including a good or service that prevents, monitors, controls, or reduces air, water, or land pollution;
- the environmental benefit associated with the property is not wholly derived from the use or characteristics of the goods or services produced by the property;
- the property is wholly or partly used, constructed, acquired, or installed to meet or exceed law, rule, regulation adopted by an environmental protection agency of the United States, Texas, or a political subdivision of Texas for the prevention, monitoring, control, or reduction of air, water, or land pollution;
- the property is not used for residential purposes, or for recreational, park, or scenic uses as defined by Texas Tax Code, §23.81;
- the property is not a motor vehicle, except a dedicated service motor vehicle used solely for pollution control; and
- the property was not acquired, constructed, or installed before January 1, 1994.

I am aware there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.
