

Supplemental Form Refueling Infrastructure Property Ownership Certification

Governmental Alternative Fuel Fleet Grant Program (GAFF)

Texas Commission on Environmental Quality (TCEQ)
Texas Emissions Reduction Plan (TERP)

Solicitation No. 582-25-70004-GF

This form must be submitted by GAFF applicants who are requesting funding for refueling infrastructure but are not the property owner of the site where the refueling infrastructure will be installed. Applicants must establish permission to install and operate the grant-funded equipment at the site during the contract period.

Applicant Legal Name	
Fuel Type	
Infrastructure Project Details	

Property Ownership

The information below must be completed by the property owner.

Property Owner Name	
Title	
Phone Number	
Email Address	
Mailing Address (Street or PO Box)	
City, State, and Zip Code	

Property and Project Location

Please list the location of the proposed refueling infrastructure project.

Physical Address	
City, State, and Zip Code	
County	

I, the undersigned owner of the real property located at the address identified in the refueling infrastructure project location above, consent to the installation of the refueling infrastructure on this property. I understand and agree that the applicant is obligated, unless otherwise approved by TCEQ, to keep the refueling infrastructure in operation and in service for a minimum of three years after installation.

Property Owner Signature*	
Signature Date	

*If using an electronic signature instead of a typed signature, please complete the entire form before signing. The ability to edit, add, or remove information will not be available after the form is electronically signed.
