**Light-Duty Motor Vehicle Purchase or Lease Incentive Program  
 Information Request Forms for CNG or LPG Vehicles  
 Form 2 – List of Eligible CNG or LPG Vehicles**

This form should be used for systems to convert a new light-duty motor vehicle after initial manufacture, prior to first sale or installed within 500 miles of operation of the vehicle following first sale of the new vehicle in Texas. The converted vehicle must be certified by the United States Environmental Protection Agency (EPA) to the current federal emission standards. For more information about this form, refer to the *LDPLIP Information Request Forms Instructions for Completion and Submission*.

**List up to 5 New Light-Duty Motor Vehicle Conversion Systems per sheet  
 Complete and print as many copies as necessary**
