Date

ADDENDUM N°. 1
****Important Notice to Applicants****
SOLICITATION NO. 582-26-85000-LD
FOR
Light-Duty Motor Vehicle Purchase or Lease Incentive Program

This Addendum to the Light-Duty Motor Vehicle Purchase or Lease Incentive Program (LDPLIP) serves to amend the Application Submission Deadline for hydrogen fuel cell or other electric drive (plug-in or plug-in hybrid) vehicles.

Per Section 3.2 of the LDPLIP Request for Grant Applications, TCEQ may award no more than 2,000 grants for hydrogen fuel cell or other electric drive (plug-in or plug-in hybrid) vehicles. The current number of applications received for hydrogen fuel cell or other electric drive (plug-in or plug-in hybrid) vehicles exceeds 2,000. TCEQ expects to award all 2,000 grants from the applications received to date.

TCEQ is therefore suspending the acceptance of applications for the purchase or lease of a new light-duty motor vehicle powered by hydrogen fuel cell or other electric drive (plug-in or plug-in hybrid) and amending the Application Submission Deadline for hydrogen fuel cell or other electric drive (plug-in or plug-in hybrid) to December 10, 2025, 5:00 p.m., CT.

Key Events	Date
Program Opening Date	October 8, 2025
Application Submission Deadline for hydrogen fuel cell or other electric drive (plug-in or plug-in hybrid)	December 10, 2025
Application Submission Deadline* for compressed natural gas (CNG) and liquefied petroleum gas (LPG)	March 6, 2026

*Acceptance of applications may be suspended through an addendum in the Electronic State Business Daily (ESBD) when the statutory limit of 1,000 grants for a combination of CNG and LPG vehicles during this grant period has been reached.

Any references to the Application Submission Deadline for hydrogen fuel cell or other electric drive (plug-in or plug-in hybrid) vehicles in the Light-Duty Motor Vehicle Purchase or Lease Incentive Program Solicitation Number 582-26-85000-LD in the RFGA and SUNSS Application, now refer to December 10, 2025.

TCEQ may remove the suspension should additional grant awards become available.
