

# Grant Funding for Texas Fleets

## Texas Clean Fleet Program (TCFP)

The Texas Commission on Environmental Quality (TCEQ) provides grants for the replacement of older fleet vehicles with new models powered by alternative fuels. The Texas Clean Fleet Program offers grants that cover up to 80% of eligible costs associated with the purchase of alternative fuel replacement vehicles.

**\$16 million in funding available**

### Eligible Applicants:

- Individuals or entities with a fleet of 75 or more vehicles registered in Texas.
- An applicant must submit a minimum of 10 vehicles for replacement in an application.

### Vehicles being replaced must be:

- Powered by a diesel engine.
- A heavy-duty vehicle with a gross vehicle weight rating (GVWR) greater than 8,500 lbs. or a light-duty vehicle with a GVWR less than 10,000 lbs.
- Owned, leased, or commercially financed, registered, and operated in Texas for the two years prior to submitting an application.
- In operating condition with at least two years of useful life remaining.
