

**Original Equipment Manufacturer (OEM) Information Request Form
for Chassis-Certified Natural Gas Vehicles
Texas Natural Gas Vehicle Grant Program (TNGVGP)**

**Texas Emissions Reduction Plan (TERP)
Texas Commission on Environmental Quality (TCEQ)**

If you have questions on how to fill out this information request form, please contact us at 512-239-4950 or TERP@tceq.texas.gov.

TCEQ is requesting information from manufacturers of eligible natural gas vehicles and engines under the Texas Natural Gas Vehicle Grant Program (TNGVGP). TCEQ will use this information to compile a preapproved list of natural gas vehicles, engines, and conversion systems that are eligible for funding under the TNGVGP. This request is only for entities listed as the manufacturer on the U.S. Environmental Protection Agency (EPA) Certificate of Conformity issued to certify the emissions of the vehicle or engine.

Chassis-Certified Natural Gas Vehicles: Only purpose-built chassis-certified vehicles powered by compressed natural gas (CNG), liquefied natural gas (LNG), or liquefied petroleum gas (LPG) with a model year of 2017 or newer and certified to the current federal emission standards should be listed on this form. Refer to the [TNGVGP webpage](#) to view the information request forms for the other types of natural gas vehicles and engines that may qualify under this program.

Submission Period: Responses will be accepted for consideration by TCEQ on a continuous basis via electronic mail at TNGVGP-Apply@tceq.texas.gov or via mail at one of TCEQ's addresses. Responses sent via electronic mail should include 'TNGVGP Info Request' in the subject line.

Section 1: OEM Contact Information

1. OEM Company Information: Only the Original Equipment Manufacturer (OEM) of natural gas vehicles, engines, or conversion systems may submit the OEM Information Request Form to TCEQ. Please refer to the instructions for information on entity types.

Company/Entity Name: _____

2. Company Representative: Person that can answer questions about the information contained in these forms.

Representative's Name:	
Representative's Title:	
Address:	
City:	
State:	
Zip Code:	
E-Mail Address:	
Primary Phone Number:	
Secondary Phone Number:	

3. Type of Entity: Please check all that apply.

Manufacturer of New Natural Gas or Liquefied Petroleum Gas vehicles:	
Manufacturer of New Natural Gas or Liquefied Petroleum Gas Heavy-Duty engines:	
Manufacturer of conversion systems for Chassis-Certified vehicles:	
Manufacturer of conversion systems for Heavy-Duty engines:	

4. Certification of OEM Representative:

I certify that:

- The company listed is the manufacturer of the vehicles/engines listed in this form;
- The information supplied here is true and accurate to the best of my knowledge;
- The vehicles/engines listed herein meet the eligibility requirements as defined in the TNGVGP Information Request Forms Instructions for Completion and Submission, Texas Health and Safety Code §394.003, and Title 40 Code of Federal Regulations §85.510; and
- I am duly authorized to submit this form to the TCEQ on behalf of the company listed on this form.

OEM Representative Signature:	
Date of Signature:	

Section 2: Chassis-Certified Vehicle/Engine Information

This form should be used for purpose-built Chassis-Certified vehicles powered by CNG, LNG, or LPG and certified to the current federal emission standards. This form should not be used for vehicles that are originally manufactured to operate on gasoline or diesel fuel, even if the conversion of the vehicle may occur through a flow-through process prior to first sale of the vehicle.

Chassis-Certified vehicles include vehicles classified as Medium Duty Passenger Vehicles under Environmental Protection Agency (EPA) requirements, between 8,501 and 10,000 lbs. GVWR, and Heavy-Duty vehicles between 8,501 and 14,000 lbs. GVWR that are alternatively Chassis-Certified by the EPA. For more information about this form, refer to the TNGVGP Information Request Forms Instructions.

List up to 5 Chassis-Certified Vehicles.

Description	Chassis-Certified Vehicle	Chassis-Certified Vehicle	Chassis-Certified Vehicle	Chassis-Certified Vehicle	Chassis-Certified Vehicle
Vehicle Test Group/Family (refer to CARB ¹ or EPA)					
Vehicle Make					
Vehicle Model					
Vehicle Description (i.e., Passenger Van, Delivery Truck)					
Vehicle Model Year					
Engine Make					
Engine Model					
Engine Model Year					
Engine Displacement (in Liters)					
Fuel Type(s)					
Fuel System (Dedicated or dual fuel; bi-fuel <i>not</i> eligible)					
If Dual-Fuel, maximum % displacement of diesel fuel (must be at least 60%)					
Vehicle Classification (MDPV, or HD Class 2b or 3)					
Gross Vehicle Weight Rating (GVWR)					
Certification BIN (MDPV or Chassis-Certified) in grams/mile (refer to CARB or EPA)					

REQUIRED DOCUMENTATION

The following supporting documentation must be submitted with this form to be considered. Please mark the box that corresponds with the documentation type included with this form. Mark all that apply.

EPA Certificate of Conformity for the Chassis-Certified Vehicles listed on this form	
CARB Executive Order for the Chassis-Certified Vehicles listed on this form	

¹California Air Resource Board
