

Thank you for your interest in the Texas Volkswagen Environmental Mitigation Program (TxVEMP) DC Fast Charging and Hydrogen Dispensing Supply Equipment Program. This e-mail provides instructions for registering and joining the informational webinar scheduled for **Tuesday, October 12, 2021, 2:00 p.m. – 3:30 p.m. CT.**

[Click here to register and receive the link to join the webinar.](#)

Once you have registered, you will receive a confirmation email with a link to join the webinar. We ask that all attendees **are signed in 15 minutes** prior to the beginning of the webinar to allow for time to troubleshoot any technical difficulties. If you experience any technical difficulties, please call Sandra Hernandez at 512-239-1862 **before the webinar begins.**

Tips and Troubleshooting:

- Mute your microphone (if you have mic capabilities through headphones or computer) when you are not speaking to eliminate unwanted audio feedback and unnecessary noise for others in the webinar.
- If you cannot hear anything from the speaker on your computer, use headphones. Plug headphones in and select from the pop-up window “headphones with mic” or “headphones”. Open the webinar invite from your email and you should have audio.

We look forward to seeing you there.
