Agreement Introduction

The Texas Commission on Environmental Quality (“TCEQ”), an agency of the State of Texas, and the Texas Water Development Board (“Third-Party Administrator”), an agency of the State of Texas, (collectively, “the parties”) enter this Third-Party Supplemental Environmental Project Agreement (from now on “Agreement”). The Agreement is effective on the date signed by an authorized representative of TCEQ.

The Third-Party Administrator has developed an environmental enhancement project (“Project”), which is described in this Agreement. The parties agree that the Project qualifies as a supplemental environmental project (“SEP”) under Texas Water Code § 7.067 and TCEQ guidance on SEPs. This Agreement designates this Project as a pre-approved SEP. Respondents to TCEQ enforcement actions may choose to contribute to an eligible pre-approved SEP that benefits the community in which their alleged violations occurred. All contributions to pre-approved SEPs are voluntary, and all funds will come directly from eligible respondents. **TCEQ will not provide any direct funding, and no amount of funding is guaranteed.**

Project Description

I. Facts/Purpose

This Project will extend Third-Party Administrator's existing groundwater level monitoring network by funding installation, maintenance, and equipment upgrades or replacement of up to two automatic real-time groundwater level recorders per aquifer-county combination in Texas. An aquifer-county combination refers to the portion of a Texas Water Development Board-designated major or minor aquifer located within a specific county. Many counties contain more than one designated aquifer, and the potential number of wells monitored in each county depends on how many aquifers are present in that county, associated groundwater production targets, and other factors. For example, portions of the Edwards (Balcones Fault Zone), Trinity, and Hickory aquifers are present in Travis County; SEP Funds could support up to six recorder locations in Travis County. The data generated from the extended network will be made available to the public to provide awareness of the effects of drought on Texas' major and minor aquifers and assist groundwater planning at the local and statewide level.

Third-Party Administrator's existing groundwater level monitoring network consists of 264 automatic water-level recorder wells in 112 Texas counties. Third-Party Administrator, in cooperation with groundwater conservation district counterparts, operates and maintains 233 of these sites, with the remaining 31 sites operated and maintained by the U.S. Geological Survey (Exhibit 1). An automatic groundwater level recorder well is an unused water well that has been installed with water-level recording equipment and a data logger. Third-Party Administrator provides the real-time data generated by the existing network to the public via the Water Data for Texas website created by its Water Science and Conservation office. In addition, Third-Party Administrator publishes periodic reports called Technical Notes that summarize groundwater conditions and changes based upon the data provided by the network. The data and reports are available online at <http://waterdatafortexas.org/groundwater> and https://www.twdb.texas.gov/publications/reports/technical_notes/index.asp. Currently, at least forty-three Texas cities and/or groundwater conservation districts rely upon the real-time data provided by Third-Party Administrator's groundwater level monitoring network to assist in drought monitoring and groundwater management at a local level.

Third-Party Administrator will use SEP Funds to purchase, install, and maintain automatic water-level recorders in unused wells to satisfy updated network objectives of up to two recorders per recognized aquifer per county in Texas. There are 665 distinct aquifer-county combinations in the state of Texas (Exhibit 2), which implies a recorder well network of up to 1,330 wells. This corresponds to a coverage area of approximately 250 square miles per well across the 333,515 square miles of aquifer area in Texas and is consistent with well spacing guidelines established by the U.S. Geological Survey National Groundwater Monitoring Network. It is important to note that two recorders per recognized aquifer per county is a generally defined scope, and the square mileage of specific aquifer-county combinations varies widely. Therefore, Third-Party Administrator program staff will make efforts to space wells at a minimum of one well per aquifer per county and a maximum of one well per 250 square miles per aquifer per county when evaluating new sites.

Third-Party Administrator shall give preference to installing water-level recorders with SEP funding initially in counties in which there are (1) no existing automatic water-level recorder wells, (2) no groundwater conservation districts, or (3) groundwater conservation districts that do not have the staff and/or the financial ability to install an automatic water-level recorder. Upon installation of water-level recorders in all counties that meet those conditions, or when sites are not available in those designated priority areas, Third-Party Administrator shall begin installing water-level recorders in the remaining aquifer-county combinations until there are two automatic water-level recorder wells per recognized aquifer per county in Texas or until the contract has terminated.

II. Project Scope

Third-Party Administrator will attempt to install 75 water-level recorders; funds, well sites, equipment, and staff availability permitting. This project lasts for five years from the execution date, unless extended.

III. Environmental Benefit

The groundwater stored within Texas' major and minor aquifers is an important natural resource that is relied upon to meet the water supply demands of Texans across the state. Many factors affect the availability of this resource, including drought and increased demand. This Project will further provision of statewide comprehensive real-time groundwater level data to Texas counties, cities, groundwater conservation districts, water supply companies, and individual well owners. The availability of this comprehensive data will promote awareness of the effects of drought on Texas' aquifers and assist in groundwater management planning and use throughout the state.

IV. Eligible Areas and Counties

Statewide

V. Minimum Contribution Amount

The minimum contribution amount is \$500. Third-Party Administrator has the discretion to accept contributions under the minimum contribution amount.

Any request for extension must be received 30 days prior to the end of the term.
- 2.2. **Fully Funded.** When the Total Cost of the Estimated Project Budget is met or exceeded by a contribution from a respondent, TCEQ will consider the project fully funded. When the project is fully funded, TCEQ will remove it from the PAL. Third-Party Administrator is still responsible for the expenditure of funds and completion of the project in accordance with this Agreement after the SEP is fully funded. Third-Party Administrator may request an amendment through the process described in Section 2.3.

to increase the budget if the project is not and will not foreseeably be complete after being fully funded. This amendment will again allow the project to be added to the pre-approved list of SEPs available to respondents for contributions.

- 2.3. Amendments.** This Agreement may be amended by mutual agreement. Except as specifically allowed by the Agreement, all material changes to the Agreement require a written amendment that both parties sign.

2.3.1. Material Changes. “Material changes” include the following:

- 2.3.1.1. Changes in the total amount of funds in the estimated project budget and/or changes to the amount allowed for specific line items;
- 2.3.1.2. Changes to the Agreement’s Expiration Date;
- 2.3.1.3. Changes to the Project Description that affect the nature or scope of the project; and
- 2.3.1.4. Changes that affect the material obligations of Third-Party Administrator in this Agreement.

2.3.2. Unilateral Amendments. As specifically allowed by the Agreement, TCEQ may issue unilateral amendments. Unilateral amendments take effect when issued by TCEQ.

- 2.3.2.1. The only portion of the agreement that the Third-Party Administrator may unilaterally amend is the Contact Information located in the Agreement Introduction through written notice to the other party. TCEQ may also unilaterally amend the Contact Information.

2.3.3. Minor Changes. TCEQ has the authority, without a written amendment, to correct typographical errors; make written Agreement interpretations, and make minor, non-material changes to the requirements in the Project Description, reporting requirements, or as agreed to elsewhere in the Contract. Third-Party Administrator may request in writing that TCEQ make Minor Changes to the Agreement. If Third-Party Administrator objects to a Minor Change, it must provide TCEQ with a written objection to any Minor Change no later than 5 business days from the effective date of the Minor Change. A copy of the agreed change shall be retained by both Third-Party Administrator and TCEQ. Minor, non-material changes may include, but are not limited to:

- 2.3.3.1. Changes to the schedule in the Project Description, including an extension to any proposed date included in the project, not to exceed the expiration date of the Agreement;
- 2.3.3.2. Changes to the individual tasks/activities in the Project Description, if applicable, that do not substantially change the obligations of the Parties relative to those tasks/activities; and
- 2.3.3.3. Changes to the descriptions of the Estimated Project Budget line items that do not substantively affect the nature of the line item, including changes to update model or equipment types. Changes to the amount of funds allowed for each item is not a Minor Change.

- 2.4. Termination.** Either party may terminate this Agreement with or without cause after providing written notice 30 days prior.

- 2.4.1. **Final Accounting.** Within 30 days after the effective date of the termination, Third-Party Administrator shall make a written accounting to TCEQ of all SEP Funds received, expended, and remaining under this Agreement. This accounting must associate SEP Funds to specific docket numbers and must utilize the TCEQ SEP Third-Party Administrator Final Report form as specified in Section 4.3. of this Agreement. This final accounting must include the remittal or transfer of all SEP Funds under Section 3.8. of this Agreement.
- 2.4.1.1. If TCEQ finds that any SEP Funds are not accounted for in the Final Accounting and remittal to TCEQ of any remaining SEP Funds, Third-Party Administrator shall be required to remit these funds to TCEQ from sources unrelated to its SEP Funds or accounts. Failure to remit funds that were not properly accounted for to TCEQ will result in Third-Party Administrator owing a debt to TCEQ.
- 2.4.2. **Termination for Cause.** TCEQ may terminate for cause, without a 30 day notice period, if Third-Party Administrator materially fails to comply with the Agreement, including any one or more of the following acts or omissions: violations of accounting practices, including comingling; failure to expend funds in a timely manner; failure to submit quarter reports on a timely basis; or expenditure of SEP Funds in a manner not authorized by this Agreement.
- 2.4.3. **Opportunity to Cure.** Third-Party Administrator will have a reasonable opportunity to correct its nonconforming performance if possible under the circumstances.

3. SEP FUNDS

- 3.1. **Estimated Project Budget.** TCEQ has approved the Estimated Project Budget on page 5 of this Agreement. SEP expenditures for each line item must be Allowable SEP Expenses. Expenditures must not exceed 10% over the budgeted amount for each line item unless Third-Party Administrator receives prior written approval from TCEQ. If Third-Party Administrator does not receive TCEQ approval for the amount of an expenditure that exceeds a line item by ten percent, SEP Funds must not be used for that increased cost expenditure. Third-Party Administrator shall, on request from TCEQ, remit to TCEQ any line item expenditures in excess of the ten percent limit, in accordance with the procedures outlined in Section 3.8. of this Agreement. The Parties acknowledge that there may be other Project costs that are not included in the Estimated Project Budget that may be paid for with non-SEP Funds.
- 3.2. **Maintenance of SEP Funds.** Upon receipt of its first Project contribution from a respondent in a TCEQ enforcement action, Third-Party Administrator shall open and maintain a separate SEP Funds account or book account. The SEP Funds account must be a fee-free account without a minimum balance requirement that is used exclusively for SEP Funds. The SEP Funds account must be at a financial institution that is insured by the Federal Deposit Insurance Corporation and that provides regular accounting statements that are acceptable to TCEQ.
- 3.2.1. **Interest.** The SEP Funds account may either be interest-bearing or non-interest-bearing. All earned interest on SEP Funds, if any, must be accounted for. Any earned interest on SEP Funds becomes part of the SEP Funds.
- 3.2.2. **Commingling.** Unless Third-Party Administrator accounts for SEP Funds separately in a manner that receives prior written approval from TCEQ, such as an acceptable book account, SEP Funds must not be commingled with any non-SEP Funds. SEP Funds may only be used to reimburse other accounts with the

express permission of TCEQ. Reimbursing other accounts without prior written approval from TCEQ is considered comingling under this Agreement.

- 3.3. **Use of SEP Funds.** Third-Party Administrator shall expend SEP Funds only for Allowable SEP Expenses that are authorized by the Estimated Project Budget on page 5 of this Agreement. Third-Party Administrator shall ensure that the expenditure of SEP Funds results in the performance of adequate and timely Project work and that purchases are made in accordance with this Agreement. Third-Party Administrator may expend SEP Funds for work being performed by or for Third-Party Administrator.
- 3.4. **Administrative Expenses.** In accordance with Texas Water Code § 7.067(c), Third-Party Administrator may only expend SEP Funds for direct project expenses. SEP Funds must not be used for administrative expenses, including overhead costs, personnel salary and fringe benefits, and travel and per diem expenses associated with implementing the Project.
- 3.5. **Accounting.** Third-Party Administrator shall account for the receipt and expenditure of SEP Funds, including all interest earned on such funds. Third-Party Administrator will submit records of this accounting at least quarterly as described in Section 4.2., Quarterly Reports.
- 3.6. **Timely Expenditure.** Third-Party Administrator shall expend SEP Funds in a timely manner after receipt of SEP Funds. If TCEQ determines that SEP Funds were not expended within a reasonable period of time, it may request a written explanation for the delay and a plan to expend the funds. Failure to expend SEP Funds in a timely manner may result in termination of the Agreement.
- 3.7. **No Guarantee of Funding.** Respondents to TCEQ enforcement actions voluntarily contribute to eligible SEPs of their choice. Therefore, it is possible that no respondents will choose to contribute SEP Funds to this Project. *Third-Party Administrator understands that there is no guarantee that it will receive any SEP Funds under this Agreement.*
- 3.8. **Remittal of SEP Funds.**
- 3.8.1. **Refund requirements.** Any remittal of SEP Funds made according to the terms of this Agreement, made either to the SEP Account or to TCEQ, must be accompanied by a detailed written accounting in a manner acceptable to TCEQ.
- 3.8.1.1. If funds are remitted to TCEQ, the remitted SEP Funds must be in the form of a check or money order made out to "Texas Commission on Environmental Quality" and sent to the following TCEQ Address:
- Texas Commission on Environmental Quality
Litigation Division
Attention: SEP Coordinator, MC 175
P.O. Box 13087
Austin, Texas 78711-3087
- 3.8.2. **Transfer of SEP Funds to another project.** In lieu of remitting unexpended SEP Funds after the conclusion or termination of the Project, and with the written direction and approval of TCEQ, Third-Party Administrator may transfer SEP Funds to another SEP as directed by TCEQ. Any transfer of SEP Funds must be accompanied by a detailed written accounting in a manner acceptable to TCEQ.
- 3.8.3. **Remaining Funds.** If any SEP Funds remain after the conclusion or termination of the Project, Third-Party Administrator must either remit the SEP Funds to TCEQ or transfer the SEP Funds to another SEP as directed by TCEQ. Third-Party

Administrator must remit or transfer SEP Funds within 30 days after the due date of the Final Quarterly Report required by Section 4.3.

3.8.4. **Unallowable costs.** If at any time TCEQ determines that SEP Funds were expended in a manner not allowed by this Agreement, Third-Party Administrator shall, on request from TCEQ, remit all improperly spent SEP Funds to the SEP Account. Such a remittal shall be accompanied by a detailed written accounting in a manner acceptable to TCEQ.

3.9. **Other contributions to the Project.** Nothing in this Agreement is to be construed to prevent Third-Party Administrator from accepting funds from charitable contributors or other sources to the extent permitted by law. Third-Party Administrator may expend funds from sources other than SEP Funds ("non-SEP Funds") in furtherance of the Project, so long as the expenditures do not violate the accounting practices described in Section 3.2. of this Agreement. If Third-Party Administrator expends non-SEP Funds for any of the line items listed in the Estimated Project Budget of this Agreement, Third-Party Administrator shall report the source and amount of the non-SEP Funds and provide a list of items and expenses for which the non-SEP Funds were used in the Quarterly Reports required under Section 4.2.

4. REPORTING REQUIREMENTS

4.1. **Records.** Third-Party Administrator shall maintain all records relating to the Agreement, including organized and legible financial records, books, documents, and other evidence reasonably pertinent to its performance under this Agreement for the duration of the entire Agreement, and for a minimum of 5 years from the date that a Final Quarterly Report is submitted. Third-Party Administrator shall maintain all financial records in accordance with generally accepted accounting principles.

4.2. **Quarterly Reports.** Third-Party Administrator is required to send Quarterly Reports ("QRs") to account for SEP Funds and update TCEQ on the status of the Project. The QRs must be submitted on the approved TCEQ SEP Third-Party Administrator QR Form ("QR Form"). The deadlines for sending QRs are included on the QR Form.

4.2.1. **Quarterly Report Contents.** The QRs must include all information required elsewhere within this Agreement, as well as the following information:

- 4.2.1.1. A list of the amount of SEP Funds received during the previous quarter with each corresponding respondent name, contribution docket number, dollar amount received, and date received, as well as copies of contribution checks;
- 4.2.1.2. A list of actual expenditures on the Project paid for with SEP Funds and any necessary accompanying explanation and documentation, including invoices and general ledgers;
- 4.2.1.3. SEP Funds account statements from the account's financial institution, for each month of the previous quarter;
- 4.2.1.4. The total balance of the SEP Funds, with interest, if any, separately noted;
- 4.2.1.5. A description of the Project work to which SEP Funds were allocated and progress made to date;
- 4.2.1.6. Copies of all receipts for all SEP Fund expenditures, copies of all checks for SEP Fund expenditures, and documentation and explanations to support all electronic funds transfers from the SEP Funds account; and

- 4.2.1.7. Any additional information required by the Special Conditions of this Agreement, requested by TCEQ or in the QR Form, or that Third-Party Administrator believes would demonstrate compliance with this Agreement.
- 4.2.2. **Failure to submit QRs.** QRs must be timely submitted even if they do not contain any new SEP Funds activities. Third-Party Administrator may request an extension from TCEQ in writing. QR Extensions requests must include a reason for seeking the extension and be received by TCEQ within 30 days of the deadline. Failure to provide QRs in a timely manner will constitute grounds for termination of this Agreement.
- 4.3. **Final Report.** At the conclusion or termination of the Project, Third-Party Administrator is required to submit a final QR to TCEQ on the approved QR Form for the quarter in which the Project concluded. The deadlines for doing so are included on the QR Form. In addition to the information required in Section 4.2.1. of this Agreement, this final QR must include the following information:
 - 4.3.1. An accounting of SEP Funds that were not used for the Project;
 - 4.3.2. Any additional information Third-Party Administrator believes would demonstrate compliance with this Agreement; and
 - 4.3.3. Any additional information requested by TCEQ.
- 4.4. **Additional Reporting.** Third-Party Administrator agrees to provide additional information and/or documentation requested by TCEQ under this Agreement within 30 days after receipt of the request, unless TCEQ specifies another deadline in writing.
- 4.5. **Surviving obligations.** The obligations required by Section 4.1., Records; Section 4.3., Final Report; and Section 4.4., Additional Reporting, survive the termination of this Agreement.

5. THIRD-PARTY ADMINISTRATOR'S RESPONSIBILITIES

- 5.1. **Access.** The following obligations survive termination of this Agreement.
 - 5.1.1. **Inspection and Audit.** Third-Party Administrator shall permit TCEQ as well as authorized state and federal agencies to have unrestricted access to all records, data, and facilities as necessary to review, inspect, and audit all activities and services associated with SEP Funds under this Agreement. Third-Party Administrator shall provide appropriate accommodations for such access and inspection.
 - 5.1.2. **Access to Project.** Third-Party Administrator agrees to provide access by TCEQ and its representatives to the site of any work performed in whole or in part utilizing SEP Funds, and it shall require its contractors to provide the same access.
- 5.2. **Quality and Acceptance.** All work performed under this Agreement must be complete and satisfactory in the reasonable judgment of TCEQ. All materials and equipment shall be handled in accordance with the instructions of the applicable supplier, except as otherwise provided in the Agreement.
- 5.3. **Insurance.** Unless prohibited by law, Third-Party Administrator shall require its contractors and suppliers to obtain and maintain adequate insurance coverage sufficient to protect the Third-Party Administrator from all claims and liability for injury to persons and for damage to property arising from work performed under the Agreement. If Third-Party Administrator is performing work under this Agreement using its own employees and resources, then, unless Third-Party Administrator is a governmental

entity or this requirement is waived by TCEQ, Third-Party Administrator shall obtain and maintain insurance coverage sufficient to protect the Third-Party Administrator from all claims and liability for injury to persons and for damage to property arising out of Third-Party Administrator's performance of the work under this Agreement.

- 5.4. **Assumption of Risk.** Third-Party Administrator undertakes performance of the Project as its own work and does not act in any capacity on behalf of TCEQ nor as a TCEQ agent or employee. Third-Party Administrator agrees that the Project is performed at Third-Party Administrator's sole risk as to the means, methods, design, processes, procedures, and conduct of the Project.
- 5.5. **No Third-Party Beneficiary.** Third-Party Administrator is an independent entity and performs the Project as part of its own authorized functions. Nothing in this Agreement shall create a contractual relationship between TCEQ and any of the Third-Party Administrator's subcontractors, suppliers, or other persons or organizations with a contractual relationship with Third-Party Administrator.
- 5.6. **Indemnification.** To the fullest extent permitted by law, Third-Party Administrator shall indemnify and hold harmless TCEQ and its representatives from and against all losses, liabilities, damages, and other claims of any type arising from the performance of the Project by Third-Party Administrator or its contractors, subcontractors, suppliers, and agents, including those arising from workmanship, materials, or from a breach of applicable laws, regulations, safety standards, or directives regardless of whether such acts or omissions are negligently or recklessly performed. This indemnification survives the termination of the Agreement.
- 5.7. **Excluded Parties.** Third-Party Administrator represents and warrants that it is not listed in the prohibited vendors lists authorized by Executive Order No. 13224 "Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism," published by the United States Department of the Treasury, Office of Foreign Assets Control. Third-Party Administrator will notify TCEQ if it can no longer make this representation.
- 5.8. **COVID-19 Vaccine Passport Prohibition.** Under § 161.0085 of the Texas Health and Safety Code, Third-Party Administrator certifies that it is not ineligible to receive the Contract and will maintain this certification throughout the term of the Contract.
