CHECKLIST WORKSHEET

MSW MEDICAL WASTE MOBILE TREATMENT

Regulating Entity Name

Date:

Additional I D:

Investigator Name:

Item Number	1	Description	SECTION A: ON-SITE TREATMENT REGISTRATION Was the provider of on-site treatment registered with the commission at least 60 days prior to commencing operations? Was all the required information for the registration or renewal provided to the commission?		
		Answer	Citations	326.55(a)(8)	Notes
Item Number	2A	Description	Was the information on the registration form current? If applicable, was all required up-date information provided by letter within 30 days?		
		Answer	Citations	326.55(c)	Notes
Item Number	2B	Description	Was required notification made due to changes in the method employed to treat medical waste?		
		Answer	Citations	326.55(c)(1)	Notes
Item Number	2C	Description	Was required notification made due to changes in the location of the office or place of business?		
		Answer	Citations	326.55(c)(2)	Notes
Item Number	2D	Description	Was required notification made due to changes in the name of the registrant or owner?		
		Answer	Citations	326.55(c)(3)	Notes
Item Number	2E	Description	Was required notification made due to changes in the name of partners or corporate directors or corporate officers?		
		Answer	Citations	326.55(c)(4)	Notes
Item Number	2F	Description	Was the required notification made due to changes in the unit information?		
		Answer	Citations	326.55(c)(5)	Notes
Item Number	3	Description	SECTION B: RECORDKEEPING Was the Annual Report filed by March 1st and did it include all of the information required in 326.55(b)(8)?		
		Answer	Citations	326.89(c)	Notes
Item Number	4	Description	Did the providers of on-site treatment of MW on mobile treatment units furnish the generator the documentation required in 326.55(b)(6)(A)-(B) and a statement that the medical waste was treated in accordance with 25 TAC 1.136 for the generator's records?		
		Answer	Citations	326.55(b)(10)	Notes
Item Number	5A	Description	Did the providers of on-site treatment of MW on mobile treatment units properly maintain records of all waste treatments including:		
		Answer	Citations	326.55(b)(8)	Notes
Item Number	5B	Description	the name, address and phone number of each generator?		
		Answer	Citations	326.55(b)(8)(A)	Notes
Item Number	5C	Description	the date of treatment?		
		Answer	Citations	326.55(b)(8)(B)	Notes
Item Number	5D	Description	the amount of waste treated?		
		Answer	Citations	326.55(b)(8)(C)	Notes
Item Number	5E	Description	the method/conditions of treatment?		
		Answer	Citations	326.55(b)(8)(D)	Notes
Item Number	5F	Description	the printed name and initials of the person(s) performing the treatment?		
		Answer	Citations	326.55(b)(8)(E)	Notes

Texas Commission on Environmental Quality

CHECKLIST WORKSHEET

MSW MEDICAL WASTE MOBILE TREATMENT (Cont)

Item Number 5G	Description	a written operating procedure, equipment testing procedure and preparation procedure for any chemicals used in the treatment? Records of any routine performance testing using biological indicators and/or monitoring of parametric controls conducted in accordance with §326.41(b)(4); and identification of performance test failures including date of occurrence, corrective action procedures, and retest dates?		
		Answer	Citations	Notes
Item Number 6	Description	Did the providers of on-site treatment of MW on mobile treatment units provide adequate training of all operators in the use of any equipment used in treatment?		
		Answer	Citations	Notes
Item Number 7	Description	Did the providers of on-site treatment of MW on mobile treatment units provide a description of the management and disposal of process waters generated during treatment events?		
		Answer	Citations	Notes
