

# House Bill 3810 – Notification Form Demo

Immediate Notification for Water Outage, Boil Water, Do-Not-Use,  
and Do-Not-Consume Notices

# Immediate Notification Form

## Immediate Notification for Water Outage, Boil Water, Do-Not-Use, and Do-Not-Consume Notices

Non-industrial public water systems (PWS) must immediately notify TCEQ of an unplanned condition that has caused a public water supply outage or the public water supply system to issue a do-not-use advisory, do-not-consume advisory, or boil water notice (BWN). [Per Texas Health and Safety Code (THSC) subsection 341.033(j)(6) added by House Bill 3810, passed in the 88th Legislative Regular Session].

PWSs are also required to issue a BWN water notice, do-not-use advisory, or do-not-consume advisory within 24 hours, and submit a copy of the initial BWN Certificate of Delivery, the Rescind Notice, and its Certificates of Delivery to TCEQ within 10 days of public distribution as proof of public notification.

For more information, please see the TCEQ Boil Water Notice webpage:  
<https://www.tceq.texas.gov/drinkingwater/boilwater.html>

Boil Water Notice Flowchart: <https://www.tceq.texas.gov/gpo/bwn-flowchart>

This form is not intended for filing complaints. To submit an environmental complaint, please visit the TCEQ's dedicated complaints page, <https://www.tceq.texas.gov/compliance/complaints>.

For assistance in filling out this form or to report verbally, call 833-419-0551 (toll free) or 512-424-2208.

\* Required

### 1. Issue Type \*

What type of issue are you providing notification for? Select all that apply.  
If none of the below items apply to your situation a PWS Emergency Notification is not required.

- ☐ Notification of Boil Water Notice
- ☐ Notification of Do Not Consume
- ☐ Notification of Do Not Use
- ☐ Unplanned Water Outage
- ☐ Unplanned Water Outage Due to Drought

### 2. Number of connections affected? \*

Provide the exact or best estimate of the number of connections affected (Max Estimate, no ranges)

The value must be a number

### 3. Date of Incident: \*

Please input date (M/d/yyyy)

### 4. Name of PWS \*

Enter your answer

### 5. PWS ID: Must include TX (example: TX0012345) \*

Enter your answer

### 6. Primary County \*

Select your answer

### 7. Contact Name: \*

Enter your answer

### 8. Contact Phone Number (XXX-XXX-XXXX) \*

Enter your answer

### 10. Contact Title \*

- ☐ Owner
- ☐ Agent
- ☐ Manager
- ☐ Operator
- ☐ Other

# Form Questions 1 to 3

\* Required

## 1. Issue Type \*

What type of issue are you providing notification for? Select all that apply.  
If none of the below items apply to your situation a PWS Emergency Notification is not required.

- ☐ Notification of Boil Water Notice
- ☐ Notification of Do Not Consume
- ☐ Notification of Do Not Use
- ☐ Unplanned Water Outage
- ☐ Unplanned Water Outage Due to Drought

## 2. Number of connections affected? \*

Provide the exact or best estimate of the number of connections affected (Max Estimate, no ranges)

The value must be a number

- Required fields: 9 of the 11 questions are required.
- Issue Type: 5 selectable options. Select all that apply
- Number of connections affected: This is not the population. TCEQ auto calculates an approximate population.
  - Approx. Pop = 3 x Connections
  - Ex: 50 connections x 3 = ~ 150 pop

# Form Questions – Required
