

**CYBERSECURITY AND INFRASTRUCTURE SECURITY AGENCY (CISA)
INTEGRATED OPERATIONS DIVISION (IOD) REGION 6**

Water & Wastewater Systems Sector Chemical Security Workshop

Event Details

Date: May 14, 2024

Time: 8:30 AM – 4:30 PM CST

Location: 225 E John Carpenter Freeway, Irving TX (Mandalay
Tower 2)

3rd Floor Conference Center, Suite 305

CISA Region 6 invites you to learn more about the free, voluntary services we provide that can improve the overall security posture around the chemicals at your facility.

Workshop Highlights:

- Threat environment briefing
- Regional services overview from subject matter experts
- Cyber security services and briefing from Region 6 Chief of Cyber Security
- Obtain completion certificate for ChemLock: Secure Your Chemicals Security Planning Course.
 - Course topics include the Importance of Chemical Security, How to Assess Your Facility's Risk, and Security Goals in a Security Plan

Registration for this event is free.

To register visit: <https://forms.office.com/g/1HHR2SD1FL>

Registration is limited to 50 participants. You must register to attend.

If more than 50 registrants are received, we will host a second workshop on May 15th.

See attached documents for full agenda and other details.
