

# Texas Commission on Environmental Quality (TCEQ) Notification of New Source or Long-Term Treatment

**PWS ID#:** TX **PWS Name:** \_\_\_\_\_

**Public water systems (PWS) must submit this form to notify the TCEQ of the anticipated implementation date of the new source and/or new long-term treatment.** Based on receipt of this form and in accordance with 30 Texas Administrative Code Chapter 290.117(d)(2)(E), the PWS will be scheduled to conduct additional monitoring to ensure that the system maintains optimal corrosion control. Additional sampling will include two consecutive 6-month monitoring periods of lead and copper tap and water quality parameter sampling. TCEQ will notify the PWS of any sampling requirement changes. In accordance with 290.117(i)(9)(B), this notice must be received at least 3 months before the anticipated implementation date or once the project is 90% complete. Failure to notify the TCEQ may result in compliance violations.

**TCEQ approval letter date:** \_\_\_\_\_

**TCEQ plan review log number: P-**\_\_\_\_\_

**Description of new source and/or treatment change:**  
\_\_\_\_\_

**Date new source and/or new treatment will be implemented:** \_\_\_\_\_
