RG-211

# Surface Water Treatment Plant Requirements for Monthly Reporting and Public Notification

# Contents

Abbreviations.....	v
Overview .....	1
Rules Associated with this Guidance.....	1
Additional Reporting Requirements .....	2
TCEQ Contact Information.....	2
TCEQ Publications .....	2
We and You in This Guidance.....	2
1. Introduction.....	3
1.1 Reporting Forms .....	3
1.2 Organization of this Guidance.....	4
1.3 Electronic Form Features .....	4
1.4 Reports and Records.....	9
1.5 Monitoring and Analysis .....	10
2. Customizing an SWMOR Workbook.....	11
2.1 Opening Screen Security Warning.....	11
2.2 System Information Dialog Box.....	12
2.3 Plant Parameters Dialog Box .....	13
2.4 Disinfection Process Parameters Dialog Box.....	15
2.5 Alternative Technologies and LT2 ESWTR Dialog Box .....	18
2.6 Entering Your Plant Information (P.2).....	19
2.7 Saving your Customized Workbook.....	20
3. Entering Data in a Customized SWMOR Workbook .....	21
3.1 Creating a Monthly Workbook File .....	21
3.2 Turbidity and Disinfectant Residual Performance Data (P.2).....	23
3.3 IFE Turbidity Performance Data (P.3).....	30
3.4 Disinfection Process Performance Data (P.4 & 5).....	39
3.5 TOC Data (P.6, 7, 8, and SUVA).....	45
3.6 Imported Data .....	60
4. Compiling Summary Data .....	61
4.1 Treatment Plant Performance.....	61
4.2 Distribution System.....	66
4.3 Additional Reports and Worksheets .....	69

4.4 Statistical Analysis of Turbidity Data .....	70
4.5 Statistical Analysis of pH Data <b>CALC</b> .....	71
4.6 Summary Page Addendum (Violations and Public Notices).....	71
4.7 Printing, Signing, and Submitting your MOR.....	74
5. Additional Guidance for Plants with Alternative Treatment Technologies.....	75
5.1 Customizing Your Workbook .....	75
5.2 Entering Data in Customized SWMOR for Plants with Alternative Treatment.....	92
5.3 Compiling Summary Data.....	93
5.4 Membrane Worksheets (PBT, QBT, and MBT) .....	93
5.5 Crypto CT Worksheet.....	106
5.6 UV Sensor Data Worksheet.....	108
5.7 UV ISA Worksheet.....	112
5.8 UV CDA Worksheet.....	116
5.9 UVT Analyzer Worksheet.....	123
5.10 Prefilters Worksheet .....	125
5.11 Bag, Cartridge Worksheet .....	135
5.12 Enhanced IFE Worksheet.....	141
5.13 2nd Stage Filters Worksheet .....	143
6. Additional Guidance for 2-Filter Plants .....	146
6.1 Entering Data in Customized SWMOR for 2-Filter Plants.....	146
6.2 Compiling Summary Data.....	152
6.3 Printing, Signing, and Submitting Your MOR .....	152
7. Filter Profile Studies and FPRs .....	153
7.1 General Information.....	153
7.2 Obvious Reasons (P.1).....	154
7.3 Narrative Description of the Filter Profile (P.2) .....	157
7.4 Printing, Signing, and Submitting the FPR .....	159
8. Filter Assessments and FARs .....	160
8.1 General Information.....	160
8.2 Design Specifications and Operating Procedures (P.1) .....	161
8.3 Current, Media Surface, and Backwash Conditions (P.2) .....	176
8.4 Filter Probe, Filter Excavation, Additional Studies, and Conclusions (P.3).....	186
8.5 Filter Schematic (P.4).....	194
8.6 Narrative Description of Filter Profile (P.5) .....	194

8.7 Corrective Action Plan (Optional) (P.6) ..... 194

8.8 Printing, Signing, and Submitting the FAR..... 194

9. CPE Requests and mCPEs ..... 196

    9.1 General Information..... 196

    9.2 Plant Information..... 196

    9.3 Events that Prompted the CPE Request ..... 197

    9.4 Public Water System Preferences ..... 197

    9.5 Printing, Signing, and Submitting the CPE Request ..... 199

10. Printing, Signing, and Submitting Your MOR ..... 200

    10.1 Printing the Report..... 200

    10.2 Signing the Report..... 200

    10.3 Submitting your Report ..... 200

11. Public Notification ..... 202

    11.1 Violation Types ..... 202

    11.2 Notifying TCEQ ..... 205

    11.3 Notifying Customers..... 210

Glossary..... 214

Appendix A: Example CT Study Approval Letter ..... 226

Appendix B: Example SOP..... 235

    Conducting a Routine Filter Inspection..... 235

Appendix C: Example FPR..... 245

Appendix D: Example FAR..... 248

Appendix E: Example CPE Request ..... 254

Appendix F: Violation Report Form..... 255

Appendix G: Equipment Calibration..... 256

    SWTP Calibration Requirements and Procedures ..... 256

Appendix H: Membrane Filters – How to Report  $P_{initial}$  DIT Pressure Data..... 261

    DIT Data - PBT ..... 261

    DIT Data - QBT ..... 261
