

David Trujillo, P.E.
Texas Commission on Environmental Quality

david.trujillo@tceq.texas.gov

David Trujillo is a Team Leader with the TCEQ Dam Safety Program. He has 9 years of experience as an Engineer with the Dam Safety Section and has worked 15 years with the TCEQ in positions related to Dam Safety and Environmental Permitting. In addition, David has nearly 6 years of experience working on Flood Risk Reduction projects for the City of Austin.

David holds a Bachelor of Science degree in Civil Engineering from the University of Texas at El Paso and a Master of Science degree in Environmental and Water Resources Engineering from the University of Texas at Austin. He received his professional engineer (P.E.) license in December 2009 and is a Certified Floodplain Manager (CFM) since 2019.
