

Emissions Inventory Workshop

Commons Center at JJ Pickle Research Center, Austin, TX
and Microsoft Teams Live

Thursday, January 26, 2023, 9:00 am to 12:05 pm
Agenda and Presentations Descriptions

Emissions Inventory (EI) Overview: 45 minutes

Presentation will cover basic terms and concepts, who must submit an EI, reporting deadlines, and 2022 updates to the EI Guidelines document.

Volatile Organic Compounds (VOC) Emissions Calculations: 30 minutes

Presentation will cover common emissions methodologies for VOC sources and EI guidance for estimating VOC emissions.

Web-EI Reporting: 1 hour

Presentation will cover setting-up a web-account and the two options for web-EI reporting.

Open Q&A Session with Emissions Assessment Section Staff: 15 minutes

An opportunity for attendees to ask questions regarding the upcoming 2022 reporting year.
