In response to COVID-19 many HHW services were cancelled or postponed during 2020.

This report represents materials collected during HHW collections and does not include data from other TCEQ programs [Used Oil Program, TV/Computer Recycling Programs, and Used Tire Program].

Table 2 represents other materials often collected with HHW. Many collection programs also accept materials that are not technically HHW because of the benefits of proper reuse, recycle, or disposal of these materials.
