A program of the Texas Commission on Environmental Quality

Successful Exchange Story: Extending the life of a waste product can be both beneficial to the environment and/or your company through avoiding disposal and limiting the need for raw materials.

In the text box below please describe how your exchange might have helped benefit the environment and/or your company:

Thank you for taking the time to complete this form. This information helps us evaluate the success of the program. Successful exchange stories could potentially be promoted through the Texas Commission on Environmental Quality GovDelivery Listserv and/or website in order to help promote the RENEW Program.

If you have questions on how to fill out this form or about the RENEW program, please contact us at 512-239-2619.

Individuals are entitled to request and review their personal information that the agency gathers on its forms. They may also have any errors in their information corrected. To review such information, contact us at 512-239-3282.
