

Biography: Kurt Middelkoop

The University of Texas at Arlington
Texas Manufacturing Assistance Center

Current Position

TMAC Strategic Operations Manager

Prior Experience and Education

Kurt Middelkoop has over 30 years of experience helping organizations improve profitability, efficiency, and competitiveness. He began his career as a manufacturing engineer in the defense industry and has also owned and operated a small business, giving him firsthand insight into the challenges faced by business owners. Currently serving as an industrial engineer with TMAC (Texas Manufacturing Assistance Center), Kurt specializes in sustainability, industrial engineering, and Lean practices to support manufacturers across Texas. He holds a Bachelor of Science in Industrial Engineering from the University of Tennessee, Knoxville.
