

Biography: Jacob Williams

Waco Region 9
Office of Compliance and Enforcement
Texas Commission on Environmental Quality

Current Position

Jacob Williams has over 5 years of regulatory experience with TCEQ. Currently he is a solid waste investigator at TCEQ Region 9 in Waco, Texas. He has been conducting waste compliance investigations for 5 years related to hazardous waste generators, landfills, coal combustion residual (CCR) facilities and petroleum storage tank facilities. Jacob is the only CCR investigator in the State of Texas.

Prior Experience and Education

Previously, Jacob interned with the TCEQ Region 9 Water Section prior to being hired in 2018. Jacob received his Bachelor's Degree in Environmental Studies from Baylor University.
