

Biography: Julia Holland

Program Support and Environmental Assistance Division
Texas Commission on Environmental Quality

Current Position

Julia joined the TCEQ in 2021 as a Compliance Assistance Specialist with the Small Business and Local Government Assistance Section, where she is currently employed.

Prior Experience and Education

Julia graduated from Trinity University in 2011 with a Bachelor of Science in Geosciences and a Bachelor of Arts in Anthropology. She spent two years working in a computed tomography lab at the University of Texas at Austin and then moved into the field of education. She eventually earned her certificate to teach and taught biology and environmental science. Julia served as an AmeriCorps member with the Austin Sunshine Camps and eventually found her way to SBLGA with the Texas Commission on Environmental Quality.
