

Biography: Martin Whitton

Waco Region 9
Office of Compliance and Enforcement
Texas Commission on Environmental Quality

Current Position

Martin Whitton has over 20 years of regulatory experience with TCEQ. Currently he is a solid waste investigator at TCEQ Region 9 in Waco, Texas. He has been conducting waste compliance investigations for 9 years related to hazardous waste generators, landfills, and petroleum storage tank facilities.

Prior Experience and Education

Previously, Martin worked as a project manager in the remediation division of TCEQ, overseeing cleanup of complex contaminated sites throughout Texas. He also has regulatory experience with air permitting for oil and gas facilities.
