

40 CFR Part 60, Subpart Y - Requirements Reference Tables

Subpart Y Standards

- [§60.252\(a\)\(1\)](#) Standards for thermal dryer gases and particulate matter constructed/reconstructed/modified after October 27, 1974, and on or before April 28, 2008
- [§60.252\(a\)\(2\)](#) Standards for thermal dryer gases and opacity constructed/reconstructed/modified after October 27, 1974, and on or before April 28, 2008
- [§60.252\(b\)\(1\)\(i\)\(A\)](#) Standards for thermal dryer gases and particulate matter constructed/reconstructed/modified after April 28, 2008
- [§60.252\(b\)\(1\)\(i\)\(B\)](#) Standards for thermal dryer gases and opacity constructed/reconstructed/modified after April 28, 2008
- [§60.252\(b\)\(1\)\(ii\)\(A\)](#) Standards for thermal dryer gases and particulate matter constructed/reconstructed/modified after April 28, 2008
- [§60.252\(b\)\(1\)\(ii\)\(B\)](#) Standards for thermal dryer gases and opacity constructed/reconstructed/modified after April 28, 2008
- [§60.252\(b\)\(2\)\(i\)](#) Standards for thermal dryer gases and sulfur dioxide constructed/reconstructed/modified after May 27, 2009
- [§60.252\(b\)\(2\)\(ii\)](#) Standards for thermal dryer gases and sulfur dioxide constructed/reconstructed/modified after May 27, 2009
- [§60.252\(b\)\(3\)\(i\)](#) Standards for thermal dryer gases and combined nitrogen oxides and carbon monoxide constructed/reconstructed/modified after May 27, 2009
- [§60.252\(b\)\(3\)\(ii\)](#) Standards for thermal dryer gases and combined nitrogen oxides and carbon monoxide constructed/reconstructed/modified after May 27, 2009
- [§60.253\(a\)\(1\)](#) Standards for pneumatic coal cleaning equipment and particulate matter constructed/reconstructed/modified after October 27, 1974, and on or before April 28, 2008
- [§60.253\(a\)\(2\)](#) Standards for pneumatic coal cleaning equipment and opacity constructed/reconstructed/modified after October 27, 1974, and on or before April 28, 2008
- [§60.253\(b\)\(1\)](#) Standards for pneumatic coal cleaning equipment and particulate matter constructed/reconstructed/modified after April 28, 2008
- [§60.253\(b\)\(2\)](#) Standards for pneumatic coal cleaning equipment and opacity constructed/reconstructed/modified after April 28, 2008
- [§60.254\(a\)](#) Standards for coal processing/conveying equipment, coal storage system, or coal transfer/loading system and opacity constructed/reconstructed/modified after October 27, 1974, and on or before April 28, 2008
- [§60.254\(b\)\(1\)](#) Standards for coal processing/conveying equipment, coal storage system, or coal transfer/loading system and opacity constructed/reconstructed/modified after April 28, 2008
- [§60.254\(b\)\(2\)](#) Standards for mechanical vents and particulate matter constructed/reconstructed/modified after April 28, 2008

These relationship entry screens and flowcharts are for use by sources subject to the Texas Federal Operating Permits Program only and are subject to revision.
